**THE STANDARD UNION AND THE LATE PAGEANT.**

If any thing was wanting, to evade the excellence of the Cleveland Administration, it would be found in the utter disgruntlement of the Standard Union. Edited by Mr. Halstead, the field marshal of the Republican forces, it has been accustomed to attack every

The great journals of the country exulted the vocabulary of praise in lauding the naval review in New York harbor. They vied with each other in lofty panegyric, displaying in every line American sentiment, American pride and American patriotism.

On this we congratulate the country. If Halstead had smiled instead of frowning we should have feared that the Administration sprang a leak in New York harbor.

The storm continued so fierce that President Cleveland at last sent word to Secretary of the Navy Herbert asking if he thought it was possible to postpone the review for several hours.

There was no executive ability in that. When Cleveland was postponing the review there were at least 500,000 people already in the rain, and delay meant that they were condemned to wait for an uncomfortable hours the policy of personal comfort of seven or eight persons.

There were two events yesterday that, if before the people in November last, would have defeated Mr. Cleveland for election as badly as Martin Van Buren was beaten. One was the Carlisle conference and what was reported of it. The other was the postponement for nearly three hours of the naval review because it was the President's pleasure and some one of his staff had a bad cold.

The great Halstead has found two events, occurring on the day of the review, "that, if before the people in November last would have defeated Mr. Cleveland for election as badly as Martin Van Buren was beaten."

Shiloh's Catarrh Remedy. A marvelous cure for Catarrh, Diphtheria, Canker mouth, and Headache. With each bottle there is an ingenious nasal injector for the more successful treatment of these complaints without extra charge.

Surrounded by the ordinary obstacles of life, if we seize the untold possibilities of usefulness as they spread out before us we may prove well our capabilities. And so man should have that high aim of living that shall make him a blessing to those whose interests are centered in his welfare.

Shiloh's Consumption Cure. This is beyond question the most successful Cough Medicine we have ever sold, a few doses invariably cure the worst cases of Cough, Croup and Bronchitis.

For Over Fifty Years Mrs. Wislow's Soothing Syrup has been used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea.

The man who stands up for the oppressed masses has a leadership in his make-up that dares to do right.

Why do so many people we see around us seem to prefer to suffer and be miserable by indigestion, Constipation, Dizziness, Loss of Appetite, Coming up of the Food, Yellow Skin, when for 75c. we will sell them Shiloh's Vitalizer, guaranteed to cure them.

Some Foolish People Allow a cough to run until it gets beyond the reach of medicine. They often say, "Oh, it will wear away," but in most cases it wears them away.

Let us deserve success and we will command it.
