It is now ascertained that there Memorial Exercises an Hour Earlier. Those who live at points below New

Berne who wish to attend the Confederate Memorial exercises this year can do so with full assurance that they will have ample time to be present to the end. Heretofore five o'clock has been the has been noticed that numbers would fail to enjoy the closing portion on account of being apprehensive of being left by the train it has been decided to begin them at four o'clock-a full hour earlier.

In addition to this Mr. S. L. Dill Superinten lent of the road, has signified his willingness to wait a reasonable length of time if it is desired that he should do so.

This being so we hope for even larger attendance than usual And one more point in reference to these exercises our country fruends manifest an interest in them and nearly always attend in fair numbers, but the majority Senator Chandler, of the Hayes of them come simply as spectators while in point of fact they are as welcome and a prominent Jewish resident of have as much right to participate in the Washington, are conducting a exercises and to be members of the Memorial Association as any of our New Berne people. Let all attend and join in the decoration.

OUR NAVAL RESERVE.

A Fine Company Though Comparatively New-Progress it Has Made-Benefits of Such a Com-

The erect, soldierly bearing and genera good appearance of the Naval Reserforce Friday morning as they as isted a escorting the remains of Leut. D. N Bogart to the train was noticed atcommented upon by our citizens are especially by men who have passed through the war. Now that the other troops have departed Lieut. Wire-low. in charge of whatever pertains to the military left in the city.

The Naval Reserve is still lacking i uniforms, otherwise they are pretty will equipped. Their twelve-pound Howitzers are as effective large guas as sodesired, their long range rapid-tirms Hotelskins rifle will prove a terror to any crowd against which it might be directed and each of their forty Lee magazin rifles will shoot 16 times consequently fifty men armed with cuch weapon would be a match for two or three hundred armed with ordinary guns. Their rill are of the latest improved pattern and their mechanism is a beauty. The Reserve has 5,000 rounds of ammunition for

The members of the Naval Reserve showed their metal when called upon From the time that there was a prospect that their services would be meded, the members to the last man attended ever drill, answered just as promptly every knew what the object was or not, per formed whatever duty was required an been visiting relatives in Morehead passed have in every way given evident in fica tion of their efficiency.

Previous to the call made upon then for their services, some of the memberwere becoming disheartened on account Mr. and Mrs. W. P. M. Bryan returned of lack of appreciation of the benefits of such an organization, but after such a object lesson of the value of maying their service at command and now that they are so well supplied with arms and hope are entertained of their being speedil uniformed we hope to see renewed inter est on the part of every member and to ted in all our citizens.

The Wilmington Star has showing the wholesome moral effect of drawing: A. H. Powell will continue Mr. Geo. Allen, who has been spending having everything at all times in remin moments notice by the strong arm of mil-Mrs. Geo. Green left for Durham to itary power. From that actiol the make the following extract:

There is one thing that the people of North Carolina do not appreciate nor for ter as they should our State Guard. B took work during the session of the la-

A citizen soldiery performs for the State at large a service, though they may never be called upon to maintain for service and to skilled and competent working never be called upon to maintain for service. premacy of the law, superior to that such an arm is within reach and ready tool respond to the summons from the many proofs of this in this State. Will

We might add to the above that who the State Guard is to the State at large each company is in proportionate deonly should the State extend its fostering care to all companies but each city and county should feel local prode in its own company and by supplementary aid, as cause for it arises, encourage the member to attain the highest point of discipline and efficiency.

At the Banquet. While the Banquet on Thursday night was the crowning gem of a series of ex-ceedingly enjoyable literary gatherings and brilliant incidents connected with the meeting of the Press Association, i is a matter of profound rejoicing to the friends of temperance that on that occa-sion no wine flowed.

"They felt the old convivial glow, Unaided o'er them stenling.

When the eminent and cultered representative men of the State declare for antee that I will endeavor to please in "cold water," and sustain their declaration the future. FAMILIES furnished at their by the power of their example, it gives homes at any time at moderate prices. an impetus to "the cause" which is yond estimate, and strengthens the hope that the night is far spent and that the day is at hand.

"A nervous affection The man on the eye of affection."

We are on the eve of a propo sal to you, but are not nervous about it. Our proposal is-Buy your Clothing, Hats and Shoes your money's worth every time.
