### Rev. J. W. Rose's Home Mission Work,

According to appointment Rev. J. W. waves. Rose addressed the congregation at the Baptist church Thursday night, making a report of his work. Usually he makes such a report every three months, but the regular order having been interrupted his report last night covered five months

During that time Mr. Rose has preached 122 sermons, an average of 24 per eight different points, and jn journeying to and fro between them he travelled 900 miles, distributed 2,230 pages of tracts and made 118 religious visits.

When Mr. Rose, under the charge of the New Berne Baptist church cutered upon this work 21 months ago there was not a church of his denomination at any at Berkelev, Va., for her annual over-of the places he is serving.
