C. E. Slover. - Persons owing me. Chas. E. Nelson-Stall ted Beef. J. F. Taylor-Ready mix I paint.

New Berne B. & L. Association - Annu

Both the Episcopalian and Centenary M. E. Churches intend to have, as usual, very beautiful Easter celebrations tomorrow. It is the high festival of the whole year.

Sparkman meeting at country saw mill in Onslow county and includging in a fisticoff. The belligerants did not do each other much harm, however.

ness which he has now exased to corry en. you, that ye love one another

The steamers now take out on every trip good car goes of quite a mixed kind. Both Irish and sweet potatoes go regular ly; also eggs and poultry, fish, oysters and clams, and "garden sass" is making a showing. Asparagus, radishes, cabbage and lettuce are the leading ones. And lumber and cotton also do their part in making up the variety.

Mr. W. H. Disosway, a native New Bernian now a druggist of Old Fort, N. the present remarkably warm and un-C., in a letter sending an order to the usually quiet March was discussed, Green Piace Poultry yards, alludes to his pleasurable recollections of his visit connected with it, represented his local is a mistake, on the contrary they are a paper at the Fair, and gave in it a very trifle later this year than last. He noticed good account of the exhibition.

Wednesday the steamer Neuse took of shad and the steamer Eiko 140, a total of 328 boxes. The rush of blue fish about which Mr. Sam'l Whitehurst, the joint clerk of the steamer lines at that weather, is apprehensive of future cold. place told Capt. Wallace have departed. He recalls that the April of 1849, made These ocean wanderers have, a way of coming when they please and leaving in the same manner. When they show themselves good use has to be made of the opportunity while it lasts.

Death of an Honored Citizen.

Mr. H. S. Grecie died at his home, about five miles from New Berne, Thursday, aged 83 years.

thes county that no words of enlogy can add to the esteem in which he was held. He was a generous warm-hearted citizen, and an excellent type of the old-time neighbor. A faithful Christian with kind and the winter of 1827-28 seems to hand and heart in activity and sympathy with the needs of mankind as long as he
