Temperature yester.lay: Maximum 67 1-2, minimum 50 1-2, range 17.

The work of putting on a new roof and renewing the other injuries caused by Saturday nights fire to the building in which in E. Danenburg's brewery was situated was begun yesterday.

Of late there seems to be considerable difficulty in some of the mails reaching their destination. In some cases mail matter goes a much longer distance and forwarded over other routes.

The Shelby Review says: "Chas. Williamson, who shot and killed his younger brother, Ras Williamson, in January 1891, has been arrested in Colorado county, Texas, and is now confined in jail at Columbus, the county seat, awaiting a requisition from Governor Carr."

The programme for the Memorial Day Exercises will be arranged and published at an early day. Our townsman Mr. Jas. A. Bryan is the orator of the day and Mr. W. R. Barrington Marshall. Rev. Rufus Ford, pastor of the Baptist church, will conduct the religious exercises.

On Monday the 17th the bandages were removed for the first time from the injured limb of Miss Helen Smedes. daughter of Rev. Dr. Smedes, who was so badly hurt in the switchback accident and it was found that amputation would not be necessary. The News and Obserserver says her progress to recovery is now regarded as very hopeful.

The reception committee is requested to meet this afternoon at five o'clock at the office of C. R. Thomas, Esq., and the chairmen of all committees are requested to meet at the citizen's Bank tomorrow afternoon at four o'clock for final arrangements in making out program for reception and entertainment of the Press Association next week.

and Sunday.

The road is now finished to some two miles thin side of Maysville, and piling is being driven for the bridge at Pollocksville, It is expected that the tracks will be finished to Pollocksville by the 10th

Still Obstructing the Law

Sheriff Lane went over to James City yesterday with three wagons and a few men for the purpose of dispossessing the people. Upon Mr. Lane's approach a bell was rung and upon his entrance into the place he found all places locked ex cept the post office and churches and the people assembled en-masse out of doorsthere must have at least 1200 in the street at one time. They were courteous to the the tiniest little bit of a diamond others that the true was barren in re-

After the return to the city Sheriff Lane was engaged in summoning a posse taken from the Cape fields alone in to carry out the provisions of the law in

It is a pity that the people occupying the property are disposed to obstruct the operations of the law.

The owner proposes a very small lease for the land and to give the accupants everything they have put on it-terms that appear reasonable enough for any

The colored ministers association of this city and vicinity presented to Mr. ing coachmen on Sunday will be Jas. A. Bryan owner of the James City property, yesterday a memorial, having for its object an amicable settlement of line of which he had been speaking. We pending difficulties, to which Mr. Bryan copy it: against his former partners in the replied that he had already submitted firm of W. Duke's Sons & Co., to terms just and extremely liberal and that recover half a million dollars, in if they could show any good reason why they will drive the price to five cents a which sum he claims to have been they should not be accepted or formulate defrauded by defendants when he other terms that would be fair and have been sold this stason that ever bewas induced to sell his one-fifth equitable he would be glad to listen to fore, and the price of cotton next year interest in the concern for \$40,000, any report they might be empowered to may be two cents below the cost of promake.

The end approaches and a peacable settlement will be the best for every one concerned.

Our Barrel and Box Factories.

New Berne Truckers will have no lack of cases in which to ship their products. There are being piled up in advance in abundance.

has been running eversince. They make a of April 15th says the following: good, strong ventilated barrel, held together by both wood and wire hoops. six bundred barrels per day. They have dromeda and moved slowly and majes sold a good portion of what they have made engaged others and are accumulating a very large stock against the sea- rapidly increased in brilliancy and size son when the rush will be upon them.

The East Carolina Barrel company's factory, the incorporation notice of which appears in this paper is about to start at creased its size to that of the head of the foot of Hancock street. This season owing to the lateness of organizing they owing to the lateness of organizing they dight, throwing off sparks inst and furi-obtain their material elsewhere and simply ously," and left behind it a dense stream consumes much more time than if it was put it together here. Next year they of vapor, 30° 40° in length. hope to do all the work here and use na tive woods-the right thing to do and we wish them success at it.

Their machinery has been here a or two and vesterday they received by the steamer Neuse of the E. C. D. line material for 20,000 barrels and they have 15,000 of the barrels and they sold. They northeas, wardly direction. It did not will be an exact duplicate in shape and size of ordinary flour barrels, and be made mun's head with a tail of some leggle. of elm staves, ash beads, and bass wood boops-considered the best for the purpose obtainable.

The officers of this company are: Thos. Daniels, President; W. S. Chadwick, Vice President; B. B. Neal, Secretary and Treasurer.

Mr. Geo. Bishop's box factory started early in the season and has run steadily supplying all demands for the earlier varieties of truck and making ahead for the busy season.

Coming and Going.

Mr. H. W. Wahab and Ex-Congress man Latham, of Greenville and Mr. Ayres from near Rochester, N. Y., who have been visiting him left vesterday morning for Washington City.

Misses Mary McSorley and Emm Manning have left for Norfolk to see the Naval parade, and Miss Eva McGinn for Georgetown to attend the school of the Good Shepherds.

Mr. J. E. Peterson and Mr. C. Mr. J. E. Peterson and Mr. C. B. militia be sent to his aid. The sheriff Hicks, of Goldsboro came down last night said he would have to decline answering on business trips to the city.

Mr. Chas. L. Gaskill is back from Dan-

ville, Va. Another large number of people went off on the steamer Neuse, some specially to see the naval rendezvous at Norfolk the Sheriff and myself and you will and others for other purposes, but of course all will see the parade. The passengers were Messrs. Martenis and Morse of the Onslow railroad on a business trip to Norfolk; Mr. W. D. Barrington leaving for a Northern business trip; Mr. M. Makely returning to his home in Edenton; Mr. W. J. S. Clarke, of Pocomoke, returning home, accompanied by his daugnter, Mrs. T. F. Hargis on a visit; Mrs. Carrie Scheelky to visit her grand-Miss Carrie Scheelky to visit her grand-to get for them the best terms possible. I mother in Martinaville, West Virgina; shall do what I can for them still but will Leave Wilmington at 9 s. m., arrive at mother in Martinaville, West Virgins; aball do what I can for them said but will Jacksonville at 11:20 s. m. and at Mays- Miss Carrie Collins of Hillsboro who has leave it to others to make the terms as I have failed. been visiting relatives in Edenton; and Returning the train leaves Mayaville at Missa Laura Hughes to see the review; over there until 8:40 and then goes on to Mr. Harry Creagh in Norfolk, and Lieut. Jack and Messrs, E. B. Cox M. Hahn and

> Truck Quetation.

> The following truck quotation was ceived by telegraph Tuesday night fro Moura, Palmer & Rivenburg of Ne York:

Nominations for Councilmen.

The Democrats of the first, second and third wards held their primaries last night, and made nominations as follows: 1st ward,-Nominee, Wm. Ellis, The vote was: Ellis, 78; Thomas Gates, 17. 2d ward .- Nominee, Edward Gerock Vote: Gercck 65; Wm. Gaskins 15. 3d. ward.-Nominee, H. J. Lovick.

Vote: Lovick 82, J. W. Smallwood 41. The Republicans of the 4th ward renominated V. A. Crawford, col., (there was no opposition), and those of the 5th re-nominated I. Way ie Eubank col. by

Five Cents Per Pound for Cotton,

From farther South comes news indicating that larger acreages of cotton are being put in than ever before, and as this becomes more apparent the lower the price of what is left from last year's crop drops. One of our cotton buyers remaked yesterday that the farmers seemed determined to drive the price of cotton down to five cents a pound. Directly after parting from him we commenced looking at our exchanges and one of the first paragraphs that caught our eye was one in the State Chronicle directly on the

"A sebscriber, writing from Frankton, says: "If you wish to benefit the farmers urge them to reduce cotton acreage, or

If our farmers are wise they will fight shy of cotton this season-at least to the extent of making products that they can consume at home their first aim.

A Remarkable Meteor.

Some of our renders had the good for tune to view an extraordinary meteo that passed across the sky in the menth Messrs. Jones & Co's, barrel factory of December. We never expected to hear started the latter part of February and from it again but the Scientific American

E. S. Mactin, writing to Astronomy ays: December 9, 1892, about 9 o'clock They have recently increased their force P. M., a remarkable and magnificent me so that they are now making from five to teor shot out from the constellation An tically toward the northeastern point of the horizon. When first seen here, it was about the size and color of an orange, but until, before it disappeared below the horizon, it was of the apparent size of the full moon and was surrounded by mass of glowing vapor, which further in flour barrel. It soon became intensely brilliant, flashing at times a greenish blue

A gendeura who was at Jacksonville N. C. (about 50 miles N. E. from Wilmington), and saw it gave me the same description of the meteor in every par-Today, I learned that il meteor was observed at Washington, N C., (about 125 miles N. by E. from this city). The writer says: "We saw the city). The writer says: meteor which passed over, going and small pieces were flying off and it was a beautiful sight.

It must have passed to sea about the neighborhood of Norfolk, Va., and probably fell into the ocear.

A Card.

Ed. Journal:-The article in yesicdays JOURNAL signed by Wm. William chm'n, and Paul Williams sec'y, does me a great injustice as the conversation be-tween the Sheriff of Craven county and myself was just the or posite from the statement contained in said article, whether it was made so intent onally or not I do not know.

The sheriff was addressing the people

who had congregated in front of Spivey's

store and the Sheriff told them his attor

ney had advised him that if the people did not vacate the houses after he had notified them to do so, it was in law a re istance. I told the Sheriff that the people of James City were not resisting him, that they did not intend to resist his executing the law. I then asked him if he intended on his arrival at New Berne to notify the Governor that they had reisted his power and ask that the State my question. I again told him the peo-ple would not said did not intend to re-sist him that if he told the Governor they had resisted him it would be doing the people of James City an injustice. is the conversation as had between see that it is just the opposite from that stated in yesterdays article. Mr. James A. Bryan informed me that many
