MANY bicycles are priced at \$150; but there is not a case on record where they were sold for \$150. Why? Because they are not worth more than \$100. Yet persons who own such goods flatter themselves that they are owners of first class plies wheels. Evidence of insanity! The "COLUMBIA," model 32 is priced at \$150; and we will give \$500 to the person who can legitimately buy them for less. Because they are worth it, every Columbias sell for from \$110 to Waverlies are worth \$100.
