Miss Annie Berry of this city, we are pleased to learn, has obtained a position as tember of art in a reputable South Carolina school. We have watched the progress of this inlented young lady with a great deal of interest. Thoroughly edueated in drawing and painting by the best masters, she has steadily held on her way in her afficult but delightful studies at the North until she is ready, for work And no one who has seen sperimens of her excellent skill can doubt that she is ations, and has been much admired. Her landscape work is strikingly good, bringscenery in a very satisfactory manner. Her off-hand crayon sketches of figures

We are under the impression, that New Berne has not been very prolific of either sons or daughters excelling in art. Thernfore our sympathies and best wishes will accompany Miss Berry in her struggles in a strange tand. May all good angels go with her, and may she find fame and friends

THE VERY BEST TIME THE VERY BEST TIME to take Dr. Pierce's Golden Medical Discovery is now, if you feel that your blood is out of order. Don't wait until you have to cure disease; it's easier and better to prevent it. With the first blotches or eruption, or the duliness, weariness, and depression that are some of the symptoms, you need this medicine. It will rouse every organ into healthy action, thoroughly cleanse and repair your system, and build up needed flesh, health, and strength. It's the only guaranteed blood remedy. In the most stubborn Skin or Scalp affections; in the worst forms of Scrofula; in every disease caused by a torpid liver. Scalp affections; in the works forms of Schriula; in every disease caused by a torpid liver or impure blood—if it ever fails to benefit or cure, you have your money back.

No substitute urged by a tricky dealer, though it may be better for him to sell, can be "just as good" for you to buy.
