PERPETUATE HER MENORY.

The Virginia Dare Memoral Associaeviling them, of North Carolina.

An association has been formed to establish an industrial school for great art for ruling the operations of human brains. the first white child born on Amer-Releigh is posident and Mrs. Sallie great confidence in its curative properties and have shown that there S. Cotton of Falkland secretary. The following circular letter in

The Columbian Era has evolved many works tending to the further progress and development of America, none of which seem to me more worthy of attention than the one set forth in this article. From it you will learn that the women of North Carolina have incorporated "The Virginia Dare Columbian Memorial Association," having in view the double purpose of emphasizing the English coloniza tion of America, and of perpetuating the memory of Virginia Dare. the first native white American, by establishing in North Carolina a Memorial to her, of an active, benevolent character.

The notable events of the early history of North Carolina are of be induced to try the successful medicine National importance, because they represent the connecting link between the discovery of America, apositive guarantee to cure, they would immediately see the excellent effect after taking the first dose. Price 50c. and \$1 trail size free. At all druggists, mar23 deed weew cent celebration, and the development of America as demonstrated by that celebration. Discovery has been given proper precedence and colonization should rank as the next important event in the evolution of the United States, the nation thus celebrating its pro-

English colonization is first in importance because North America became an English speaking nation Florida seeking gold, the French came to New Foundland to fish, but the English came to North Carolina (then called Virginia) to make homes. There they laid the sam for the Throat and Lungs. Trial size free. Large bottle 50c. and \$1. Sold foundations of a new nation. Sir er Raleigh devoted his best Wester Raieigh devoted his best years and his fortune to the colonization of the New World, but the success he deserved. The failurs which makes subsequent success possible can't be ignored.

The courage to brave failure, the resolution to overcome difficulties Marinountable obstacles delayed should receive appreciative recogni-

tionson. The women of North Carolina caire specially to emphasize the birth and baptism of Virginia Dars, the first white child born in history of America presents no con-flicting claim. No women came with the colonists to Jamestown, and Peregrine White, the famous "first-child" of the Plymonth Rock Colony, was a boy, and was born aboordship, while in Raleigh's Colony of 1587, Virginia Dare, the first white American, was born and baptized, on the soil of America.

houer to Isabella, who pledged her jewels to secure the great discovery, but more honor to Eleanor Dare who braved with her other pills.

I. They're the smallest, and easiest to the sea, little sugar-coated graphics that chared with the colonists the terrors and privations of the primeval forest, and gave to the United iss first white woman, whose ory this Association proposes

Hon. James W. Husted, while serving his sixth term as Speaker of the Assembly of the State of New York, writes: State of New York, Assembly Chamber, Albany, Jan. 16, 1890.

I desire to once more to bear my testimony to the value of Allcock's Porous Plasters, I have used them for twenty-five years past, and can constitute the serving the ser

five years past, and can conscientious commend them as the best external ren commend them as the best external remedy that I have known. Years ago, when thrown from a carriage and seriously injured, I gave them a thorough trial. In a very short time the pain that I was suffering disappeared, and within a week I was entirely relieved. On another occasion, when suffering from a severe cough, which threatened pulmonary difficulties, which I was recommended to go Florida to relieve, I determined to test the plasters again. I applied them to my chest and between the shoulder blades, and in less than a fortnight was entirely cured. On still another occasion when suffering from an attack of rheumatism in the shoulder to such an extent that I could scarcely raise my arm, I again recould acarcely raise my arm, I again re-sorted to the plasters, and within a very few days the rheumatism entirely disappeared. I have them constantly by me, whether at home or abroad. My family as well as myself have found them to be a soverign remedy, both for external and internal proubles. I never had but one kidney difficulty in my life, and the ap-plication of the plasters cured me in a week. I desire, as I said before, to bear my testimony in a public way to their efficacy, and I know of no better way of doing it than by giving you my personal experience."

The apt use of symbols is the

The many cases of rheumatism cured by Chamberlain's Pain Balm during the past few months have given the people confidence in its curative properties,

The following circular letter in refference to the organization, its object and its plans is being cut out.

B. Oction of Falkland secretary. In the case of the preparation that can be detended upon for that painful and aggravating disease. Honsker Bros., Lorain, Ohio, say: "Mr. Moses Price, of this place, was troubled with rheumatism for a long time. Chamberlain's Processing the case that t Balsam has cured him. He says that the Balm has no equal." For sale by J. V.

Inspiration is the supplementa-tion of the original act which created the man.

Answer This Question,
