World-Wide Phrase Originated by Popular Actor.

As an author, actor and manager, Mil ton Nobles Ihas, during a professional career covering nearly a quarter of a cen-tury, made a record that is a credit to his name and an honor to the guild. No living actor is held in higher esteem by his fellow players and the public at large His plays have all been successful, and, beyond any other American Dramatist he

has succeeded in producing purely American plays, dealing with American themes and introducing typical and tangible phases of American character. Mr. Nobles and his brilliant young wife Mr. Nobles and his brilliant young wife will present during this engagement, Mr. Nobles' latest and probably strongest play The Phœnix.

The strong comedy element in this piece keeps the audience in a roar. Mr. Nobles makes a new departure this year in carrying a carload of scenery.
