Mr. J. F. Ipock and A.W. Avery have secured an outfit to bore wells. Mr. Tim McCoy is having one put down seventy five feet, and Messrs C. L. Wetherington, W. F. Weth. come. erington, E. Z. R. Davis all have had wells bored since the Typhoid fever scare. Several others will follow. It seems strange that the cause of the fever should be in the Injector for the more successful treatwater. We have never had so much sickness before, and we are drinking out of the same wells our fathers did, but the doctors say its the water and we must believe it.

Miss Pearl D. Ipock is absent visiting her sister Mrs. Wm. Tingle. of Grifton.

Mr. Cleveland; the same in Zeb tainly a good preparation. Vance. While the two great leaders disagree, to some extent, on silver, it will turn out that both are right. We don't understand the silver question, and don't believe waye hold the sweetest honey. there is one out of ten that does But, I know what the leaders of the Democratic party promised during the campaign—Yes, we remember very well! We would member very well! We would the worst cases of Cough, Croup and have more money, tariff would be Bronchitis, while its wonderful success reduced, would cut off fraudulent pensions, confidence would be repensions, confidence would be repensions are would have better broad and we would have better times. NOTICE.

There will be published in the August number of the Progressive South, of Richmond, Va., an article on the best, most acceptable, safest, and stablest currency which can be issued, showing how a largely increased volume of paper money can be circulated, good alike in all parts of the United States, convertible into coin at will, and yet release twothirds of the present stock of gold and nine parts out of ten of silver.

The same number of the paper will contain an article showing how large amounts of money can be expended (without leaving interest charges,) making good country roads in all parts of the Union, and create prosperity in all parts of the United States at the same time.

There will, Ifkewise, be several other interesting article for agriculturists, miners, manufacturers, and business people.

The Progressive South is the best monthly paper for the agriculturist s people published. Price. e dollar per year. Subscribe now. jy12 1m)
