THE JOURNAL.

FALSE THIRD PARTY TEACHING

The Way to Combat It-How ca Any Southern White Man Support Either the Republican or Third Party.

EDITOR JOURNAL :-- I write you oday as a citizen of the old North and, forever an uncompronising Democrat so long as they stand upon the broad, liberal and housest platform that they have now placed before this country. I fear that we do not attach as

I fear that we do not attach as ch importance to this Third It is wrong for the capitalist to arty movement as we ought. I take advantage of such circumnave been through many of the stances.

counties of North Carolina since the organization of the party and find that its strongholds, principally, are in the rural or country disthe where the people have been they will not allow any non-union reading the Progressive Farmer men to work under any circumand have been taught by its stances, and that they will not party was to be blamed most for erroneous ideas that the Demteratic depressed condition of our country. They seem to blame the Democrats for what the Republi. element of this country. cans have been doing. I think it is the daty of the Democratic Ex- ty is endangered. If the State is contive Committee of the State to send out to these men-every farmer of property, the State ought to be in the country—a political news-paper that will contain the speeches delivered by the Democratic campeace and order is restored. paigners of the State as well as such other literature that will best offset the doctrine taught by the Progressive Farmer. It is very evident to welfare of our land in a large me that these people of whom I degree .- Ensign. speak are not going to hear the political issues of the day discussed; except when discussed by the Third Luck is waiting for something to party.

turn up. Labor, with keen eyes and strong, will turn up some-You may send all the political pamphlets and circulars that you thing. like, but the people are not going Luci Luck lies in bed and wishes the to read them; but, send them a postman to bring him news of a like. newspaper instead and they will read not only the news items but legacy. Labor turns out at six o'clock, and lays the foundation of every advertisement in it. competence.

I am sorry to see this division among our people especially in my own native county Lenoir, but I character. believe that most of them will return to their former allegiance to Labor Democratic principles before the independence. 8th day of Nov. next. For my life I can't see how the old veteraus friend of labor? who wore the gray, and in fact any white man in the South can support either the Republican or Third party, and when they go to the lays eggs like a bird, suckles its

polls on election day and see the young like other mammals, and in political sky darkened by the general appearance and habits reloomy and cloudy day of reconstruction, I do not believe they will and Europe. One variety is vote other than the Democratic covered with hair, has webbed feet ticket. I am glad to see so many and a bill like a duck. Another of the Alliancemen sticking to the has a long hooked bill like a curlew Democratic party for through that but in all other respects (except its party our relief will come if we can peculiar egg laying habits) is a Children Cry for Pitcher's Castoria. only get in power.

Virginia is all O. K. DRUMMER DEMOCRAT.

The Doctor and Good Roads.

The sentiment in favor of improving country roads is growing institution in the State of New every year. It has reached our being introduced in order to secure part by public money. The reason State aid in the matter. Good are things which no class of

Labor and Capital, The Homestead affair near Pitts-burg augests some things to the All sing a song of hard times. Of pockets empty, too; Of hustling 'round for money And feeling oh! so blueountry at large: First, There is something wrong Because you act so foolishly in the present relations of labor and capital. Second, The wrong is not entire -

But wasting your good cash. ly upon either side; it is on both You know right well a dollar Can take care of itself, Third, The capitalist has no It is the little penny moral right to reduce the working-You must lay by on the shelfman's wages beyond the point

Big Ike would teach a lesson That will not cost you dear where he can live comfortably and, Trade with him-watch the silver You can save up in a year. No use to name his bargains. He tells you every day; Go to his stores to find out, wages or allow his family to suffer

And see the casy way He sells his hats, boots, shoes and clothes, Best goods of every sort His bargain sales have now become Fourth, Labor organizations have a legitimate purpose to A popular resort.

accomplish, but when they declare Don't fret because the Senate that they will not work, and that Defeats the "Silver Bill;" The silver that most interests you. Is that, your pockets fill-Big Ike will help you do it, It's like him you can wave And flourish, in the land of freework with products of non-union labor, they are trying to exercise And home of all the brave. the rankest tyranny over the labor

Have faith in God; think noble Fifth, Pinkertons have no place things of God; be sure that trust in in a lockout or strike when properthe righteous God means the ultimate triumph of good over held responsible for the destruction evil.
