THE JOURNAL.

H. HANFORD - Proprietor.
G. T. HANCOCK - Local Reporter.

MR. CARLISLE is no longer a member of the United States Senate. His resignation went into effect yesterday the 4th of February.

The burning of Henry Smith for the assault and murder of little 4-year-old Myrtle Vance at Paris, Texas, Feb. 1st, was a horrible affair. The victim richly deserved death, but there is no excuse for such terrible torture.

The President, on Thursday, nominated Howell E. Jackson, of Tennessee, to be justice Lamar's successor of the Supreme Court bench. This was an agreeable surprise to us. Judge Jackson is a statesrights Democrat, and his nomination is satisfactory in this section of the country. We expected Harrison to fill the vacancy with a Republican.

THE FARMER—THE TIMES
Throughout the country all kinds of farming interests suffered last year from the poor yields and low prices. In consequence of this every other kind of business was made to feel the effect thereof, for it is the products of the soil that gives real and general prosperity. The cry of dull times was heard on every hand, but that will not go without some good result. It will cause some to begin the new year with greater precaution in their future management, and a determination to practice more economy. With a great many people it appears that these hardships are a necessity. Too much prosperity has made many a man a profligate and a fool, and in some instances a whole life falls to open their eyes.

Now, while the present times have found many in need of money and without means of obtaining it if they will start again with renewed determinations to eke out an honest livelihood by living within their means, they will soon find their surroundings much happier, and instead of complaining of the times for the great blighting the times for the depression, the fault has been with them. After so severe a winter as has just been past, the prospects bode a better year.

We are glad to see that the farmer is not ashamed of his calling. For indeed his is a noble one. One of the noblest under the sun is the tilling of the soil.

The cotton crop alone, says one of our exchanges, if rightly managed, ought to render the South independent, but in addition she has all the cereal fruits, vegetables, sugar, rice and tobacco, all of which can find ready sale every day in the year, and while she can always find buyers for her corn, the West after finds it her most economic fire wood.

Then, take bacon for instance; pork, the hog round, sells here for from six to eight cents, while in the West, it can't possibly sell for more than two or three cents, judging by the price of Western bacon in our market.

It is a grand feeling to have a smoke house supplied with meat, your own crib full of corn and a drove of hogs for the next year's fattening pea, if you do wear jeans. But there can't be much of an independent feeling about a man who thinks more about his personal appearance than of his corn crib and smoke house.

With renewed efforts the farmers can place themselves back where they were when the seasons were favorable.

In conclusion we believe that better times are in store and we hope there will be better relationship between all classes of business and the farmer; for one is partially if not wholly dependent upon the other.

Oh, What a Cough.
Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c., to run the risk and do nothing for it. We have from experience that Shiloh's Cure will cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves coughs and whooping cough at once. Mothers, do not be without it. For lame backs, side or chest use Shiloh's Pain-Exposer. Sold by New Bernes Drug Co.

One would extend his felicities to others in order to convince himself that there is nothing extraordinary in his practice of them.

Electric Blisters.
This remedy is becoming so well known and so popular as to need no special mention. All who have used Electric Blisters will give praise.—A purer medicine does not exist and it is guaranteed to do all that is claimed. Electric Blisters will cure all diseases of the liver and kidneys, will remove pimples, boils, salt rheum and other affections caused by impure blood. Will drive malaria from the system and prevent as well as cure all malarial fevers. For cure of headache, constipation and indigestion, try Electric Blisters. Entire satisfaction guaranteed or money refunded. Price 50c. and \$1.00 per quartle at F. S. Duffy's drug store.

These is nothing which man is born into the world so destitute of as habit, or which he so amply and so soon acquires.

Some Foolish People
Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away. Could they be induced to try the successful medicine called Kemp's Balsam, which is sold at all druggists, they would immediately see the excellent effect after taking the first dose. Price 50c. and \$1.00 per quartle at F. S. Duffy's drug store.

Aburdities which please our self love are as readily accepted as truths that regard our vanity are doubted or denied.

Answer This Question.
Why do so many people we see around us seem to prefer to suffer and be made miserable by indigestion, Constipation, Dizziness, Loss of Appetite, Coming up of the Food, Yellow Skin, when for 75c. we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by New Bernes Drug Co.

Experience is the most costly and the most indispensable thing.

The Population of New Bernes
Is about nine thousand, and we would say at least one-half are troubled with some affection of the Throat and Lungs, as some complaints are, according to statistics, more numerous than others. We would advise all our readers not to neglect the opportunity to call on their druggist and get a bottle of Kemp's Balsam for the Throat and Lungs. Trial size free. Large bottle 50c. and \$1.00 per quartle at all druggists.

Gifts should be a matter of inspiration and not of calculation.
REMARKABLE RESCUE.
Mrs. Michael Curtin, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. He told her she was a hopeless victim of consumption, and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from first dose. She continued its use and after taking two bottles found herself sound and well. Now she does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at F. S. Duffy's wholesale and retail drug store; large bottles, 50c. and \$1.00.

Expdiency is frequently another name for compromise.
REMARKABLE RESCUE.
The need of a perfectly safe and always reliable remedy for the peouliar diseases of summer is universal. As a remedy for the household, office, on the farm, on shipboard and for travelers by land and sea, Winkelman's Diarrhoea and Cholera Remedy has proved its inestimable worth in the prompt relief and cure of all disorders originating in the stomach and digestive system, such as Cholera, Cholera Morbus, Diarrhoea, Cramps etc. Serviceable under all conditions, always ready for use, and perfectly safe. Price 50c. at all druggists.

A PRETTY SURPRISE.
A beautifully illustrated and charmingly bound edition of Longfellow's "Evangeline," the most popular long poem ever published by an American author, and one of the most famous poems in the language, recently published, is a pretty surprise for book-lovers. It is in large type, numerous and excellent illustrations, very fine and heavy paper, gilt edges, remarkably handsome cloth binding, combining in delicate colors, blue and white and silver and gold. No illustrated edition has ever before been published at less than \$1.50, and that is about what you might "guess" the price of this to be, but it isn't—witness our offer below. Every home in the land ought to have a copy of this Evangeline, so charmingly beautiful, as a poem, as a collection of artistic illustrations, and as a product of the book-making art.

By special arrangements with the publisher we are able to offer this book to the subscribers to this paper as follows:

EVANGELINE and DAILY JOURNAL, one year,	\$5.50
" " " six months,	2.75
" " " three months,	1.50
" " " WEEKLY JOURNAL, one year,	1.25
" " " " six months,	.75

Under no circumstances does this proposition hold good except where payment is made in advance.
