"Pay as you go" and enough to come back on.

The Texas populists now boast that they are certain to carry the exceeding regret that we chronicle the next state election.

In New York some of the preachers ase discussing the financial problem in their pulpits.

No too thinge differ more than hurry and dispatch. Hurry is the of battle a painful wound through the mark of a weak mind; dispatch of a lung, that has at last ended in the sleep strong one.

Newspapers of all parties are complaining of the long debate in congress. Thep declare that immediate action is what the country wants.

Chauncey Depew is reported to be in favor of keeping the World's He will be taken back to Texas by requi-Fair open all next year. Evident. ly, Chauncy wants the exposition to be like his mouth - always open.

To make gold the sole standard and the only currency is to dimin. ish the volume of our money by one-half. That is contraction\$ and contraction means the complete paralysis of all enterprises, the atter collapse of credit, the complate prostration of trade from New York to Californis, and the con signment of myriads of working people in every city and State in the Unirn to idleness and starvation.

Bad as it is, it would become infinitely worse if Congress were to yield to the single gold standard movement and surrender the cause of silver. Such a surrender would the railroad to the edge of the Isidewalk. gean disaster to all classes except This will drain the water perfectly from the vultures that alwops flesh vic- the centre of the street to the agbeducts dustrial calamity. The merchant good road bed. and the manufacturer, the big busisees man and the small trudesman, the great mass alike of employers and employed, the professional man, the brain-worker and the brawn-worker, and, more than all the laborer and the wage-earner in every occupation, will all be drawn together in the vortex of costraction if silver is out lawed.
