Entered at the Postoffice at New Berne N. C., as second-class matter.

The Committee on Elections in its report to be submitted to the House will embody a bill wiping from the statutes every vestige of Federal supervision of elections. The Federal supervisors must go, and John I. Davenport will head the procession.

According to the telegraphic news Lieutenant Governor Sheehan, of New York, has secured control of a Buffalo newspaper which is to be hereafter his personal organ. Congratulation may be in order for Mr. Sheehan and commiseration for his organ. No man needs an organ who goes straight, and no newspaper can accommodate its course to any man's crookedness without losing the confidence of its readers.

If the Geary law should have been specifically designed to make work for the Courts it could not have compassed that result more perfectly. The latest legal whirligig to which it has given rise is that set motion by the United States Circuit Court of San Francisco, to the effect that each Chinaman accused of being unlawfully in the country shall be given a seperate trial. At this rate, if the Chinese must go, they will go in a single file caravan, stretching in endless procession towards the crack of doom.—Phil. Record.

A Good Thing to Keep at Hand.

From the Troy (Kansas) Chief.

Some years ago we were very much subject to severe spells of cholera morbus; and now when we feel any symptoms that usually proceed that ailment, such as sickness at the stomach, diarrhœa, etc., we become scary. We have found Chamberlain's Colic, Cholera and Diarrhœa Remedy the very thing to straighten one out in such cases, and always keep it about. We are not writing this for a pay testimonial, but to let our readers know what is a good thing to keep handy in the house. For sale by J. V. Jordan.

It makes a great difference in the force of a sentence whether a man be behind it or no.

We have a speedy and positive cure for catarrh, diphtheria canker mouth and headache, in SHILOH'S CATARRH REMEDY. A nasal injector free with each bottle. Use it if you desire health and sweet breath. Price 50c. Sold by New Berne Drug Co.

Countries are well cultivated, not as they are fertile, but as they are free.

When Baby was sick, we gave her Castoria.
When she was a Child, she cried for Castoria.
When she became Miss, she clung to Castoria.
When she had Children, she gave them Castoria.

Dyspepsia and Liver Complaint.

Is it not worth the small price of 75c., to free yourself of every symtom of these distressing complaints, if you think so call at our store and get a bottle of Shiloh's Vitalizer, every bottle has a printed guarantee on it, use accordingly and if it does you no good it will cost you nothing. Sold by New Berne Drug Co.

If you want to mak Satan tremble resolve to be a happy christian.

Oh, What a Cough.

Will you heed the warning. The signal perhaps of the sure approach of that more terrible disease Consumption. Ask yourselves if you can afford for the sake of saving 50c, to run the risk and do nothing for it. We know from experience that Shiloh's Cure will Cure your cough. It never fails. This explains why more than a Million Bottles were sold the past year. It relieves croups and whooping cough at once. Mothers, do not be without it. For lame back, side or chest use Shiloh's Porous plaster. Sold by New Berne Drug Co.

When the world can't understand a man it calls him a crank.

A Queenly Head

can never rest on a body frail from disease any more than the lovely lily can grow in a sterile soil. When Consumption fastens its hold upon a victim, the whole physical structure commences its decay. At such a period, before the disease is too far advanced, Dr. Pierce's Golden Medical Discovery will arrest and cure it. So certain is this, that an offer is made to refund the money paid for it when a failure can be found under the condition of a fair trial.

The devil never asks anybody to go all the way home with him.

Persons troubled with chronic diarrhœa should try Chamberlain's Colic, Cholera and Diarrhœa Remedy. Many cases have been cured by it after all else had failed and skilled physicians were powerless. For sale by J. V. Jordan.

The man who is not afraid of little sins is the man the devil gets.

The Population of New Berne

Is about nine thousand, and we would say at least one-half are troubled with some affection on the Throat and Lungs, as those complaints are, according to statistics, more numerous than others. We would advise all our readers not to neglect the opportunity to call on their druggist and get a bottle of Kemp's Balsam for the Throat and Lungs. Trial size free. Large bottle 50c. and $1. Sold by all druggists.

The only way to make people happy is to first make them good.

Among the incidents of childhood that stand out in bold relief, as our memory reverts to the days when we were young, none are more prominent than severe sickness. The young mother vividly remembers that it was Chamberlain's Cough Remedy cured her of croup, and in turn administers it to her own offspring and always with the best results. For sale by J. V. Jordan.

The Handsomest Lady in New Berne.

Remarked to a friend the other day that she knew Kemp's Balsam for the Throat and Lungs was a superior remedy, as it stopped her cough instantly when other cough remedies had no effect whatever. So to prove this and convince you of its merit any druggist will give you a sample Bottle free. Large size 50c. and $1.

Rocky Mt. Keeley Mocking Birds.

The Keeley Institute students are having a gay time now-a-days, or, rather, now-a-days and now-a-nights. They keep cool in the day time under the broad spreading oaks in the campus, and in the night gather on the broad verandas of the Institute, and fill the air with melody uutil the mocking bird, singing to the moon from the branches of the great oaks, gives up in despair and tucking his head under his wing keeps silent.—Rocky Mt.
