EXIT the Third party. **DAVID BENNETT HILL.** Next!

THE campaign liar has subsided. **THE** most quiet election in an age.

THE election over, now for business. **THE** brave are always magnanimous to a fallen foe.

LET there be no strife among us, for lo, we be brethren. **THE** Tammany tiger victorious over the McKinley wolf.

THE Weaver and Lease engagement is off. No cards; no cake. **A** FREE election and a fair count was the order of the day on yesterday.

THE People's Party turns out not to be the people's party by a large majority. **HOWEVER** the election may have gone, the principles of the Democratic party are eternal.

Too much praise cannot be awarded to Chairman Simmons for his admirable management. **BUYERS** abroad will find New Berne an admirable market in which to place their orders.

NOTWITHSTANDING the unfavorable weather a large vote was polled in all parts of the county. **MOST** men like to see themselves in print; but women don't. They prefer silk or satin.—Texas Siftings.

In this section the Federal supervisors confined themselves strictly to their official duties and all was well. **FALL** returns are not in, but at this writing it seems that the Democratic party has been victorious in the State and Nation.

So far as we have been able to learn, the presence of Federal supervisors had no effect upon the untainted Democracy. **The** Republican party was too strongly entrenched to be entirely destroyed. A few more years of peaceful living and its days will be numbered.

The election is over. It is pleasing to know that the press of the State won from laurels in the fight for the honor of the State and the rights of the people.

BECAUSE the professional politicians do not own Grover Cleveland the people trust him and honor him. He is a servant of the people, but of none other; and they know it.

"THE President" is the term used at national democratic headquarters in speaking of the democratic candidate. He is not alluded to as "Mr. Cleveland," or as the "ex President," or as "Governor," but as "President," this being descriptive of him both in a past tense, and, as the democratic managers declare, in a future tense as well.

LOCAL NEWS.

NEW ADVERTISEMENTS. Howard. Nunn & McSorley—Soda crackers, etc.

Fair weather today and decidedly cooler.

F. D. KOONCE got the vote here yesterday for constable 8th township.

Mr. L. H. CUTLER has another house in course of erection. It is on the corner of Pollock and Bern streets.

A number of colored men of the city voted the Democratic ticket yesterday. They are flinging out where their true interest lies.

The usual monthly record at the Y. M. C. A. will be posted until the third Friday night of this month. In its place will be the lecture of Mr. F. E. JACKSON.

Robert Robinson, a young merchant of Beaufort died at his home there yesterday, of Consumption. He was about 30 years of age. He leaves a wife but no children.

Vanderbilt's palace, near Asheville, N. C., which will be completed in about ten years, will cost over \$10,000,000. It will surpass in splendor any of the famous castles of the Old World.

While the Republican-Third party speaking was in progress Monday night at the junction of Broad and Queen street the platform fell and a colored boy, Cicero Lawrence, who was under it had his leg broken by the fall.

Mr. T. J. Turner's new house finished and he is moving in. It is quite ornamental in finish and is a very good addition to the houses on Hancock street. Mr. John Howard's home near the foot of the same street is also nearly ready for occupancy.

The steamer New Berne brought in Capt. Dan Roberts, who has been off to the scene of the wreck of Messrs. Roberts Bros' schooner, the Mattie E. Hiles at Currituck Inlet. Capt. David Ireland and the crew of the wrecked schooner also came in on the same steamer en route to their homes at Beaufort. As was reported at the time both the vessel and cargo was a total loss.

The charge for round trip tickets on the A. & N. C. R. R. to those attending the Methodist Conference at Goldsboro will be as follows: Morehead City, \$4.80; Wildwood, \$4.55; Newport, \$4.30; Havelock, \$4.05; Croatan, \$3.60; Riverdale, \$3.60; New Berne, \$3.15; Tazewell, \$2.75; Core Creek, \$2.45; Dover, \$1.90; Caswell, \$1.65; Kinston, \$1.65; Falling Creek, \$1.10; La Grange, 75 Cts.; 55 Cts. The tickets will be placed on sale Saturday December 12th and will be good to return until Thursday the 22d inclusive. Conference will assemble on the 14th prox.

Those who heard the lecture of Mr. F. E. JACKSON on "China and Japan" at the Y. M. C. A. Hall, will perhaps be pleased to hear that he will give another lecture on these countries together with India. Mr. Jackson has about 80 views of different points of interest in these foreign countries which will be shown to the audience by the use of a stereopticon. The entertainment committee are arranging for a short musical programme to be given in connection with the lecture. Don't forget the date, next Friday night the 11th of November.

It is wonderful indeed to note the growth of the cigarette industry in this county. The total number manufactured in 1868 is given as 230,365. Ten years later the output had jumped up to 77,430,530. One year later the total was nearly double, being 140,669,537. Twenty years after the beginning of the cigarette business, that is in 1889 the total output stood at 1,684,559,800. For the year ending June 30th 1892, the total stands at 2,892,983,840. A great industry indeed, but is not the harm ten-fold more great than all the benefits that can possibly be derived from their manufacture.

Canning factories are springing up in various parts of the South. This is, in the estimation of the American Farmer, a hopeful sign. The South, it declares, should supply the world with canned vegetables. And we would add that New Berne situated as it is in the heart of one of the best vegetable growing districts of the world ought not to rest satisfied until there is one or more factories here canning vegetables. Oyster canneries help as every industry does, but the industry ought to be extended to other lines and run at all seasons. It would be great help to all especially to our farmers, the laborers and our merchants.

ELECTED!

THE RETURNS SHOW DEMOCRATIC TRIUMPH IN BOTH STATE AND NATION.

Weaver Takes Several States From Harrison.

Cleveland Has the South, New Jersey, Connecticut, Delaware, Illinois, and Others.

CITY ELECTION.

1st Ward—Cleveland 144, Harrison 10; Carr 147, Furches 9; Grady 142, Koonce 8, Clarke 6.

2d Ward—Cleveland 134, Harrison 29; Carr 137, Furches 37; Grady 130, Koonce 21, Clarke 2.

3d Ward—Cleveland 154, Harrison 40; Bidwell (Prob) 4; Carr 157, Furches 35; Templeton 3; Grady 154, Koonce 24, Clarke 14, McNeal (Prob) 3.

St. Philips precinct, Cleveland 13, Harrison 453, Carr 14, Furches 454, Grady 14, Koonce 462, Clark 2.

The total vote of the city is about 1,600 votes, a gain of about 240 over 1888. Ratio of increase in favor of the Democrats.

A Third party ticket in the city was a complete failure except where supported by Republicans. In the county as far as heard from it is badly left.

CLAYTON CO., OUTSIDE CITY. Newport—Cleveland 66, Harrison 66, Weaver 47.

Dover—Cleveland 60, Harrison 40, Weaver 5, Carr 55, Furches 45, Exum 4, Fulcher—Cleveland 145, Harrison 42, Weaver 12, Carr 142, Furches 42, Exum 13.

Cove—Carr 65, Furches 13, Exum 10. Jones City—Cleveland 5, Harrison 317, Weaver 2, Carr 5, Furches 318, Exum 3, Grady 5, Koonce 319.

Vanceboro.—No definite figures, but sweeping democratic majority assured. Third party weak and a number of negroes voted democratic ticket.

NORTH CAROLINA.

Weather was as general thing cloudy in North Carolina. Rain fell at some places. From meagre news received it is clear that the vote was a heavy one. It appears that at some places Republicans failed to have tickets, and it is asserted that it was the result of trade with the Third party.

Democratic State chairman expresses confidence that the State is Democratic by a larger majority than expected. Republican and Third party chairman make no estimates.

Durham county elects regular Democratic ticket by majorities from 200 to 500, which is a Democratic gain. Cleveland carries county by small majority.

In Halifax township, Halifax county, the Congressional vote is Woodard, dem., 130, Cheatham, rep., 300. Thorne, third party, 20.

Jonesboro township, Moore county gives Cleveland 94, Harrison 71, Weaver 80. In this case both old parties lost about equally. Bulletin returns from precincts in Union, Johnston, Halifax, Carteret, Caswell and Moore counties will give drift of votes showing 1,400 for Cleveland, 907 for Harrison and 238 for Weaver. At Monroe, Union county, Cleveland gains over 100 and at Selma, Johnston county, 188. Returns come in very slowly.

Returns from ten precinct in same number of counties show drift of votes Cleveland getting in round numbers 1,700 Harrison 1,000, Weaver 600. Raleigh which four years ago gave 650 republican majority now gives over 1,000 democratic. It is believed this will overcome vote for fusion ticket in country precincts. Weaver vote is taken as much from Republicans as from Democrats.

Raleigh—Later—Returns coming in slowly, and show People's party draw as heavily from the Republicans as from the democrats.

Carteret County. Morehead precinct gives Cleveland 215, Harrison 61, Weaver 1; Carr 231, Furches 57, Exum 1; Branch 234, Catling 49; Judges—Dem, 290, Rep. 24.

Morehead City precinct gives Cleveland plurality 150, Carr's plurality 164, Branch's majority 175, Potter and Parnell's majority 165. County ticket about

the same. Democratic gain of 110 over last election.

Hull Swamp precinct gives Cleveland plurality 3, Carr's plurality 8, Branch's majority 23. Potter and Parnell's majority 23 and 85, county ticket about the same.

PAMLICO COUNTY. There will be a full and large vote polled. At 12 m. today everything was working favorable to the Democrats. Negroes are not voting any part of the third party ticket but very little. Democrats will get as many or more negro votes than the third party, most of the negroes are only voting the National and State republican ticket and against the amendment to the constitution. The Dem. majority from present outlooks will be, National ticket 100 and upwards, State 200 and upwards, Congressional and Legislature 200 and upwards. While some portions of the county ticket will reach 400. The constitutional amendment will be about 100.

W. T. CABO. Goes Democratic by 600 majority. Koonce received only 2 votes at Jacksonville.

LENOIR CO. The entire Dem. county ticket is elected without doubt. Brooks is the lowest man and will have at least 60 majority.

NEW YORK. New York—Up to 5 a. m. returns are not all in but the majority for Cleveland below Harlem Bridge is over 100,000 and Harrison cannot meet it from the opposite side with more than 60,000 or 70,000 majority. The majority in the whole State for Cleveland will probably be near 50,000.

N. Y. Tribune says the election is doubtful. The Sun claims Cleveland is elected, that he has carried Illinois, Indiana, eight votes in Michigan, Wisconsin, and has 274 votes against Harrison's 140 and Weaver's 23. The New York Recorder says the election is still in doubt. The Times, World and Herald all claim Cleveland is elected.

ILLINOIS. Both the New York Herald and World claim Cleveland has carried Illinois, but Chicago says nothing definite from that State as yet.

The N. Y. Herald Bulletin says Chicago Tribune concedes Illinois to Cleveland.

Springfield—State Register says Springfield, for Congress will be re-elected by 4,000 plurality.

The Chicago Times says Cleveland has carried the State by 20,000 plurality and Alged dem. for Gov. has it by 18,000. Inter-Ocean does not concede State to dem., but will be very close as to President and Gov.

Chicago, midnight—Herald displayed red flash light, claiming election of Cleveland.

Chicago—408 to towns outside Cook county show net gain for Cleveland of 4,044. 615 precincts in Chicago city gives Cleveland 101,935, Harrison 81,388.

Returns from over half the precincts in Illinois outside of Cook county indicate conclusively that Cleveland's plurality in Illinois will not fall short of 8,000; and that the whole Democratic State ticket is elected.

ALABAMA. Forty-two precincts from various parts of the State give Cleveland a majority of 4323.

Cleveland carries the State by probably 50,000.

MISSISSIPPI. Democrats carry the State by probably 25,000.

OHIO. N. Y. Tribune bulletin says Ohio has gone Republican by 25,000.

Chairman dem. com. claims State for Cleveland by 65,000, and for governor by 50,000.

GEORGIA. State democratic by about 50,000, and a solid Democratic delegation to Congress elected.

WEST VIRGINIA. Wheeling—Big vote in State. Result will not likely be known before morning. Chairman rep. com. claims they have carried the State.

World's bulletin claims North Dakota has gone for Cleveland.

IOWA. Des Moines—The Register says it is impossible to tell how the State has gone, returns insufficient to justify an estimate.

Des Moines—229 precincts give Harrison 20,438, Cleveland 26,761, net democratic gain of 1,323.

NEBRASKA. Reno—It is conceded by all parties that Weaver carries the State by 1,500.

WYOMING. Cheyenne—Estimated from returns received show Harrison to be elected by very small majority, democrats undoubtedly elected whole State ticket, Legislature as yet doubtful.

KANSAS. Rep. central com. claims State by 20,000 plurality, chairman of Third party concede nothing.

PENNSYLVANIA. N. Y. Tribune gives State to Republicans by about 15,000.

DELAWARE. Chairman rep. com. says dem. concedes Sussex Co. rep. 15 districts in city shows gains for Cleveland 243.

Wilmington—This State remains dem. on electors, congress and legislature.

ARKANSAS. Returns come in slowly from State. It will give Cleveland a majority and all the democratic congressmen will be elected.

MICHIGAN. Detroit—Only about one-fourth has reported, still both sides claim majority. The democrats claim five of the twelve congressmen and the republicans seven.

Hartford—The democrats claim the State for Cleveland by 1,000. No election of State officers by people. Legislature republican.
