ONE OF the most satisfactory things about a Columbia Bicycle is the price. Owners of this wheel know they own a bicycle worth the price, \$150, because Columbias are never at any place sold for isse Heavy discounts are given on many other whoels listed at \$150, be-cause they are not worth the listed price. The discount varies as does the patience and persistency of the prospective pur-obaser Moral: Bay a Columbia and know that you do beyond the shadow of a doubt ride the Best on Earth 106, 000 wheelmen ride Columbias.
