ported that Gen. Adlai E. Stevenson will last night. attend the Teachers' Assembly there next session with his family. They will re- from Winston. ceive a hearty welcome from all North Carolinians at any time.

'Tis to Their Interest.

An exchange truthfully says: "If there little things. He never despises is one class of persons who ought to be the day of small things, or else he more interested in factories than another, would not bide his oaks in tiny it is the merchants. What a difference acorne, or the wealth of a wheat it would make in their trade if a few thousands of dollars could be turned loose every week among factory employes!

Change of Parade Hour.

In order to give more time for the opening ceremonies at the Fair, it has divided between leading job All the marshals are requested to assemarrangement, and Mr. Daniels was and move off at ten o'clock sharp. All

From Rev. C. G. Vardell we learn that against the State. The marshal wants to hold congregational meetings in

> Croatan Thursday night. Rev. L. C. Vass, of Savannah, Ga., will be among those who will be in the

city this week, Morehead Items.

The Morehead News tells of the followng buildings in progress there:

Mr. James F. Brinson is creeting a nice two story residence on his lot between the nomes of Messrs, T. D. Webb and T. C. Davis.

Messrs, T. D. Webb & Bro, are erecting two new buildings east of the ice house. The smaller is to be used as a weight today, clear and slightly a drug store on the first floor and upstairs ushers. On account of sickness in the will be the meeting place for the Sons of Temperance.

The News also mentions the opening of the public school on Tuesday the 14th 1081 senson tickets were sold up to 11 inst. Rev. J. T. Abernethy is principal clock last night-about 100 ahead of and Mr H. O. Piner, 'assistant. It is to continue about four months.

Judge W. R. Hoke who is now presiding in our Superior court is a near relation of Mr. Hoke Smith of Atlanta, whom President Cleveland has just appointed to a position in his cabinet.

Mr. Smith is a North Carolinian, a of Professor Smith formerly of the State University, who will be affectionately through Mr. W. R. Guion a barrel of remembered by Chapel Hillians as "Old Pratts Astral Oil to the merchant mak- Tige." Twas through his wife who was for church, Sunday school and meetings Miss Brent Hoke that the relationship of through the week. Sunday school song

Mr. Smith is a man of remarkable ability, and he has made a reputation in the Atlanta Journal maintains a foremost A minstrel performance will be given stand even alongside the powerful Atman-only 37, an unusually youthful age for a cabinet officer.

Back in New Berne.

Mr. Goodwin, mate of the schooner Predmore and Messrs, Jas. and B. B. Lane and Willie Wilburn who were on the schooner Predmore when she struck on Brant Island shoals have got back to their homes in this city, having come over from Washington, Capt. R. E. Hudson and wife, who were aboard at the time are still in Washington.

Mr. Lane tells us that in about 5 minutes after the vessel struck there was considerable water in the cabin. This was about half past six o'clock Friday evening, the 10th inst. Those aboard hurriedly took to the boat and the night being very dark-both cloudy and foggy they rowed until near midnight without to put in a patent bake oven in about knowing where they were going. At one time they come near being swamped by

getting among the breakers. At last seeing the light in the lighthouse, they made for it, and remained there until a passing vessel took them to Fair ground in time for the grand open-Washington N. C. together with some things which they had saved from the vessel by going back to her with the

lighthous boats. The trouble was caused by the ships The trouble was caused by the ships compass being out of order. This not being detected caused the ship to be steered about a mile and a half out of the way, and caused the disaster.
