A CRASH IN WASHINGTON.

Smithereens.

On Friday morning about five o'clock a terrific explosion was heard shaking the F-Mas. Elsie Foster. the town from center to circumference. the fire bell rang, and the cry of fire at Short's mill was heard. One of the five L-Mr. A. B. Lane

large boilers had burst and almost utterly article in advocacy of the same measures destroyed the plant. One of the domes was blown into the dry kiln heater and burst the piping and oue side of the house asunder.

Each of the five boilers was displaced and damaged, the smoke stacks torn into shreds, and the whole side of the mill liams, Mrs. Susan William. wrecked. Pieces of heavy pipe were blown a hundred yards, and the man-hole plate was shot to a great height and des-of list. The regulations now require that cended upon the residence of Mr. E. S. Simmons, tearing through the top and of each advertised letter. · first the second floor and lodging on the floor. Many windows were also broken. The iron missile fell within four feet of the bed on which Mr. Simmons and wife were sleeping. Many brick-bats, pieces of iron and scantling were hurled several hundred yards. The watchman and fire men were standing near the boilers when the explosion took place, but were not killed. One was scalded pretty badly

and the others bruised. They were covered with debris, and how they escaped is a miracle. The ton. - Wil. Review damage is estimated at \$10,000 with no boiler insurance. Mr. Short is a man of colossal energy. He has three times been burnt out, but phoenix like rose each time out of the ashes and was doing a train tremendous business. Anyone else would terry. have dispaired before now; we have no

doubt that he will surmount his misfortune as he has done others. He has the sympathy and the best wishes of us all.-Wash. Gazette, extra.
