When that poor innocent and defenseless negro was lynched at Denmark it was this same McLennon who caused it.

Still Defiant but Discouraged-The Strike Considered a Fallure

There is a lull in the tempest among

The Grand jury of Durham county Superior court had many young men and boys summoned before it with the idea of breaking up gambling and the selling of liquor to minors which has been going on. It is said that about seventy-five cases have been found against desires, and that when they saw the trouble gainst them brewing, all but three dis overed they had business away from botham. Their absence saved them from resecution at this term of court.

Straw Hats. t, nobby straw worth 50, at Sa atraw hat for m PP. K. R. J.

strike had a sobering effect on the miners and it is thought there will hardly be a repetition of such bloody work. It is said a meeting of miners will of-ficially declare the strike off.

in many instances soled in the most of feasive way toward persons who proved their innocence of any violation of law. The homes of perceful and respectable citizens have been braken open on sus-picions that frequently had no found ation in fast. Indiguities have been besped upon law-abiding people in sev-cral notable instances. "It is not to be wondered that a law which is represented by such methods of enforcement should be despised, evaded and even openly resisted."
