tracted visit. They are all gladly welcomed back and we hope numbers of their friends may follow suit.

Baptist Almanac.

We have received a copy of the North Carolina Baptist Almanac, published by The temperature yesterday ranged as Needham, B. Cobb, of Raleigh. It is a foll se; Maximum 69 1-2, minimum book so well estited that it seems to us no T are persons will be baptized into the in his household, and it is worthy of Chas h of Christ at the foot of Broad St preservation for future reference for its historical features.

It gives facts and statistics of the several terian bazaar are requested to send, them branches of the Baptist denomination-Regular, Free-Will, Primitive or "Hard-Shell," etc., with organization by counties up Neuse river yesterday morning which and a list of all the ordained preacher's measured six feet from tip to tip, and in the North Carolina Baptist convention and Biographical sketches of the leading ones who have died during the year. Also the usual amount of information given in such publications relative to the State and national governments, holding of courts, etc. We believe such a handy publication is good for any denomination

Conference Appointments.

News from Conference is that Rev. R. up from near his front door and carried A. Willis, who for four years has been

delight at the appointment

There has been a gracious revival under Mr. Lyon's ministry at Fayetteville Grand Dictator. this year which resulted in about a hundred additions to the church

Opening of a Beaufort Cannery

Messrs, Weitzel and Gandy have open ed an oyster industry in the large Davis building here. They contemplate open-ing from 400 to 600 bushels of oysters per Such a sum will be felt among our busi ness men and will greatly increase trade We are personally acquainted with the Dr. Hume will return from the Baptist above named gentlemen and we find them Convention at Elizabeth City by the Str to be straight-forward business men They have had several discouragements in the start. But they claim if they can get oysters at a reasonable price, say 20c or the rock and 5c, allowed for freight and 2c, for inspection that they can run but it they have to pay more they will have to close their industry.

Stood the Test.

Alleock's Porous Plasters are unrapidity and safety of action, and are the only reliable plasters ever produced. They have successfully stood holes in them and claiming them to be "just as good as Allcock's," and they stand today indorsed by not only
