### THE JOURNAL.

S.H. HARPER . . Propriet O. T. HANCOOK. - Local stope Entered the Post Office at New Berns

N. C., as second-class matter.

As citizens of the richest and the national movement for better roads.

Dr. Shrady's article in the Forum contains a long list of revolutionary discoveries and experiments. In this department America has distinguished herself more than any other country during the last half-century, and the record of our surgeons is among the most important achievements of our civilization. Many of the incidents that be narrates, too, are full of human interest as well as of scientific val-

"Greater than Blaine." ing. By nature, man is strongly in "Gladstone?" "Greater than he." clined to be social, but that false pride, in s . many cases . appearing "Bismarck !" "Greater than he." to be ungovernorable, is more a "Emperor William?" lack of the old genuine common "Much greater." sense, than superiority in this blue-"Pope Leo xili?" I guessed wildblooded aristocracy. The most ly. "Greater than he." difficult point to be observed is the Then I was at a loss, and hesitatdistinction between sociability and that respect that all persons are "You must not confine yourself entitled to. The New York Ledger to living men," he interrupted. "You say it is a piece of fiction takes up one side of the question and by a man greater than Bisand elucidates it in these words marck, Gladstone, the Emperor we commend to the JOURNAL rea-William? I coufees you puzzle me." ders: "We envy neither the man "Well, suppose I say it a Cornor the woman who cannot speak sican story." The riddle was solved. to a fellow creature out of their A story was actually in existence own circle or tc anybody without the formality of an introduction. by Napoleon Bonaparte. The man-nacript had survived the vicissit-udes of war and exile. Had rerectors. There is no computing the amount mained locked up for a hundred of profit as well as pleasure such years and was now about to be m830d persons lose by hedging themselves brought to light in America. in with this stapid fence of fast idiousness. We have always found LEGAL NOTICES. more of this feeling among persons ches for the fact over his own signawho were more touchy on their so. ture, that Napoleon, when a young cial position than among those lieutenant, wrote a Corsican story self-respecting persons who thought to his uncle, Cardinal Feech, then self-respecting persons who thought nothing abont it. A great deal of intelligence is floating round the world without being labled, and these men or women who have the good sense to recognize this fact and act upon it not only are edu-eating themselves, but conferring that pleasare which we are all and act upon it not only are edu-eating themselves, but conferring that pleasare which we are all bound by the common ties of hu-manity to exchange with one another. It seems to us that it is only the snob and pretender which take a different view of this ques-tion.
BILVER.
The fate of the Bland bill has been decided by either the approv-al or the veto of the President, but the struggle over silver is by no means at an end.
It was said a week or more ago that the President would sign the bill if he could be assured that there would by no more silver legislation
the Academy and inspector of French libraries. Libri sold this and some other manuscripts to Lord ashburnham ior \$40,000, and from 1842 to a recent date Napoleon's namescripts slumbered in Ashburn.
The Cosmopolitan maintains staff ditors in both London and Paris, been decided by either the approv-al or the veto of the President, but the struggle over silver is by no means at an end.
The fate of the President would sign the bill if he could be assured that there would by no more silver legislation
The could be assured that there would by no more silver legislation LEA VES That's what Sick Headachs does, when Dr. Pierce's Pleasant Pel-ka are taken. These tiny, rig-ar coated, anti-bilious grambles curs it completely. They're the mailes, the casiest to take, and the most natural ramedy. No disturbance, no unpleasantness, no reaction afterward. One little whole system.
