"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

DR. G. C. OSGOOD,
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interest of their children, and use Castoria instead of the various quack nostrums which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other stupefying agents down their throats, thereby sending them to premature graves."

DR. J. F. KINCHELOE,
Conway, Ark.

Castoria.

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ARCHER, M. D.,
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria has won us to look with favor upon it."

I CANNOT FORGET THEE

(Reply to "Thou Canst Not Forget Me," by Amelia.)

AUBREY HARWELL.

I can not forget thee; a something will cling
'Tis true that oblivion's dark shadow shall fling.
In moments of misery (sweet moment to me),
The thought of some sorrow that living doth bring;
Which thought shall pass like the foam from the sea,
And the clouds that shall follow, the clouds that have passed,
Shall be but the memories that ever shall last.

I can not forget thee, though cruel thou art,
And a life thou hast blighted that longed to be blest;
For the love that I gave thee but sprang from the heart,
As the jewels that rise on the billows' soft breast.
You say you were playing, and its the end of the play,
And to you it seems but a comedy yet
But pray to your God, I beg you to pray,
The heart thou hast broken the scene may forget.

I can not forget thee, for moments of joy
Will pass from my life like the mist from the day,
And the heart that I trusted, the gilded alloy,
Was studded with gems of the purest ray,
"I'm true to another," thou now canst but say,
To one more tender, more nobler than I;
'Tis true he is blest, but ere another day
His blessing may pass like the sun from the sky.

I cannot forget thee; wherever I turn
A something I find that speaks but of thee,
And a heart in my bosom that ever doth burn
Like the rays of the sun that perish the lea.
You say you were playing—it's the end the play.
I know that to you a comedy it seems,
But pray to your God, I beg you to pray,
That I shall forget those unbanished dreams.

Col. L. J. Allred Writes:

I am in my seventy-third year, and for fifty years I have been a great sufferer from indigestion, constipation and biliousness. I have tried all the remedies advertised for these diseases and got no permanent relief. About one year ago the disease assuming a more severe and dangerous form. I became very weak and lost flesh rapidly, I commenced using Dr. H. Mozley's Lemon Elixir. I gained twelve pounds in three months. My strength and health, my appetite and my digestion were perfectly restored, and now I feel as young and vigorous as I ever did in my life.

A Mother's Report.

Mrs. N. A. McEntire writes from Spring Place, Ga.: For many years I have been a great sufferer from indigestion, sick headache and nervous prostration. I tried many remedies, but got no permanent relief until I used Dr. Mozley's Lemon Elixir. I am now in better health than for many years. My daughter has been subject to chills and fever from her infancy. I could get nothing to relieve her; the Lemon Elixir has restored her to perfect health.
