Everything Enjoyable. Capt. W. B. Kendrick, of Raleigh pass ed through Monday morning returning home, being summond there by a tele gram on account of illness

The Captain is warm in his praises of this season's enjoyment at the Atlantic Hotel. He has been a regular attendant on the session's of the Teachers' Assemby, and he considers the average attendance on this one among the very best. He says that while on occasions of special attraction, such as a lecture by Dixon or Talmage, the crowd has been larger just for the time, the average for the entire there will not be another assue of the time, being some three or four hundred this would show very well. Capt. Ken Rev. W. W. Lewis ended a week's series drick says he noticed that there were of meetings Friday at Antioch church, fewer primary teachers' in attendance this year than usual, but more than the usual number of foremost educators, Presi dents of and Professors in Colleges, City Superintendents, etc.

seasons fishing. He fished principally popular drinks, as the chemiets, who The Captain is delighted with this Watchtower, preached a fine sermon in lor flounders and trout. He has been out and caught daily from 75 to 100 during his work, having given most of his his stay. Saturday quite a number of time to the analysis of whisky and the guests were out and caught a large supply of mackeral and sea-roe.

And lastly, Mr. Kendrick spoke of that very important feature of a hotel, the table, and he is as heartily pleased with work yesterday preparatory to erect this as anything that relates to his stay

been given up by them. sphere of usefulness is enlarged.

It is the special mission of the Sisters of Mercy to alleviate suffering and minister to the sick and unfortunate, and those who follow the water and have had treatment most nurishing foods and the attending physicians' directions
