**The McKinley bill** is something of a force bill itself. It forces people to pay fancy prices for some of the common necessities of life.

**The Republican editors** who are wrestling with the question, "What does the Georgia election mean?" are wasting breath. It means the election of Cleveland.

**Penny savings banks** are connected with the public schools of Belgium, and 170,000 of the 600,000 primary pupils have deposited over \$500,000. Great Britain has also established the penny banks.

**On the 3d of May, 1892**, the Progressive Farmer declared: "We cannot afford to risk negro supremacy in North Carolina." Can we afford it any better in November, 1892; than we could in May, 1892?

**To find the reply** the people of the United States will make on November 8th to Harrison's appeal for re-election, one need only spell the President's name backward—"No Sir! 'Rih!!"—Goldsboro Argus.

**The attempted force bill** outrages of the Third party in Alabama has aroused the Democracy over there as nothing else has done. It is the finishing nail in the structure of Democratic success.—Atlanta Journal.

**WEAVER**, the South-hater, boasted in Raleigh that Georgia would go Third party 25,000; it went Democratic by 70,000. That is about as good a guess as they are making anywhere in North Carolina.—Washington Gazette.

**The principal complaint** of farmers is high taxation. High taxation is caused indirectly by the protective tariff. The Republican platform favors the high tariff, the Democratic party denounces it and pledges the party to regulate it, and the Third party platform is silent on the subject.

**A FEW days ago** we mentioned the fact that Hon. W. L. Wilson, of West Virginia, said he saw in New York a bill for \$10,000 for goods imported from England, and along side of a bill for \$10,000, the amount of union duties paid in, being \$900 more than the cost of the goods. The Charleston News and Courier publishes another case, that of Mr. D. Meyer, of that city, who bought clothing to the amount of \$250 in Liverpool, and when

to plank down \$22.20 custom duties \$1.04 more than the goods cost.—W.H. Star.

**WEAVER** attempted to play the sympathy racket by howling about rotten eggs in Georgia. It was only one little boy who threw one little bad egg, but if Weaver had been buried in rotten eggs it would be really no better than he deserved, for having so widely, maliciously and lyingly slandered southern people.—Kinston Free Press.

**WEAVER** has never denied that he denounced the Southern people as traitors, who deserved ropes around their necks. This he cannot deny, for the record speaks against him, and there is no escape. If such denunciations of our fathers and brothers is not sufficient to cause Southerners everywhere to vote against Weaver, then the Southern heart needs quickening to patriotic impulses. Ought not the American citizen everywhere to vote against such men?—State Chronicle.

A grand time at Vanceboro tomorrow. Speaking by Carr and Jarvis. A first-class band in attendance, and music and other edibles in abundance.

O. J. Spears of Randolph county, the Republican elector of the 3rd district and E. Victor Cox will speak at the court house tonight at 8 o'clock.

The fire department was brought out yesterday about 11 o'clock, by an alarm, but there was no need for their services as the alarm was occasioned simply by a burning chimney.

The first real alarm of fire by the Gamewell system was sent in yesterday from box No. 56, by Messrs. Lucas & Lewis store and Mr. Lucas was the one who gave the first alarm.

We hear the need of a larger fire bell for the city spoken of. Under certain influences the sound of the present one will not reach all portions of the city. The alarm sent in Thursday night, we are informed was not heard by the watchman at the railroad shop.

A misplacement of a couple of punctuation marks made a slight tangle in the county commissioners' proceedings. The amount of the voucher ordered issued to M. Hahn is \$69.40; the amount to be expended on Little Swift creek bridge is \$39.00.

We are authorized to state that a steamer will leave from the foot of Craven street tomorrow morning at seven o'clock for Vanceboro, to take those who wish to be present at the Democratic speaking by Carr and Jarvis. It is to return that night; fare for the round trip, 50 cents. Those who drive over will not be charged for crossing Street's Ferry.

The Democratic Executive Committee have requested Hon. L. J. Moore to reply to Dr. Cyrus Thompson of Onslow county, third party nominee for Senator of this district when he speaks here on the night of Wednesday, the 28th inst. Mr. Moore has agreed to comply with the request of the committee. Let every one who wishes to hear a lively discussion of the campaign issues be on hand. The speaking will be in the court house.

An opportunity to meet the next Governor of the State, Hon. Elias Carr, and to hear some sound Democratic talk by him and ex-Governor T. J. Jarvis, will be afforded our citizens. They will both be here and make addresses. They speak today at Bayboro and tomorrow at Vanceboro. Having to spend the night in the city while going from one appointment to the other gives us the benefit of hearing them tomorrow. Let all attend.

Some of our citizens went over to Elizabeth City by the steamer Neuse yesterday to attend the Albemarle Park Fair in progress this week. Another opportunity will be given tomorrow. Those desiring to attend the Fair can leave here at five o'clock, arriving in Elizabeth City early the next morning, have the whole day to devote to the Fair, and leave in the afternoon, arriving home early the next day. The whole round trip will cost only \$2.00.

**Bishop Haid.**  
Rev. Bishop Leo Haid did a big day's work here Sunday. He preached four times—twice for the colored people and twice for the white. On each occasion he was greeted with a large and attentive audience, composed not alone of Catholics but also of many from Protestant denominations, by all of whom he was heard with pleasure.

In his lecture Sunday night he did not confine himself entirely to the discovery of America, but incidentally outlined the progress and conditions of the church from its earliest days, and he dwelt with emphasis upon the large extent to which the world is indebted to the Catholics for the discovery of America and the building of it up to its present state of greatness. The learned Bishop took an advanced position for both civil and religious liberty.

**Coming and Going.**  
A goodly number of visitors to the State Fair went up yesterday morning both from the city and points below. Among the number were Rev. D. McLeod and Miss Sarah Davis, of Beaufort; Mrs. J. A. Simpson, Mrs. Rufus Ford, Mrs. E. H. Claypool, Mrs. Wm. Watson and Mr. Jas. Watson, Mrs. S. M. Smith, Mrs. J. K. Willis and Miss Gerlie Willis, of the city.

Judge H. R. Bryan went up to Goldsboro to hold Superior court.

Messrs. W. W. Clark and O. H. Guion left for Supreme court at Raleigh to represent the Atlantic express company in their suit for equal rights on certain railroads with other companies.

Mr. and Mrs. M. D. W. Stevenson and Mrs. Clara Slover left on a trip to New York.

Miss Mary B. Morgan left to enter the State Normal and Industrial school at Greensboro.

Miss Annie Saunders, of Snow Hill, arrived to visit her aunt, Mrs. C. T. Watson.

Dr. Rev. Bishop Haid, who conducted Columbus Celebration services in the city Sunday, left for Wilmington.

Gen. C. A. Battle and Hon. W. T. Caho returned from conducting a Democratic canvass in some of the north-eastern counties.

Miss Whitaker who has been spending a few days in the city in the interest of the Orphan's Friend left to continue the canvass at other points.

Mr. C. C. Gibbs, mailing clerk on the Charlotte Observer, arrived last night to visit relatives.

The steamer Neuse of the E. C. D. line took out the following passengers: Judge A. S. Seymour, leaving for Elizabeth City to hold United States Court; Dr. G. K. Bagby on a business trip to Philadelphia; Mr. J. B. Clark, leaving for Pantego after his wife, who has been spending the summer at her father's, and Mr. Thos. Bowden on a pleasure trip to Elizabeth City.

**Columbus Day Celebration.**  
Next Friday, the 21st inst, is the 400th anniversary of the discovery of America by Columbus. It will be observed by the New Berne Collegiate Institute in accordance with the President's proclamation appointing it a general holiday for the people of the United States and recommending that they "so far as possible cease from toil and devote themselves to such exercises as may best express honor to the discoverer, and their appreciation of the great achievements of the four completed centuries of American life."

The exercises will begin at ten o'clock. The official programme for public school celebrations will be carried out. It is as follows:

1. Reading of the President's Proclamation by the Principal.  
2. Raising of the flag.  
3. Acknowledgment of God.  
4. Sons of Columbus Day.

Columbia, my land! all hail the glad day  
When first to thy strand Hope pointed the way.  
Hail him who thro' darkness first followed the Flame  
That led where the May-flower of Liberty came.

Dear Country, the star of the valiant and free!  
Thy exiles afar are dreaming of thee,  
No bells of the Earth so enchantingly shine,  
No air breathes such incense, such music as thine.

Humanity's home! thy sheltering breast  
Gives welcome and room to strangers oppressed.  
Pale children of Hunger and Hatred and Wrong  
Find life in thy freedom, and joy in thy song.

Thy fairest estate the lowly may hold,  
Thy poor may grow great, thy feeble grow bold,  
For worth is the watchword to noble degree,  
And manhood is mighty where manhood is free.

O Union of States, and union of Souls!  
Thy promise awaits, thy future unfolds.  
And earth from her twilight is hailing the sun,  
That rises where people and rulers are one.

5. The Address: "The Meaning of the Four Centuries."  
6. The Ode: "Columbia's Banner."

**NOT HUMAN!**  
Southerners are "Democratic Beasts."

That is Mrs. Lease's Expressed Opinion of Them Over Her Own Signature.

Taking up by chance a National Economist two weeks old an article met our eye which escaped our attention at the time of publication, which for vituperative falsehoods surpasses anything that we would have believed possible to have been sent out by a woman. It was a column article written by Mrs. Lease from Raleigh when she and Weaver spoke there. To show its monstrous maliciousness we give the following extracts:

RALEIGH, N. C. Sept. 25.  
The spirit of lawlessness evoked and fostered by the organized Democracy of the towns and cities of the South has become so intolerant that it demands the attention of law-abiding, God-fearing people everywhere. Free speech and a fair count of the ballot are as gently and openly denied.

At all non-Democratic meetings held along the line of railroads, great crowds of thugs and rowdies from all the large cities are shipped in to create riot and provoke bloodshed. At Macon, the right of speech was denied Gen. J. B. Weaver, the Presidential nominee of the People's party, and the Young Men's Democratic club, 300 strong, preconcertedly marched to the meeting and aided in the disturbance and abetted the chivalric rowdies in their disgraceful proceedings.

The mayor of the city was invoked in vain. The police stood in with the mob and laughed and encouraged them. No human voice could be heard above the roar of the DEMOCRATIC WILD BEASTS that held possession of the city all night.

The untruthfulness and wildness of these statements almost passes belief. They are not raked out of the dirty past; they are utterances of today. We intend to keep that copy of the Economist in our office and any one who desires may see it. We wish that a copy of it was in the hands of every voter in the South. It is the issue of October 8th, 1892. We give the number so that any deluded follower of the 3d party who wants to satisfy himself of the animus of the leaders of the party or any staunch Democrat who wants it for campaign service may procure a copy if the office will furnish it.

**Kinston Disciple Church Completed.**  
The new Disciple church was completed during the first days of this week. The denomination here has reason to be proud of their elegant brick temple. (The design is new and striking. The church has two entrances, one on either hand. Its seating capacity, the largest in town, is over 400.

The windows are stained glass and are very pretty. There are two memorial windows. Both are pretty, but the memorial window to Mrs. Cynthia Luffin Rountree is one of the handsomest we ever saw. Its cost was \$500. It represents Mary, the sister of Martha and Lazarus, sitting at the feet of Jesus, who is stopping at their home, Martha complains that Mary is not helping her with their daily work, and Jesus replies that "one thing is useful" and that Mary has chosen that good part. Below the figure of Christ and the woman is the inscription to Mrs. Rountree—"She chose that good part."

The other memorial window is in honor of Jas. W. Harper, Mrs. Charlotte Harper and Mrs. Lula H. Mewborne.

The dedication will take place on the 4th Sunday, as was intended. The time for its dedication will be announced later.—Kinston Free Press.

**A Strikingly True Statement.**  
The \$20,000,000 which the tax on tin adds to the cost would enable the American people to support in good boarding houses, in ill-health, the 22,000 workmen required to produce the tin plate, to give to forty mill-owners \$50,000 each a year, and save \$12,000,000 annually by the operation.—N. Y. World.

**Democratic Speaking To-Night.**  
Hon. Elias Carr and ex-Governor T. J. Jarvis will address the people of New Berne, Wednesday night at eight o'clock. The citizens of New Berne, without regard to party affiliations, are invited to attend this meeting.

W. M. WATSON,  
Pres. Cleveland and Carr Clubs.

**Special Notice.**  
We beg to notify our patrons and the public generally that having purchased the good-will and fixtures of "John Brown, the Barber," we hope by polite and strict attention to business (no "Prince of Wales" airs) to merit a continuance of the patronage so generously bestowed upon our former employer.

Respectfully,  
H. L. BANKS, Proprietor.

**The Result of Merit.**  
When anything stands the test of fifty years among a discriminating people like the Americans, it is pretty good evidence that there is merit somewhere. The value of a medicine is best proved by its continued use from year to year by its same persons and families, as well as by a steadily increasing sale. Few, if any, medicines have met with such continued success and popularity as has marked the introduction and progress of BRANDERUN'S PILLS, which, after a trial of over fifty years, are conceded to be the safest and most effective purgative and blood purifier introduced to the public.

That this is the result of merit, and that BRANDERUN'S PILLS actually perform all that is claimed for them, is conclusively proved by the fact that those who regard them with the greatest favor are those who have used them the longest.

BRANDERUN'S PILLS are sold in every drug and medicine store, either plain or sugar coated.

The public are respectfully invited.

**COUNTY COMMISSIONERS PROCEEDINGS.**

**Railroad Dividend—Stock of the F. & M. Bank.**

Ordered, That the order passed by this board, Oct. 3d appointing Prof. Holders and inspectors of the Craven County be allowed to stand as recorded upon the minutes of the action of this board and that all orders appointing thereon be and remain in force.

Ordered, That E. K. Bryan be appointed his bond, and also whether for any or every time, and also whether he be appointed, the clerk of this board and ordered to notify Mr. Bryan to come for bond and qualify accordingly.

Ordered, That the Treasurer be and is to be paid from the money received by him from the A. & N. C. R. R. company in payment of a dividend upon the stock of said corporation held by the county of Craven, the sum of five hundred dollars for the poor account and five hundred dollars for the bridge account, and that the remainder be credited to the general fund.

Whereas, Mr. L. H. Cutler has appeared before this board and complained that the probable effect of the order passed by this board on September 6th last, changing the value of the stock of the Farmers and Merchants Bank of New Berne from 100 to 75 cent on the dollar, is so wasteful as to be repulsive to a misanthropic and liable to do injustice to him and the said bank, it is

Ordered, That the said complaint be heretofore considered and the following substituted therefor, to-wit:

Whereas, Mr. L. H. Cutler has made complaint before this board that for some time unknown to him the abstract of his taxable property filed by him with the tax listers of township No. 8, has been altered and the value of the stock held by him in the Farmers & Merchant Bank of New Berne, changed from seventy five cent, which he considered its full value for purposes of taxation to one hundred cent, and assessed upon the tax list, and desires that the value of said stock shall be placed upon the tax list as originally listed by him.
