**Hurrah for Gladstone!**

It is plain that the Senate is not in as much of a hurry as the people.

Latest phase of the race question—how far is the editor ahead of the sheriff?

Josephus Daniels is mentioned for promotion in the Interior Department.

The Irish Home Rule bill passed the British House of Commons Saturday by a vote of 267 to 301.

Charge, Voorhees, charge; Vote, Senate, vote!

The cry goes up from every throat!

Amanda C. Riddle, an inmate of the atmosphere in Norfolk has won a suit awarding her real estate valued at \$70,000.

It's a mighty mean sort of man who stuffs his money into his stocking and then sits around and talks about hard times.

The disappointed grumblers who refuse to see better times, should step to the rear. There's plenty of room for them there and they'd feel at home.

The cable brings us another circumstantial account of the death of Emma Faith. The confusing thing about Emma's various deaths is that he seems to die a different way every time.

At a recent dinner of journalists the following toast was proposed: "Women—The fairest work in all creation; the addition is large and no man should be without a copy."

The mine at New York, San Francisco and New Orleans are not coming gold. The Government has just sent \$1,500,000 in gold to New Orleans to be melted.

**Heavy frosts, the first of the season, have already been reported from Fonda, N. Y., and Woodville, N. H. Senator Teller showed wisdom in taking his winter clothes with him to Washington.**

**Shells bought by Government in Europe at the time of the Chilian trouble are still in the New York customs house, the officials refusing to give them up until the duties were paid, and the Government had no funds with which to pay.**

**The Baltimore Sun has polled the Senate and finds that there is a majority for repeal, and it sets down Butler, Ransom and Blackburn as doubtful, with a wavering disposition for repeal; and Call, Cameron, Hansborough, Paeo and Quay as doubtful, with a disposition against repeal.**

**A North Carolinian now residing in New York, a man of letters, not unknown to fame—says: "I read with pleasure the editorial in the JOURNAL on 'Duty'." Doubtless many of your constant readers were as forcibly struck with it as myself. The pen is a mighty power wielded for the right." Thanks, most noble Stauly.**

## LOCAL NEWS.

**NEW ADVERTISEMENTS.**  
Clam chowder at Parson's.  
Seven Springs water at Gaskill's.  
Nunn & McSorley—New barrel coca cola just received.

Mr. R. D. V. Jones has taken a situation at Gaskill's Pharmacy.

The circle of King's Daughters will meet at Miss Mayhew's at eight o'clock this evening.

Mr. Will Hill was out last evening on his Cleveland Racer. A number of other bicyclists were out enjoying themselves.

Mr. J. L. Hahn tells us of a drive he took twelve miles through Craven and Jones counties on the opposite side of Trent river from the city. He reports the crops as exceedingly fine—the best he has ever seen.

Mrs. Julia Charlton has been appointed post-mistress at Cove. This is an important office, as is evidenced by the fact that the JOURNAL has the second largest subscription list of any place in the county outside of the city. Vancelboro comes first, surpassing Cove by a few.

We have seen a bill for merchandise purchased which was made against James Fulford in 1766, that is in Mr. Stephen Fulford's possession. Though yellow with age, it is plainly legible and in a good state of preservation. The prices are extended in pounds, shillings and pence, the currency of those days.

The Gastonia Gazette says: "Mr. Gallagher informs us that he saw a seagull at Bessemer City Tuesday, which must have been blown there from the coast by Monday's hurricane. A railroad hand found the bird in a rock. This sea bird must have been borne 200 or 300 miles by the gale."

When it comes to names juvenile base ballists get there. A little chap about as high as a yard stick walked in the JOURNAL office and wanted us to announce that the Depot Grangers, Capt. Herbert Moore, had cleaned up the Sauff Alleys, Capt. Clarence Smith, with a score of 39 to 29.

The damage to the A. & N. C. R. R. bridge at the draw has been remedied. The first train, the one that was left by the accident on the opposite side of the river crossed over to the city at 4:30 p. m. Thursday afternoon, the freight train crossed going to Morehead City a half hour later and the regular mail and passenger train followed suit at 6 o'clock.

A big dance was held at Mrs. S. R. Nelson's at Nelson's Ferry on the night of the 6th inst; the occasion that called for it being the completion of Messrs. Blades' Bros. immense new mill close by. It was held in the mill. The machinery had arrived but had not been put in place, and consequently the building afforded plenty of room. About 100 people attended. Nearly all of them from the city; and had a gay time until about 3 a. m.

Messrs. Nunn & McSorley's confectionery now sports a new clock obtained without cost. It is from the Coca Cola company and is presented to them on account of the large amount of that beverage they have sold during the summer—121 gallons, 100 gallons would have entitled them to the clock. A new set of regular coca cola glasses also came with the clock. They are counting on making a good many more sales this season as they just received another barrel—48 gallons more of the coca cola yesterday.

**New Berne Collegiate Institute.**  
Will open Monday, Sep. 18th, and the building and grounds will no doubt be in good shape and made more presentable by that date. Dr. Hodges, the new principal, was selected to take charge of the school upon the very highest recommendation, and with the co-operation of the Board of Trustees we hope to see the institution flourish as it should. Pupils from the country can obtain board in good families at reasonable rates.

## AN IMPORTANT MOVE.

**A City Census Ordered—Houses to be Numbered—Looking to Free Mail Delivery.**

The following action in reference to taking a census of the city and having the houses numbered was taken by the Board of City Council yesterday:

Whereas it is believed that a system of Free Mail Delivery in the city of New Berne, with its attendant great advantages of convenience to the citizens, additional employment and consequent increase of amount of money in circulation in said city, together with other advantages great and numerous, will inure to the lasting benefit of said city;

And whereas it is impossible to obtain such a system of mail delivering, unless the houses of the city, shall in some way, be designated, as a means of facilitating the work of the service;

And whereas in addition to the above facts, it is believed that such designation of the houses will be of benefit and convenience to the citizens in many other ways, and is a step which should not longer be delayed. Therefore be it Resolved:

1st. That it is the sense of this Board that every effort be made toward the accomplishment of this purpose of this resolution to wit: that the houses of the city be designated by numbers, and that the citizens of New Berne be requested and urged to co-operate with the Board in this work.

2nd. That said citizens be requested to contribute to said work an amount as follows, to wit: The owner of each house ten cents (10c) for each number necessary to designate said house or parts of house.

3d. That the city shall assume the work of placing such numbers, each in its proper position.

4th. That immediate steps be taken toward the carrying into execution of the purposes of this resolution.

And whereas further it becomes necessary to have officially taken a census of the City of New Berne that the purpose of this resolution may be accomplished. Be it resolved, That said census shall be taken and that the Mayor be authorized to make such arrangements as may be necessary to the completion of this work.

## Coming and Going.

Mrs. F. M. Simmons and Misses Leah and Sophia Jones left yesterday morning to spend some time at Seven Springs.

Mrs. W. H. Bray left for Charlotte to visit her brothers, Messrs. Wm. and Frank Thomas.

Mrs. J. C. Watkins who has been visiting her father, Mr. L. H. Cutler, left, returning home.

Miss Pearl Powell left to enter Greensboro Female College. Her brother Mr. A. H. Powell, accompanied her and he will go on from Greensboro to the World's Fair.

Miss Lida Rollman of Washington after making a summer trip to the mountains made a short visit to her sister, Mrs. O. H. Guion from which she returned home yesterday morning.

Mrs. G. W. Rogers who has been visiting her brother Mr. J. E. Smith left for Chicago to join her husband Prof. Rogers in Chicago, where he is engaged for the season in the museum.

Miss Olivia Waters, who has been visiting her sister, Mrs. C. T. Randolph, of Kinston, returned home last night. Mrs. Randolph and child accompanied her back on a visit.

The following were among the passengers who left on the steamer Newberne: Mrs. Bettie Whaley after her fall stock of millinery, accompanied by her daughter Miss Nita and Miss Martha Spruill on a pleasure trip. Miss Jennie Bishop left for Philadelphia to visit her cousin, Mrs. Penelope Pennell, and Master Ernest Wood going to Johns Hopkins Hospital, Baltimore to obtain treatment for his arm which was broken a few years ago and healed in a crooked position.

Mr. J. F. Taylor is back from the north.

Dr. G. W. Blackhall passed through enroute from Raleigh to Morehead to enjoy the fishing.

**The First White-Male Child in Eastern Carolina.**

We have among us a lineal descendant of the first white male child ever born in Eastern North Carolina. That child was John Falford. He was born in Carteret county of English parents in 1730 and died in 1723. He was buried at the Straits, Carteret county, about 8 miles east of Beaufort where his grave may be seen to this day. It is bricked up with English brick.

This Mr. Fulford was the great-great grandfather of our townsman Mr. Stephen Fulford.

**N. C. Cherokee Indians.**

Very few people know anything about the Indians in Western North Carolina—the Cherokees. There are 1,900 of them and they are increasing in numbers. They own 73,000 acres of land, and very fine land it is.

Their new chief is Stillwell Sounooke, and he cannot speak English at all. There are some native preachers and four schools, the Government maintaining the latter. There are other Cherokees, but these are not included in the 1,900 as they live elsewhere than on the reservation.—Raleigh Correspondent Wilmington Messenger.

Among the incidents of childhood that stand out in bold relief, as our memory reverts to the days when we were young, none are more prominent than severe sickness. The young mother vividly remembers that it was Chamberlain's Cough Remedy cured her of croup, and in turn administered it to her own offspring and always with the best results. For sale by J. V. Jordan.

## COUNTY COMMISSIONERS PROCEEDINGS.

Monday morning, Sept. 4th, 1893.

The Board of Commissioners of Craven county met at the Court House in the city of New Berne at 11 o'clock a. m.

Present, Commissioners J. A. Bryan, Chmn.; E. W. Smallwood, W. C. Brewer, M. H. Carr and J. A. Meadows.

Petition for the establishment of a public road in township No. 1, known as Pine Neck road running through the lands of James L. Wetherington and others having been presented to the Board, it is

Ordered, That the consideration of said petition be postponed to the first Monday in October, 1893, and that due notice of said petition be posted at the Court House door according to law.

It appearing to the Board that a petition for a public road leading from Fort Barnwell village on New road to Billie's landing on New river has been duly filed and due notice of the hearing of said petition having been posted according to law, it is

Ordered, That the said road be and the same is hereby declared to be, and established as a public road and that the clerk of the Board notify the sheriff of this order, to wit: he may summon a jury in accordance with the statutes, section 2916, of the code and lay off said road as therein prescribed, provided no objection shall be presented against the same.

It is ordered by the Board that the county warrants be and hereby is authorized to be and compromise and settle the said entitled Board of Commissioners of Craven county vs. Isaac E. Brown, now pending in Craven county superior court upon payment of the sum of the sum of fifty dollars in cash and costs of said action not to exceed ten dollars—said sum of \$50, being the amount of the simple taxes without penalties, obtained by the county in said action.

On motion the Board took a recess to 3:30 o'clock.

Monday afternoon, Sept. 4th.

The Board met pursuant to adjournment.

Present, Commissioners Jas. A. Bryan, Chmn.; E. W. Smallwood, M. H. Carr and W. C. Brewer.

Ordered, That the value of the property listed to the Stinson Lumber Co., pay for 1893 be reduced from \$23,000, to \$20,000.

On motion the Board took a recess to next morning at 11 o'clock.

Thursday morning Sep. 5.

The Board met at 11 o'clock pursuant to adjournment.

Present Commissioners Jas. A. Bryan, Chmn.; E. W. Smallwood, W. C. Brewer and M. H. Carr.

Ordered, That the income tax assessed against M. DeW. Stevenson be reduced from \$12.50 to \$2.50 by reason of error.

Ordered, That the N. N. & W. R. R. Co., be notified to appear before this Board on the first Monday in October and show cause why their property purchased from the Stinson Lumber company and P. H. Pelletier should not be increased in value.

Ordered, That the property of the New Berne Sewerage Company be reduced in value from the \$8,000 to \$2,000 on account of error.

Ordered, That the property listed to Richard Guion on tax list, 1892 be stricken from said list, he having paid his taxes for said year under the name of Richard Garner.

On motion the Board took a recess until next day at ten o'clock.

**Our "Last Colonial Governor."**

A correspondent of the Wilmington Messenger, describing the exhibit of the Virginia Dare Association, of this State, at Chicago, mentions, among other articles, a "Portrait on ivory of Gabriel Johnston, the last Colonial Governor of North Carolina." Indeed!

Governor Johnston, who died July 17th 1759, was succeeded in office by Governor Arthur Dobbs, Wm. Tryon, and Josiah Martin in the order named; the last of whom was driven out of New Bern at the beginning of the Revolution in 1775, more than twenty years after Johnston's death. Such errors are as inexcusable as unnecessary. If our State's display at Chicago were no better than that correspondent's history, it would be poor indeed.

**BIG BICYCLES RACES.**

To be Held at Raleigh September 22d.

Raleigh will be stocked with bicyclists on the 22d, when all the cracks will all be here. The prizes to be offered will far exceed any ever offered before at any race meet in North Carolina.

The speediest riders from Charlotte, Greensboro, Winston, Durham, Goldsboro, Wilmington, and important places out of the State, have been invited and are expected to be here.

The races will be on the fair ground track, which has been lately remodelled, and is the very best in the State. Other particulars will be given later.—News-Observer-Chronicle.

**\$75,000 Worth of Stamps.**

The revenue stamp office here did a big business in August, notwithstanding there was an unusual depression in business. The total amount of stamps sold during the month was \$75,326.61.

These sales are far in excess of the sales of same month last year, which were \$48,767.30. Of the sales the past month the Duke branch of the American Tobacco Company purchased quite \$50,000 worth. This is what we call doing a business.—Durham Sun.

## LIFE SAVING SERVICE AGAIN.

**A Correspondent's Views in Line With the Article we Recently Published on the Stations and Their Work.**

ED JOURNAL. The stationing of life saving property in the recent storm has brought to the minds of the public that there are additional improvements necessary to better the Life Saving Service. The public debates the entire matter and find that the government considers its duty in a way that would bring disaster to any private enterprise. A great point of weakness of this admirable system is the scarcity of the stations and the short term of service of the crew. The station at Cape Lookout is the only one on the coast of North Carolina from Hatteras and the Cape Fear, a distance of about two hundred miles.

The term of service of the crew was September 1st and ends May 1st. In fact he is the solitary watch-keeper on the coast extending from Hatteras to the Cape Fear.

The term of service should be made permanent and maintained the year round, the lives and property saved from shipwreck would more than repay the money expended for the extension of the service. The August storms along the coast have caused very serious losses during the past ten or fifteen years. The fact that men have been drowned, and the coast where there were unimproved life-saving stations, within warning distance has aroused considerable comment on the deficiencies of the service.

The records and experiences have shown about as many storms and wrecks during the month of August as any month in the year.

The only legislation resulting in the improvement of the life saving service was the increase of the salary of the men, which was passed by the last Congress.

The lives that were lost during the last storm within reach of human power, was through the parsimonious action of this great government.

If there are no other changes made, the crew ought to be called in service the 1st of August, instead of September because all the bad storms we have had in the last 10 years, I think, have been in August.

**Died to Death.**

Mr. John G. Mason, who lived beyond Grindle Creek, met with a sudden death on Saturday evening. He was in town that day and started home riding alone, and just before reaching the lumber railroad his horse shied and threw him out of the buggy.

On one of his legs was a very bad sore with which he had been troubled for some time, and in the fall ruptured artery near this sore from which he died. He was carried from the scene of the accident to his home and expired soon after reaching there. Mr. Mason was about 70 years old.—Greenville Reporter.

**FOUR SUBSTITUTE** for a well-known medicine pays more profit to a dealer, when he sells it. That's the reason he annoys you with his claim that it is "just as good." And that is one reason why every man who wants Doctor Pierce's Favorite Prescription should go to a reliable dealer.

Every woman who does want it, if she's suffering from any ailment peculiar to her sex. If she's "run-down," or delicate, she needs it just as much. It's a special tonic, that builds her up; a legitimate medicine, that cures all kinds of "female complaints" and weakness, it is the only remedy so safe and certain that it can be guaranteed. If it doesn't benefit or cure, in every case, you have your money back.

What else can be "just as good" for you!

A long advertisement is unnecessary to convince you that you need Dr. Sage's Remedy for your Catarrh. Its makers offer \$500 for a case they cannot cure.

**FIVE DOLLARS REWARD.**

A reward of Five Dollars will be paid for evidence sufficient to convict any person or persons of forcibly entering either of the school buildings, situated upon the Academy Green, or of inflicting damage to the doors or windows of said buildings or of injuring the furniture or other property contained therein, or of breaking the fences or gates which enclose the Academy grounds.

The custodians of this property are anxious to make an example of those boys who in a spirit of wickedness, born of idleness, are seeking to destroy it.
