There is said to be a young girl in Kentucky who has the power of charming animals. She lives near Frankfort, and the wildes' animals are said to become gentle at the sound of her voice.

The papers report that Editor Henry Watterson is still lecturing on "Money and Morals." Editor Watterson has brought them closer together on his hand bills than they ever were before.

The United States inspector who was sent to Connecticat to investigate the extent of damages done to the oyster industry by the late storms reports that \$2.000,000 The Baptist Pienic. would hardly make good the loss to date.

a day place as inspector of customs. He is promised a \$3.000 position at the end of three months. George McCorkle, of Newton, gets a \$2,000 law clerkship in the land office. Capt. L. R. Exline of Chatham has secured a place and Mr. Willie has been kindly offered by the manager. Mews of Bocky Mount is pretty Mr. B. L. Perry to serve dinner in. Mr. cortain of a place in the Navy Perry is already making many friends by Department.

We have supposed that changes would be made in such places as collectors, large postoffices, &c., at the end of the fiscal year-June 30th, and in order that the appoin. tens may get up their bonds, &c., the appointments would be made somewhat earlier. We may thus expect some action at Washington in such matters at an early day .-News & Observer.

Newspaper editing is a very Edward Havens, I. L. Toler W. W. White. fanny amusement sometimes. If you give a man a puff he never t; but if one line against him re he sees it before the paper off the press, and while he would not have time to stop on the ect and say "thank you" he has time to run all over town to deon the aditor who seeks to the news .- Brobange.
