Misses Nettie Kilpatrick and Ella Winfield who have been visiting friends at Polloksville for the last two weeks, left Friday morning on the steamer May Bell for their home in Pitt county.

Miss Annie Sanders who has been off Ty, a sister ship to the Detroit, has been definitely secured, and that it will arrive visiting at' several points in Carteret at Southport Monday. county, returned home yesterday morning.

Mr. W. E. Patterson is back from a trip up the A. & N. C. R. R on busiyeta.

Mr. John Hall, who has been spending a tew weeks away on pleasure, returned home

dapt, W. T. Jones, U. S. A. who came up from Wilmington and inspected the New Berne Division of Naval Reserves. left for Morehead last night.

Mrs. J. M. Hines, Master Hermon and Miss Helle, arrived yesterday from a visit ul Mr. J. M. Patrick, her father, at Institute.

Mr. H. M. Groves has returned from Morehead where he has been spending a short vacation from-bank duties

Mr Erank M. Harper, of Athens, Ga., arrived last night for a short visit to his biother, E. E. Harper of THE JOURNAL. Mr. Harper is immediately from "Ivey Berne," near Fayetteville, where he has been attending a Hoase Party, further mention of which is given elsewhere. Prof. James Eliakin Patrick of Institute is in the City visiting his sisters Mre Barrington and Hines.

Mr. Hugh Laucaster of Vanceboro came own Neuse fiver to New Berne in a aboe. He says that the water is running at a more rapid rate than he has ever before known A few miles were made s mply from the force of the current at the rate of a mile in 71 minutes.

being made to prevent its washing away. The great volumes of water rushing down is too swilt and turbulent for the boats. The steamer Carolina 1s still tied up, but will probably venture out very soon as the high water-mark is thought to have been reached. Timber men are profiting from the

on and com

overflow by employing all the help they can, to get out logs that could not be reached hefore for many years-some say as far back as 1867. It is cypress they are getting principally, which is now commanding a fairly good price.

Mr. W. R. Barrington tells us that the mins have made not only Streets' Ferry

Licut. Winslow, commanding the State Batalion of the Naval Reserves informs us impassible but Melson's Ferry also, which the latter was never known to be bethat the service of the cruiser, Montgomefore.

> At Grifton houses have been washed away, others under mined and water

is up inside of a great many others. The Kinston and Scotland Neck

branch is suffering from a washout so that they commenced on Thursday running trains on the A & N C Railroad ha

There have been washouts on other Railroads in the State also.

The following is an extract from a private letter received from Grifton last

night: "The water has covered almost everything-has washed away nearly all the houses on the south side of the creek and carried away the county bridge Thursday, Last night the center arch of the fine iron bridge of the Atlantic Coast Line gave way some and we think the whole bridge

will go. Crops all gone. Dead bodies were washed out of the graves at Grifton. It is pertectly awful,"

vsters planted, but would replenish upply by prolation

Such reports go to prove that oyster ulture with proper restrictions and come in the no distant future, if indeed it has not already come, that the natural beds will not be adequate to the demands of the times, Encourage syster culture but

do not let the business become a m mopoly or let the growers ruin the natural beds by the wholesde removal of oysters from them to their private grounds.

HAPPENINGS OF THE DAY.

A train wreck near Lincoln resulted a the death of seven people, five of whom were burned to death.

The Temperance Bush meeting at Purcellville, Va., was struck by a cyclone Thursday. The great tent blew down on two hundred people. One man was kill-ed instantly and about fifty others seriously mjured—some of them fatally.

Thursday morning Gen. W. O. Lewis Col. Thomas S. Kenan and Col. S. McD. Tate left Raleigh for Gettyshurg, to meet the members of the National Battle Ground commission, The makers of the positions occupied by all the North Caro-linà troops there will be located,

The Tariff deadlock continues; the Democratic conferees are still unable to agree. The situation is in no wise improved, and the feeling over it is intensi-fied. The duty on coal and free iron or is the stumbling block.

The Raleigh correspondence of the Wilmington Messenger says that the State University trustees, in session Thursday, Governor Carr presiding, elected Profes or J. C. Robertson to fill the chair of Greek until the return from Greece of Professor Eben Alexander, now Minister there. Professor Robertson is a native of Virginia, a graduate of Johns Hopkins

and a son Gen. Robertson, of Virginia who during the Civil war commanded in Confederate cavalry brigade.

The Prince of Wales has accepted Mr Gould's proposition for three match races, the best two out of three to win, over an open course for \$5,000, •The first of these races will be sailed Monday outside the Needles, over a course of thirty miles, fifteen to windward or leeward and return. Mr. Gould has also challenged the Prince for the Cape May cup, which must be sailed for, according to the conditions, within fifteen days of the receipt of the challenge. The Cape May cup was won by the Genesta her defeat by the was won by the Genesta her defeat by the Puritan. The schooner Dauntless was easily defeated: The Navahoe tried to recapture the trophy last year but failed. The British coarse in the Cape May cup rade is from the Isle of Wright, past the Needles, to Oherbourg and return, a dis-lof 122 miles.
