Our Washrice crop throughout that section. In lington correspondent writes as follows

"The engineer of the Light House They are reported also as very destructive Board tells me that it is more important to have a powerful tog horn at the proto have a powerful log horn at the pro-jected Diamond Shouls Light House than Gov. Oates of Alabama will be in Ral-eigh next Tuesday to attend the meeting of the Association of Democratic clubs and deliver an address. Arrangements to be made to run special trauss from Goldsfar, the Light House Board has found only a sand bottom for the light house. They have bored is vain for a rock bot-

om.
"The iron light house will be erected on sand in twenty feet of water. It is natural to suppose that it will be quite a shaky home for the keeper and not a very attractive place during the average storm off Hatteras at night. In spite of this, there are plenty of applications on file for the position."

THE BARLOW MINSTRELS.

Reserved Seals on Sale This Morning

at Nunn & MeSorley's. Barlow Bros. Minstreis, one of the finest minstrel shows in the world, will play in the opera house, Monday night. It is seldom the case that shows of this magni-tude visit small places, and a packed house will doubtless great them. The advance sale of seats will begin at Nunn & McSorley's this morning at 9 o clock.

ROAD BUILDERS CONGRESS.

The Meeting in Charlotte-Fine Attendance-The State Getting Thoroughly Aroused-Eagerness for Better Roads,

The Chariotte News and Observer in gress in that city says that if there is one subject more than another on which North Carolina is thoroughly aroused it is road building.

Almost from time immemorial North Carolina's name in the language of the slang of the day, has been "mud," but she the Asheville Citizen that the number of no longer deserves the represe's

A movement born of det a a ned spirit to increase the commercial and social interests of the State by the making and maintaining of good roads, is sweeping over the State, carry as with it zeal and helpful ardor not only of the farmer, but the merchants and business men of all classes. The benefit of good roads cannot be over-estimated in the promotion of the progenitor of gool road making in reducing the Compana's record by 2 this State, awoke to many years ago, and hours and 22 minutes. the outcome of her awakening was the oad building.

From far and near she is regarded as an nay well look and learn.

With the object in view of bringing about better roads in North Carolina, the North Carolina State Road Association was organized. The first meeting was held in Raleigh last October, where Dr. R. J. Brevard, mayor of the city of Char lotte, was elected president, and J. A. Holmes, of Orange, State Geolist, secre-

During the summer three district conventions have been held; one at Raleigh, one at C'apel Hill, and another at Asheone at Capel Hill, and another at Aske-ville. The meeting now in session in mouth but the doctors think it can be Charlotte is the second annual meeting of taken out in a day or two. the association.

The second meeting of the association was appointed to be held in Charlotte September 12 and 13th, and pursuant

Addresses were made, some papers read, Addresses were made, some papers read, which concludes as follows: "And hereand an inspection of some of the roads after it shall be unlawful to issue any made during the day.

HISTORY OF MECKLENBURG ROAD LAW. At the evening session Congressman S. B. Alexander stated before the conven-tion the history of the Mecklenburg road

He told of the first movement which oradually crystalized into what is known The House, he said, seemed observables dogs and cats which had been into. The September for the purpose it has been that Mecklenburg should not have good cat bit two children. There is no sign of ion relative to change the polling place in roads, for fear the contagion would spread over the State. Capt. Alexander stood by hard to tell what the result will be as it. Berne, and a new registration of the voters are the fear of the contagion of the voters. the movement though, and in the face of strong opposition fought the matter through, being assisted by Capt. W. E. Ardrey and other Representatives. "That bill," said Capt. Alexander, "was not States Senator were labled, it having Cherokee, Buncombe or any other county it fills the bill for the sandy counties and for the mountainous ones. The bill is a local one. It works the roads by townships. Each county can regulate the amount of tax to suit itself. Some counties are discovered to the precedent in that county for several years for the conventions to adopt no resolutions of instructions to candidates, it also being well known that the legislative ticket was composed of strong Jarvis men who would yote for him without instructions to that effect.

Johnson's Aromatic Compound Liver Oil is the greatest remedy years for the conventions to adopt no resolutions of instructions to candidates, it also being well known that the legislative ticket was composed of strong Jarvis men who would yote for him without instructions to that effect. ties can keep up the roads cheaper than

cent system of to-day. We have gotten

Capt. Ardrey read a paper on "What Have Our Good Roads Done for the Far-mers of Mecklenburg County" and showed that the good roads had made marketing operations and other travel so much easier for the farmer and had so enhanced the value of real estate and the pleasures of country life that former strong opponents of the system have became the most ardent supporters of its measures and those to whom the improvements have not yet extended are claineding for them and bringing such pressure to bear that ways are to be devised to increase the work.

Figurer relating to the cost were given by city engineer Butler.

The Congress meets next year in Raisiely. the value of real estate and the pleasures

Keep Off the Academy Green,

Keep Off the Academy Green.

Entron Journal:—There are some four or five boys who seem to have nothing to do but pry in and around the campus of the schools on the "Academy Green" which proves a great annoyance and hindrance to the good order of the schools. Their influence is permicious to say the least, It they had any refined sensibilities they would have been insuited by being actually driven off the grounds several times by the Principal. They should know that they are violating one of our statutes, and are liable to a fine of \$50.00 in the courts.

We are trying to benefit the children of our schools mentally and morally, and physically and we do not expect to be limited in the work by outside loafies and vandals who have no business whatever at the schools but to its around the grounds and influence for the wrong. We know not correspond to the court of the work in the grounds and influence for the wrong. We know not correspond to the work of the wrong. We know no the grounds and influence for the wrong.
