AP-Entered . "?		New Berne

A Pitteburg dispatch says that **Carnegie** has reduced the price of steel rails to \$5 a ton for the purpose of crowding out competition in this country. That is the way the tariff works. The railroads and every shipper and traveler overa railroad are taxed in order to prevent toreign competition with American rail makers, and under this protection the big fish the fire and have the dross purgswallow the smaller ones, home competition is stifled. This done, or a home trust formed, and

THE SITUATION.

The position of the Administration is not clearly discernible. There is a heavy fog, but there are certain landmarks that enable us Mass. WINSLOW'S SOOTHING SYRUP has thing like ordinary newspaper illays all pain, cures wind colic, and is the best remedy 'or Diarrhosa. Twentycertainty. This is very indefinite language, but scarcely less so than gists throughout the world. are our ideas of the situation.

When an Administration does not confine itself to the party platform, nor take counsel of party leaders in caucus assembled, it becomes personal-has no fixed limits, floats in a sea of uncertainty, and, as no two minds are alike, nobody knows where it is going.

What about Howaii? Echo answers, what! We have come to a conclusion, but as it is individual there may not be any other of the bottle of Chamberlain's Cough Remesame opinion. This is the idea that has found a lodgement in our brain. Mr. Cleveland did not know what to do with Howaii, just as he did is the sole reliance with thousands of not know what to do with silver. mothers who have croupy children, He commenced playing a lone hand and never dissappoints them. There with silves. He was about to lose the game, but he called for help tains nothing injurious. 50 cent botand won. He now wears the smile tles for sale by J. V. Jordan. of a conqueror, but it is not an ultra smile-it is a smile on his lip with a frown on his brow.

He adopted a different course with Hawaii. The chestnuts were Allow a cough to run until it gets beyond popping, so he employed Gresham to pull them out of the fire. Gresham, instead of pulling the chestnuts out drew the fire of the public. Mr. Willis was sent as Minister to Hwaii, and the same public thought he carried Gresham's instructions, but as nothing in the Gresham line has transpired, it seems probable that Mr. Cleveland took the cue from the public and invested Ministeri Willis with extraordinary discre-
