In the late election in Vermont the Democrats made large gains.

There are twelve steamships on the way to New York from cholera infected ports. Look out.

In Great Britain there is not a case of cholera and but two convalescents. Many persons have made themselves sick with drugs.

Three men of distinction have died in the last day or two. They are Daniel Daugherty, of Pennsylvania, John G. Whittier, and Ex-Senator Kernan, of New York.

Massachusetts negroes demand representation on the Electoral ticket. Why not? In the South the negroes will do the main voting for Harrison. If they know their rights they ought to maintain them.

They have all sorts of women in New England, but we didn't know they had any of this kind until we read the announcement in a Massachusetts paper that an umbrella had been lost "by a lady with a gold head and whalebone ribs.—Wil. Star.

This is the newest anecdote of Chicago. It is not found in Chicago newspapers: A well known Chicago bookseller received from a gentleman in Racine an order for Archdeacon Farrar's "Seekers After God." But the Racine man returned from the well known Chicago bookseller only a slip thus inscribed: "No Seekers After God in Chicago."

The Albany Herald says this of Gen. Weaver: "And now there is coming in our midst this man of all men whom the South should spare and repudiate—a man who has grossly slandered and reviled the name, the people and the soil

of our fair southland. His words have gone further than abuse. They out-herod, Herod himself when it comes to slander and malicious falsehood, used to fill the hearts of his hearers full to the brim with hate toward the very land and its people to whom he is now coming to ask for votes."

There is a fine practical lesson to be found in this sugar question that will aid everybody to see who pays the taxes. McKinley, with a sublime stupidity and cheek, tells his hearers that the foreigner pay the tax on goods imported into this country. Of course he knows better, but he takes the people for fools, and in that lies his stupidity. The Richmond Dispatch notes the fact that it has been telegraphed that granulated sugar would advance in price because of the cholera quarantine. So because of a quarantine sugar is to advance 20 per cent. Who will pay for this advance? Go to your grocers and ask. Do not be a fool about the tariff. Do not think Europe pays a cent of it for you.—Wilmington Messenger.

Mr. Lee expects to move up to New Berne after a little while but for the present Mr. Fulcher will manage the business.

Mr. Jas. F. Taylor received yesterday from New York and now has displayed in his store two large posters, with nearly life size pictures of Jas. J. Mr. Lee's daughters, Misses Lulu and Bessie, who have been spending the summer with friends at Morehead, passed through in company with him, and will enter Greensboro Female College.

Every week a large number of extra copies of the "True Issue" will be published, which can be secured at about the cost of printing. Where as many as one hundred are purchased the price will be only one cent a copy, remittance to be made with order. Every Democratic club in the county ought to take at least that number every week from now until after the election, and have them properly distributed. Also clubs in adjoining counties could no doubt use them to great advantage. In sections where there are no clubs organized the County Executive Committee should take the matter in hand and see that the Democratic side of the present issues are represented.

Democratic Executive Committee.

The Democratic Executive Committee of Craven county is hereby called to meet at the Gaston House in the city of New Berne, next Saturday at 11 o'clock for the transaction of important business. It is specially desired that every member of the committee be present.

REPUBLICAN CONGRESSIONAL CONVENTION.

Clark for Congress—Spear the Presidential Elector.

Special to JOURNAL.

FAYETTEVILLE, Sept. 9, 1892.

Republican Congressional Convention of the Third District met here today.

All the counties except Onslow represented.

A. M. Clark, of Moore, was nominated on first ballot.

O. J. Spears, of Harnett, nominated for Presidential elector. BELL.

Coming and Going.

Mr. W. H. Davis arrived yesterday returning home from Smyrna, where he has been a short time on pleasure; also his family who have been spending the summer there.

Mrs. Annie Hughes, who has been spending the summer visiting relatives in Astoria, Long Island, returned home last night.

Mrs. Gooding and Miss Mary Gooding returned from a visit to Mr. R. J. Gooding.

Mrs. Joe Person, of Kirtrells, arrived to spend a few days in the city and is stopping at Mrs. G. W. Moulton's.

The steamer Neuse of the E. C. D. line brought in the following passengers:

Mr. M. Hahn returning from a Northern pleasure trip; the family Mr. Geo. Henderson returning from a visit to relatives in Washington City; Misses Lena and Ray Schultz returning from spending a few weeks at summer resorts; and Messrs. L. A. Cobb and D. J. Dixon returning from a Northern business trip.

The following passengers left on the steamer Neuse: Rev. J. R. Sawyer returning to Roanoke from a pleasure trip to Durham; Miss Minnie Willis leaving for Mantoo to take charge of a school; Mr. John T. Dunn who has been spending the summer in the city and at Morehead leaving to enter McCormick Theological Seminary; his parents Mr. and Mrs. Isaac B. Dunn still remain and are stopping at Hotel Albert. Mrs. C. C. Taylor, of Wintrop, who has been visiting her niece, Mrs. G. W. Wallace, leaving to visit relatives in Elizabeth City; Mrs. H. W. Lane, leaving to visit friends in Norfolk and vicinity; and Miss Sarah DuHaire, who has been visiting the mother Superior of the Catholic convent, returning to her home in St. Louis.

Safeguard Against Cholera.

By recommendation of Councilman, Latham of the sanitary committee, the city has secured a quantity of copperas and lime which will be distributed free for disinfecting purposes.

The city marshal has been directed to have the premises of every householder in the city inspected without delay, and the penalties laid down against any not found in a cleanly condition will be enforced.

These special efforts and precautions are taken in view of the fact that cholera has been brought in vessels to the shores of this country and the consequent danger that it may break out ashore and spread over the country, in which case the cities which are in the best order would be least likely to be attacked and would also be likely to escape with least harmful results in case it should reach them.

In view of these facts Mayor Manly urges the citizens to co-operate heartily with the officers in the efforts to preserve the health of the community. Let each cheerfully and promptly do his or her part in bringing our houses, yards, gardens and streets into a condition that will not only invite, but be an actual help in repelling disease.

Cotton Shipments.

Mr. William H. Oliver, who has for a number of years gotten up for the Financial Chronicle a statement of the number of bales of cotton shipped each season from this place, has kindly furnished us the following statement of the number of bales shipped by the different steamer lines from New Berne during the twelve months prior to September 1, 1892:

To Norfolk,	34,778 bales.
" Philadelphia,	950 "
" Baltimore,	325 "
" Bremen,	2,500 "
" Liverpool,	2,546 "
Total,	31,099

THAT DIVIDEND.

Was Not the Money Needed in Other Directions?

The A. & N. C. road has declared a dividend, hurray for the "Old Mullet" better late than never, and better never than to take a step of that kind when the road is in great need of locomotives and other rolling stock. It is bad policy. If there is enough money on hand to declare a dividend, would it not have been much better to apply that same money toward the purchase of rolling stock, thereby increasing the earnings of the road, and also the business of "New Berne," as the trains are now run, and have been, during the entire existence of the road, the management has been of no benefit to New Berne, but of some benefit to both Goldsboro and Kinston. The road was turned over by Washington Bryan in magnificent order to the present incumbent, and it has been kept up in like condition. I think the Governor's tour of inspection will be perfectly useless.

I ask, ought a road to declare a dividend when it is heavily mortgaged and badly in need of rolling stock, would it not have been better financial policy to have applied that dividend either to the liquidation of the debt, or to a sinking fund, or to the purchase of rolling stock, or to the ballasting of the road, or to enable the road to be of some benefit to the business and trade of New Berne as well as other points by giving the people two passenger trains a day.

Resolutions of Respect.

To our worthy pastor and official members of St. Peter's A. M. E. Zion Church of the city of New Berne, State of North Carolina, we your committee appointed to draft suitable resolutions on the death of our brother, trustee and treasurer, George S. Fisher, who departed this life Saturday night, Sept. 3rd, 1892, in his 65th year, beg leave to submit the following:

Whereas, It has pleased the Supreme Ruler of the universe to call from labor to reward a much esteemed and worthy brother in the person of George S. Fisher, who has served us faithfully as a trustee and treasurer for 14 years. We are reminded that ere long we too must leave this transitory world to enter in the joys of our Lord; while we mourn his loss, he is now shining in his triumph.

Resolved, That in his death the church has lost one of her strong pillars, the race one of her great examples of honesty and integrity; New Berne one of her old citizens; the county one of her ex-school committeemen and a lover of education.

Resolved, That we tender to his bereaved family our warmest heartiest sympathy in this their hour of affliction and pray that God in his loving kindness and tender mercies will support and protect them in their afflictions.

Resolved, That our church be draped in mourning for 30 days and that each member of this official board wear a badge of mourning for 30 days in honor of our departed brother.

Resolved, That a copy of these resolutions be presented to the family and a copy be sent to the Star of Zion and New Berne JOURNAL, for publication also a copy be spread upon our church ledger.

Respectfully submitted,
W. W. LAWRENCE,
EDWARD HAVENS,
V. A. CRAWFORD,
Committee.

Republican Money for Third Party Work.

During our visit to Mount Olive last Friday we met a gentleman who informed us that he saw Marion Butler open a letter a few days ago which contained a check of \$300 issued by National Republican headquarters. Our informant was heretofore a strong Third partyite, but since Friday has become a convert to Democracy.—Goldsboro Headlight.

Special Notice.

We beg to notify our patrons and the public generally that having purchased the good-will and fixtures of "John Brown, the Barber," we hope by polite and strict attention to business (no "Prince of Wales" air) to merit a continuance of the patronage so generously bestowed upon our former employer.

Respectfully,
H. L. BARKS, Proprietor.
