So it is all a mistake about Logan Carlisle's having charge of the Treasury Department. America's 'Grand old man is on deck himself and proposes to walk it as long as he is captain of the ship.

When Carlisle was made Secre tary of the Treasury the country accepted him as the formost man of the Cleveland Cabinet. Every body knew that he was no lackey no body's 'man Friday. With characterstic manhood he takes get prowd of his head he becomes the whole responsibility, and goes streight forward in the performance of his official duties. The heathen rage; but what of it?

At one time, during the war Gen. Rodes appointed Col. It might improve the condition of affairs if Mr. Carlisle could be made drill master of the Cabinet. It would be a pleasing sight to see P. M. G.

There is nothing I have ever used for muscular rheumatism that gives me as as much relief as Chamberlain's Pain Balm does. I have been using it for about two years-four bottles in all-as about two years—four bottles in an—as occasion required, and always keep a bottle of it in my home.
