NEW ADVERTISEMENTS.

HOWARD.
J.W. Stewart—Horses and mules.
Geo. B. Simmons—Lost U. S. bonds.
G. H. Roberts—Attention, housekeeper.

The lowest point reached by the thermometer Friday night was 15-1-2. The highest Saturday was 33.

The weather forecast that came yesterday afternoon said: "On Sunday rain or snow, warmer. Monday fair, colder."

The hour of the arrival of the train can be read from the sidewalk in the telegraph office window every afternoon at 5 o'clock. This will save the trouble of seeking the information inside.

The snow came before the cargo of shell rock brought to the city the first of the week, but another cargo arrived yesterday by the steamer Trent and the work will go right on.

It is a pity to see such enterprises, each of which is so important to the city at variance. It is to be hoped that cool, sober counsel will prevail and the matter be quietly adjusted in some way satisfactory to each side without a fight in the courts.

The Elizabeth City Carolinian announces the death of the venerable Mrs. Ann Hunter relict of Capt. Tim Hunter, on the 28th ult. She was the oldest woman in Elizabeth City, being in her 80th year, and was greatly esteemed by all who knew her. She was an aunt of Mr. J. H. Hunter of Havelock.

The attempt to make a new county out of a portion of Craven, Pitt and Greene counties should be stopped short. The tendency to cut the State up into a number of small counties deserves checking. This county is not so large as to be unwieldy and no more should be taken from it for the formation of a new county unless real need arises for such a county.

The advertisement of Mr. Geo. H. Simmons of Onslow county in this morning's JOURNAL, tells a startling story. The theft of five thousand dollars worth of United States bonds, and several thousand dollars worth of other valuable papers, is a severe loss. Keep your eyes open for the articles and watch out for any thing that will lead to the detection of the thief.

Benj. E. Smith, Agent at Goldsboro of the Southern Express company died suddenly yesterday afternoon about 6 o'clock. The news was received by telegram to Mr. Geo. Henderson, Express agent in this city. The deceased has two brothers in this city. Mr. Jas. Smith who holds a position in the auditor's office of the A. & N. C. R. R., and Mr. Smith bookkeeper for Mr. H. B. Duffy.

Col. C. Delafeld, chief engineer of the New Berne Sewerage system returned to the city yesterday from his home on Staten Island. Col. Delafeld did not know until his arrival that the gas company had served an attachment against all property of the sewerage company in the city to recover damages to the extent of \$2,000 which they claim resulted from breaking and loosening of gas pipes and the escape of gas by the construction work.

It took "Big Ike" and his force almost the entire week to get the assignment stock which he purchased at such a sacrifice moved down to his store. Not until Friday afternoon did the last of his purchases get down to his store, but he is at last straight again, though the adding of a complete \$3,000 stock to the already large one which he had on hand does not leave much room for moving around in his store either on the upper and lower floor. Mr. Humphrey is ever on the watch for such bargains and he made a big strike this time.

The News and Observer announces that Governor Holt has fixed the day of execution for the following: William and Thos. Whitson, of Mitchell county, convicted of murder, to be hanged on the 24th of February, 1893. John Ham-fought of Cleveland county, convicted of murder, to be hanged on the 17th of February 1893. Leonidas McKnight convicted of burglary in Surry county to be hanged on the 17th of February, 1893. All the cases were appealed to the Supreme Court and the judgments sustained and the execution accordingly fixed the same.

A Thunder and Lightning Snow Storm.

Mr. J. M. Hines who has been off canvassing for the JOURNAL in Jones, Onslow and Carteret returned home last night.

During the snow storm of Thursday he was at Pelletier's Mills. He informs us that there was quite a sharp thunder and lightning at that point along with the snow—something he never heard of before. The snow was deeper in Carteret than up this way, in fact it was as deep as the first snow was in New Berne.

Advertising Property for Taxes.

Sheriff Lane is giving a warning notice that the time for indulgence to tax payers has passed, and that unless delinquents settle at once he will have to advertise the property for sale. This is an unpleasant duty and Sheriff holds back from the performance of it as long as possible, but the law is imperative and he has to carry out its provisions. Let all come forward promptly and save themselves costs and the sheriff's worry of having to resort to measures that he tries in every reasonable way to avoid.

Presbyterial Changes.

A call meeting of Albemarle Presbytery was held in Goldsboro Thursday. Rev. A. H. McArn who has been serving the churches of Wilson and La Grange was dismissed to Cheraw church, Pedee Run, S. C. Rev. Jones Barclay was received from Mecklenburg Presbytery to become pastor of the Goldsboro church. He will be installed the second sabbath in February. Arrangements were also made for Dr. E. Daniel to become pastor of the First Presbyterian church of Raleigh. He will be installed January 16th. The committee appointed by Presbytery for the purpose consists of Rev. Mr. Lester of Goldsboro, Rev. C. V. Gardell, of New Berne, and Rev. Mr. Barclay.

The Time is Out Again.

It will be remembered that the company which took the contract for constructing water-works for the city allowed the time in which the works were to have been completed to expire without really accomplishing anything, and that the city council agreed to extend the time another six months provided the company would give a new bond within 30 days for the construction of the works in the sum of \$5,000. The 30 days expired Friday and the bond has not been offered yet.

Coming and Going.

Miss Mary Monk who has been visiting at Dr. J. H. Benton's, left yesterday morning returning to her home in Wilmington.

Miss Ada Richardson who has been spending a few weeks in the city left for her home at Dover.

Mr. D. C. Simpkins who has been off on a business trip in Virginia returned home last night.

Messrs. T. A. Green and Jas. Redmond, returned last night from Oxford, Mr. Green, a member of the board of directors of the Orphan asylum reports a very nice meeting of the board held Friday, and that the Asylum was found in a very satisfactory condition.

The Daves Family.

We have been handed a pamphlet, prepared by Major Graham Daves and his brother, Professor Daves, of Baltimore, containing the family tree. It is unpretentious as a literary work, but is well written and exceedingly interesting. It shows wonderful industry and research and is an example of commendable pride in deserving ancestors. Capt. John Daves the grandfather of these gentlemen was a meritorious continental officer and raised himself by his talent and patriotism to conspicuous influence. The men of this family have always married intelligent women. That is the simple physiological explanation of the survival of the fittest. As the only aristocracy of a republic is that of intellect and culture our young men should think less of mere physical beauty and more of mental gifts. We think that Major Daves, who did the most of this work deserves praise for his very thorough reversal of American usage, which looks out only for the dollars and lets the ancestors shift for themselves. Intelligent and cultured names behind us are a much nobler inheritance than mere material wealth. New Berne has had many of these names, but they are being swiftly covered up and forgotten, and soon Wm. Gaston and John Stanly will be her only historical investment.

NEW GRAND TRUNK LINE

Knocks Old Dominion, Clyde and Eastern Dispatch into a Cocked Hat.
Was the grand trunk line that every body, man, woman and child, old and young, white and black, when passing down Middle street yesterday would remark. Did you ever see such a line of trunks as Big Ike was hauling, which took three days the entire evening to haul them from the old stand of Wm. Sultant to his place of business. What does he do with so many goods? He has now the second largest stock in the city of New Berne, in fact his two Mammoth Stores, one on top of the other, is so completely packed that he had to put part of his stock in the wholesale store of F. Ulrich.

Merchants who contemplate going North this spring will make a mistake—they can do better by paying Big Ike the cash than going North and buying on credit.

Monastic Notes.

Regular monthly congregation of New Berne Chapter, No. 46, Royal Arch Masons, will be held next Monday evening January 9th 1893, in Masonic Temple, at seven and a half o'clock. A prompt and full attendance is desired. Work in M. E. degree.

COUNTY COMMISSIONERS PROCEEDINGS.

Mileage Changed—Sheriff's Bond Accepted.

Friday, Jan. 6th, 1893.

The Board met at their office at court house pursuant to adjournment.

Present, Commissioners, Jas. A. Bryan, chm'n., E. W. Smallwood and W. C. Brewer.

Ordered, That the rate of mileage, shall be two cents per mile, except in capital felonies, forgery, perjury and conspiracy, it shall be four cents per mile.

Wm. B. Lane presented his official bond as sheriff of Craven county in the penal sum of \$60,000 which after careful examination and the same being deemed good and sufficient in the security thereof, was on motion approved, accepted and ordered to be recorded and filed, Commissioners Bryan, Smallwood and Brewer voting to receive the same.

Whereupon the said W. B. Lane came forward and qualified as sheriff of Craven county by taking and subscribing to the oath of office before the chairman of the board according to law.

The following resolution was passed: Whereas the Board of Commissioners of Craven county have received information, that it is contemplated to introduce at the present session of the General Assembly of North Carolina, a bill for the establishment of a new county, having its county seat at Grifton, and to be composed of certain portions of the territory of Pitt, Greene and Craven counties, and whereas the County of Craven has already been deprived of a large and valuable portion of its territory by legislative enactment, in the establishment of the County of Pamlico, and the settlement of the county line, between said Craven county and Carteret county; and whereas in its present financial condition, and with its bonded and other indebtedness, the County of Craven cannot afford to lose any portion of its tax paying territory, and the loss of same would be seriously felt by its citizens and tax payers, and detrimental to the county's best interests. Therefore be it resolved by the said Board of Commissioners that the General Assembly of North Carolina be and is hereby respectfully and earnestly requested and petitioned, not to pass any bill for the establishment of said new county, which shall include any portion of the territory of Craven county, and not to enact any law, by means of which said Craven county would be deprived of any portion of its territory.

On motion the board adjourned.

Coming and Going.
