Mrs. Daguid-Extracts.

T. J. Turner - Baby Carriages, J. J. Disosway & Co.-Water, Water

The State University has conferred the honorary degree of Doctor of Laws upon our townsman, Hon. A. S. Seymour, an

honor worthily bestowed. Capt. W. H. Rogerson, a conductor in days on the A. & N. C. Richend, remain quite sock at his home on South From

street, near the foot of thiorge strict. Ellen White, a colored perper of un sound mind, was sent back to Ouslow county, her home yesterday, Deputy

Sheriff LaRoque in charge, Messis, John W., Duke and Jacp v. W. Wood have formed a partners up to carry on a general tinning business. They are located in the old E. M. Pacie building on Broad street. We wish the young

men success. An interesting article on those mossingular characters, the Samese twoswill be found on another page. It covers the whole period of their life-their birth and boyhood days in their native land, their wanderings when upon exhibition, and their career when they mas need and settled and died in North Carolina,

his connection with the A. & N. C. R. in the employ of which he has been the dogs and the linners. pany. The change goes into effect today. We are glad to see our young friend rising.

Mr. J. L. Hahn was in our office yesterday with good ears of early corn, six in the dakes before, for which cause the Robe is, Koch, Nunn and Clark, weeks variety. He informs us that Mr. C. Raizenstein had both corn and ripe peaches for dinner the previous lay, and that they would have had the corn two weeks ago but for the freeze. That which exciting chase, is now maturing was planted just before the freeze came and was not up then. Superior Court. The first planting was an inch or two · high and was destroyed.

Mr. L. J. Taylor has bought out the grocery stock of Messrs Perbudy & Co., who were doing business at the market dock. He was moving the stock up to his store, at Taylor's Junction yesterday. Mr. Taylor has also lately put in a refrigerator very near as large as those used by the butchers. It is seven feet high, five wide and three feet deep and is an admirable one built specially for Mr Taylor, in Baltimore, according to a plan of his own and be finds it exceedingly adapt ed to its purposes.

Rev. Robert Anderson, a superannuated colored Methodist preacher, of Sandersville, Ga., is in the city, selling his auto-hiography. The book is a cloth Evange istic Meetings. bound volume of 195 pages, and contains also some of the author's sermons. The has given New Berne an appointment, writer believes he is the first colored man His series of meetings here will begin on who ever wrote out his life at length. He informs us he was born a slave but purchased the freedom of both himself and owner allowing him to have all he could property to the amount of \$4,000 by the Lord specially blesses his people. time of the outbreak of the war.

munications to newspapers? Even if the others and desires all, when the time arthat the name of the author of anything inserted in a paper is always wanted, it would seem that ones' own judgment and Spanish Mackerel Pleatiful. reflection would cause him to realize that the name is always wanted. It is at following: least as much due to a newspaper as in correspondence sent to an individual. But it does not seem to be so realized, themselves worthy of appearing simply because the writer fulled to let himself be known. The name is not wanted necessarily for publication, but b cause the outside for some weeks and the trolling published should be has been excellent when the weather has source of everything published should be has been excellent when the weather has not made the sea too rough."
