**KINSTON CORRESPONDENCE.**  
 Mineral Springs Discovered - Democratic County Convention - General Items.

**EDITOR JOURNAL.**—Mr. Fred Loops has discovered several mineral springs upon his place, a mile and a half west of town. Among them is one of a decidedly strong sulphur taste. Mr. L. thinks of fixing it up and giving the people an opportunity of testing its value.

Mr. John L. Tull, a young civil engineer of our county, has received an invitation to join a surveying party that will begin work soon in Chatham County. The survey is for a new railroad beginning at Gulf and running northward. The headquarters of the company is in Philadelphia. Mr. Tull left on Wednesday. He will ride through the country from Goldsboro, on horseback.

The recent rains have been of very great service to the growing crops. This is evident to any one passing along the roads.

**LENOIR COUNTY DEMOCRATIC CONVENTION.**  
 This convention was one specially to be noted. It was a dignified body. Perfect harmony prevailed. There were not many candidates—and several of those who were named for office by their friends withdrew their names before balloting commenced. The delegations from the different townships were full. There were no contests in any delegation. The house was full, and the lookers on, Democrats of the line, were filled with enthusiasm. There were three ballots for House of Representatives, one for county treasurer and the other nominations were made by acclamation.

The Democratic club will be entertained at its next meeting, we hope, by Messrs. J. F. Wooten and J. Q. Jackson who were elected as speakers, at the last meeting.

The wife of Dr. R. H. Temple died at her home in this place on Wednesday last and was buried on Friday in the city cemetery.

One of the most artistic signs that we have ever seen is that of Mr. LaFayette McCullen, which hangs just over the heads of passengers at the door of his book store on Queen street. It is of a design unique and novel—deep blue background and gilt lettering.

**A SHORT CATECHISM**  
 Question: What is a church bell?  
 Answer: A bell in a church steeple.  
 Q: Has it any use?  
 A: Yes, several.  
 Q: Will you mention them?  
 A: First, it is used to insinuate to every member of the church that his or her watch or clock is incorrect. Second, it is used to wake up babies. Third, to annoy, irritate and distract all sick persons, and so forth.  
 Q: Has it any other use?

A: Yes, it makes, when melted, a good cannon.  
**THE THIRD PARTY**  
 held a convention, on Saturday, in the Opera house and elected delegates to their State convention.  
 Rev. Colin Hughes filled the pulpit of the Episcopal church on Sunday last. Mr. J. Dan Miller, a student of the Alexandria Va., Theological Seminary, has been holding services for the church during the summer vacation. He expects to return to the seminary in a few weeks and finish the course.  
 Lieutenant E. B. Lewis went to Wrightsville, Thursday, to join his company, the Asheville Light Infantry, in the encampment at Wrightsville.

**KERSHAW CORRESPONDENCE.**  
 We are having some very fine weather now which makes crops look nice.  
 Miss Effie Hadder and Mr. C. H. Hodges returned from Washington a few days ago. Mr. Hodges says that crops are not so good in that place as they are at Kershaw.  
 Mr. J. H. Curtis of this place is spending a few days at Aurora visiting friends.  
 Our protracted meeting will commence at this place, the second Sunday in August.  
 We have some very fine corn, that was planted after potatoes were dug. It is silking and tasseling, who can beat this?  
 J. H. C.

**Resolutions of Respect.**  
 We, the officers and teacher of the Methodist Episcopal Sunday School of this place, duly appointed to prepare a tribute of respect to the memory of our much loved Sunday School worker and scholar Miss Pearl Yates Foy, submit the following:  
 Whereas it has pleased the Almighty Ruler of the universe to send a great affliction upon our people in the sad and sudden death of our little friend Pearl.  
 Resolved 1st, that while we reverently bow in humble submission to Him who doeth all things well, we can but mourn the death of one so bright and promising. Believing our loss her eternal gain let us strive to meet her "just across the evergreen shore."  
 Resolved 2d, that we tender our heart-felt sympathies to the sorrow stricken family in this their sad bereavement.  
 Resolved 3d, that these resolutions be spread upon the records of the school and copy sent to the family of the deceased also a copy to the New Bern JOURNAL for publication.

**REMARKABLE RESCUE.**  
 Mrs. Michael Curran, Flaherty, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and so her delight found herself benefited from first dose. She continued its use and after taking ten bottles found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at F. S. **This is Loaded for B'ar.**

Farmers, 'tis not the political issues of the day that most interests you. Whether Republican, Democrat, or the Third Party be in power, all the same with the farmer. Take one dose of Hard Time Pills and cleanse your system of this fearful disease that is prevailing throughout the whole country, causing so many mothers, brothers, fathers and sisters to cry out, "What shall I do to be saved?" (the mortgage or credit system). Yes, my brother farmer, when you can till your farm in defiance of the credit system, then you can say, like BIG IKE, "Let the world wag as it will, I'll be gay and happy still."

**THEY SPOTTED HIM**

The Stockholders' Train of the A. & N. C. E. went down Thursday with two thousand people on her. Said one half to the other, as they saw him passing by distributing his circulars, There goes Big Ike, who buys so many merchants out at 40c., 50c. and 60c. on the dollar.

**THE SILVER QUESTION.**

All sing a song of hard times,  
 Of pockets empty, too;  
 Of huddling round for money  
 And feeling oh so blue—  
 Because you act so foolishly,  
 And buy your goods so rash—  
 Not looking to your interest,  
 But wasting your good cash.

You know right well a dollar  
 Can take care of itself,  
 It is the hard penny  
 You must lay by on the shelf—  
 Big Ike would laugh a lesson  
 That will not cost you dear—  
 Trade with him— which the silver  
 You can save up in a year.

No use to name his bargain,  
 He tells you every day;  
 Go to his store for your use,  
 And see the only way.  
 He sells his hats, boots, shoes and clothes,  
 Best goods of every sort  
 His bargain sale has now become  
 A popular resort.

Don't fret because the Senate  
 Decries the silver bill,  
 The silver that most interests you,  
 Can take care of itself—  
 Big Ike will help you do it,  
 It's like him you can wave  
 And flourish, in the land of free—  
 And home of all the brave.
