POSTMASTER-GENERAL Wanamaker has issued his order providing for free delivery and free collections of mails were ever persons desiring it will have the prescribed boxes put up at their doors.

The Third party liars say that Cleveland is the friend of the National Banks. Let us examine that statement. While the Chicago convention was in session Cleveland instructed his friends to send him a copy of the platform and declared that he would not accept the nomination if he could not stand squarely upon it. The platform was sent to him by telegraph and met his approval before he was nominated. It is distinctively and positively in favor of State Banks and therefore in direct opposition to Wall Street and the National Banking system. The center of the money power is New York and Cleveland did not get a single vote from that State.

POLITICS IN THE STATE.

The Republicans have met in convention and nominated a full State ticket.

Of the individuals who compose it we have nothing to say. They are Republicans and that is enough.

This move on the political chess-board is "very affecting to the audience."

It disgruntles the Peoples' party, and puts the Democratic party on its metal.

There is a breach of faith somewhere. The leaders of the Third party did not expect the Republican party to enter the lists, and all its calculations are knocked into a "cocked hat."

The Democratic party, however welcomes the contest with its old enemy.

In fighting the Peoples' party half our shots are made with blank cartridges, for we regard at least half of their men as friends, almost persuaded to strike hands with us in an earnest effort to secure reform in all departments of the Government. But, with the Republicans before us, every gun will be charged with solid shot that will be sent as thunderbolts of war into the ranks of their battalions.

What is the issue now, presented to the people of North Carolina? It is white supremacy or Negro domination. The late Republican convention declared in

opposition to the present system of county government. If they succeed in the State, this rampart of domestic security will be destroyed, and all that is hideous in a war of race must be endured by the people of Eastern North Carolina. All now is peace and security. Then,—but, we dare not lift the curtain and expose the monstrous picture.

The Peoples' party has a weighty responsibility resting upon it which it cannot escape. It is responsible for the present condition of affairs. But for it, North Carolina would not now be in danger of Republican domination.

The rank and file of the Peoples' party did not mean to endanger civil liberty and domestic security by withdrawing from the Democratic party, and even now, they are coming back and very soon their blades will be seen flashing in the thickest of the fight for white supremacy and Democratic government.

Everywhere their return will be welcomed, not alone for their votes but, because it will restore the fellowship, so unfortunately broken, that is essential to the prosperity and happiness of our beloved country.

Let them show their colors and give the people both sides of the question, that they may act intelligently.

Mrs. C. A. Jackson, Of Vanceboro,

Was in the city on last Tuesday and bought some of her merchandise from Big Ike. Said she had read a good deal about him but had never seen him before. Am sure she will be so well pleased with her purchases from Big Ike that she will come again.

EX-SHERIFF S. E. KOONGE

With his son John, of Jones county, was in the city during the past week. The Sheriff and John, like all well-regulated people, went down to Big Ike's to examine his prices, and laid in a supply for John while at Chapel Hill during the coming year. John is an apt scholar, and very attentive, and no doubt will make his mark that all of Jones county will be proud of. If John hasn't got more goods for his money than any scholar in the College, then Big Ike will clothe the whole school free of charge for the next session.

MY FRIENDS!

Why do you desert me in times of prosperity? Never in my life have I been in a position to do you more good.

THE ABOVE

Is a reminder to those people from Onslow county who visit New Berne and fall to, call on Big Ike. No doubt there are some who prefer trading with strangers, or rather see some one make a dollar that they had never seen before than one of their county acquaintances. I do not claim your patronage for old acquaintance sake, but if I am in position to do something for you it is to your interest to come and see me. Will you visit New Berne without coming to see me?

PANTS FACTORY.

I wish to call the attention of those who wear Pants, Vests, Shirts and Drawers, that I am manufacturing these goods in the best quantities, made up in the best of style, and equal to any made North. I have a Cutter employed who has had years of experience. I am having my work done by Widows and Orphans, who have no other means of support, and when you purchase an article from Big Ike remember you are helping to feed many a poor child who otherwise might be cast upon the cold charities of the world.
