WHEN Radical emissaries are sent here from the North to traffic with the Third partyites, it is time to call a halt. There is in Raleigh a man from Connecticut who has been conferring with the Third party people, and has brought corruption money here with which to carry out his schemes. He wants to carry North Carolina for Harrison, and proposes to deliver three negro votes to the Third partyites for their State ticket for one in return for Harrison, and declares he has the money with which to buy them. White men who call themselves reformers and who can be approached with such propositions as that of the Connecticut emissary, should be ashamed to show their faces and are unworthy of even the contempt of decent people. - News and Observer.

**DOWN WITH HARRISON.**  
 If Democrats unite to compass the fall of Harrison it is not surprising, but when we are told that sixteen Republican Senators have entered into a league to "break down Harrison" it is wonderful, and still the wonder grows with fresh revelations of the plot.  
 Is it a secret? It was a secret, but who can keep secret a conflagration whose lurid light mounts to the heavens! It may be said "it is a lie." Not a fighting lie, but a Democratic lie. Indeed! Truth is sometimes stranger than fiction, and evidence of the truth of this statement is not wanting. The New York World is a great newspaper that backs its statements with the proof. In its issue of August 15th, the Washington correspondent of the World says: "The defeat of Benjamin Harrison is necessary for the preservation of the Republican party." "This opinion is held by at least sixteen Republican members of the United States Senate. They have all expressed themselves to that effect after conferring together and carefully considering all the arguments on both sides."

"Four years more of Harrison they say will so disorganize and disrupt the party that it will be impossible to pull it together and elect another Republican President for twenty years. Therefore they have come to the conclusion that Harrison's defeat is the only thing that can save the party from total wreck."  
 This above information comes to the World's correspondent from an absolutely reliable source. His informant is a member of the Senate who holds a high position in

the councils of the Republican party. This opinion is believed to be shared by Thomas B. Reed and half a dozen other prominent members of the House of Representatives.  
 Nearly two-thirds of the Republican Senators were opposed to the nomination of Harrison at Minneapolis. There are some who worked openly against him: Quay and Cameron, of Pennsylvania; Walcott and Teller, of Colorado; Jones and Stewart, of Nevada; Pettigrew, of South Dakota; Hansborough, of North Dakota; Powers and Sanders of Montana; Washburn, of Minnesota; Dubois and Shoup, of Idaho; Squire and Allen, of Washington; and Stockbridge and McMillan, of Michigan; Casey of North Dakota; Davis, of Minnesota; and Wilson of Iowa refused to do any thing to help Mr. Harrison. Hale and Frye of Maine, and Gallagher, of New Hampshire, preferred Blaine to Harrison and their influence was exerted in that direction."

It is admitted that this opposition to Harrison was manifested before he had been nominated at Minneapolis. It was hoped that the action of the National Republican Convention would be endorsed by all leading Republicans. But, Mr. Harrison has shown a vindictive spirit, and the breach instead of being closed has been widened.  
 The correspondent of the World further says: "We canvassed the matter very thoroughly among ourselves before Congress adjourned. Sixteen Republican Senators gave it as their honest judgment that it would be better for the Republican party to have Mr. Cleveland elected next fall. The men who have expressed themselves to that effect are Quay and Cameron, Wolcott and Teller, Jones and Stewart, Washburn, Pettigrew, Hansborough, Dubois and Seoup, Sanders and Power, McMillan and Squire and Allen. Each one of these Senators will tell you in confidence that he hopes Harrison will be defeated, and he will also admit that he proposes to do all he can in a quiet way to elect Mr. Cleveland."  
 "My name is in the list I have just given you and I speak from a personal knowledge of the situation."

All this is most remarkable. If it is true—and true it seems to be—the defeat of Mr. Harrison is inevitable.

**Lung Troubles, Rheumatism Etc.**  
 Frequently a person is supposed to have consumption when it is some other disease altogether that is reducing his flesh and making him look pale and thin.  
 J. W. Yates, Tullahoma, Tenn., writes: "It does me good to praise Botanic Blood Balm. It cured me of an abscess on the lungs and asthma that troubled me two years and that other remedies failed to benefit."  
 "So you see it is sometimes well to try constitutional treatment. No remedy is so good as B. B. B. (Botanic Blood Balm) for rebuilding wasted tissue, and giving health to every portion of the system reached by the great circulating stream of life, the human blood. Again, it is often supposed that colds and exposure are the only causes of sciatica, rheumatism, etc. Such is not always the case. It is frequently caused by impurities in the blood."  
 Wm. Price, Luttsville, Mo., writes: "I was afflicted with sciatica and had lost the use of one arm and one leg for nine years. I went to Hot Springs and also tried different doctors, but found no cure until I tried Botanic Blood Balm. It made me sound and well. I am well known in this vicinity."  
 Observe, even when the renowned Hot Springs failed, B. B. B. brought relief. Remember, no matter what blood remedy you have tried or intend to try, B. B. B. is the only one that will give you complete satisfaction.

The number of dwellings in the United States in 1891 was 8,955,812.  
**THE STAGE AND THE PULPIT**  
 Rev. F. M. Shront, Pastor United Brethren Church, Blue Mound, Kan., says: "I feel it my duty to tell what wonders Dr. King's New Discovery has done for me. My lungs were badly diseased, and my parishioners thought I could live only a few weeks. I took five bottles of Dr. King's New Discovery and am sound and well, gaining 26 lbs. in weight."  
 Arthur Love, Manager Love's Funny Folks Combination, writes: "After a thorough trial and convincing evidence, I am confident Dr. King's New Discovery for Consumption beats 'em all and cures when everything else fails. The greatest kindness I can do my many thousand friends is to urge them to try it." Free trial bottles at F. S. Duffy's drug store. Regular sizes 50c. and \$1.00.

The average daily amount of sunshine is little more than three hours.  
**Oh, What a Cough.**  
 Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c., to run the risk and do nothing for it. We know from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves coughs and whooping cough at once. Mothers, do not be without it. For lame back, side or chest use Shiloh's Plaster. Sold by New Berne Drug Co.

# BIG IKE'S COLUMN.

## Not Politics, but \$.

No Third Party, Republican or Democrat allowed to discuss the issues of the day in my store. Sore heads, Democrats and Republicans please take warn'g. It is the mighty dollar I am after.

# He Will Know Where To Go Next Time!

Mr. W. I. Hargett of Pollockville was in town this week, and wanted a pair of shoes like those he bought from Big Ike thirteen months ago. Said he tried to get a friend of his to do likewise, but could not prevail on him to do so; he bought them up town, and they only lasted him two months and a half.

# BUSY THIS WEEK.

To the public I would like to say it is impossible for me to give them all the news in my ad. this week, as I am making preparations this week to move the stock from my upper to my lower store. I feel it is to my interest and to the interest of the people for me to know what is going on and who is coming in, that if a man runs one place successfully in this county he is doing well.

# I CAN DO IT!

I trust in ten days to have my two stocks into one, but will be very much crowded for some time. When I put all my goods in my lower store it will be like putting a No. 9 foot in a No. 8 shoe, but it is often done, and I propose to do something like it when I combine my two stocks. I know my lower store is too small, but Big Ike, unlike other men, has not learned to say, I can't do it.

# The Colored Fair is Over.

Not less than five thousand people said: There goes Big Ike, who buys so many merchants out at 40, 50 and 67 cents on the dollar.
