The Editor of the "Herald" writes to me a fine...

NEW YORK, Oct. 1.—Capt. Corbett, with Bob Fitzsimmons, Arthur...

"Will you cover Fitzsimmons' money?" Brady was asked, after a long and heated argument.

"No," he shouted. "Will you cover O'Donnell's money?" Fitzsimmons was asked...

The Democratic Bolt in New York. NEW YORK, Oct. 1.—A conference was held this afternoon in the office of Charles S. Fairchild...

Danlow County Correspondence. We had a fine picnic at Oak Grove school house Friday...

That day was also the last one of Mr. O. J. Benders' school. He has done good work since he has been teaching at Oak Grove school house.

We also had the pleasure of hearing to a "Jim Dandy" speech from one of Onslow's smartest men, Mr. W. W. Thompson...

Mr. F. D. Koonce gave birth to the third party here and I think he will now soon give birth to a fourth party, know-nothing party...

Vanceboro Correspondence. The weather has been very disagreeable for the past week...

Otton picking is in full progress, "but oh—the prices." 5 and 6. Can the farmers pay their guano bills at such prices? I answer no.

Misses Lela Lancaster and Rosa Lancaster, who have been spending the summer with relatives in the Maple-Cypress section returned Saturday. They are jolly young girls.

Mr. E. A. Lancaster of Maple-Cypress passed through our village Friday. Drummers have been scarce as "heads-tooth" here, this season, guess they consider the "hard times."

Mr. Willie Beck has recently moved from here to Beaufort, N. C. Rev. N. L. Seabolt preached here Saturday and Sunday, but owing to the exceedingly bad weather, the congregation was small.

HAVANA, October 1.—The terrific storm which raged throughout the island of Cuba from early in the evening of September 23rd until the following night destroyed forty-seven houses in Santa Cruz Del Bar. A pier there was also wrecked.

One Hundred and Six Moonshiners Arrested.

THE SCHOOL BOY

—is often a sufferer from headache. The seat of sick headache is not in the brain, for if you regulate the stomach and bowels you'll cure it. Too much brain-work and brain-heat brings on a rush of blood to the head with headache, dizziness or "nose bleed."

Shiloh's Catarrh Remedy. A marvelous cure for Catarrh, Diphtheria, Canker mouth, and Headache. With each bottle there is an ingenious nasal Injector for the more successful treatment of these complaints without extra charge.

Prompt Settlement. Mr. E. B. Cox, who recently died at Newbern, N. C., had a policy of insurance in the Connecticut Mutual Life Insurance Co., of Hartford for \$10,000. In less than ten days after proof of loss was received, Mr. William H. Oliver, agent of the company at Newbern paid the family of Mr. Cox ten thousand two hundred and sixty-two 70-100 dollars. The \$262 70-100 being a mortality dividend or the insurance interest in the accumulated surplus.

Cost of the Policy.—This policy had been in force 27 years, the premium on it was \$281. age 37 years. 280 x 27 = \$75.67.00 Each and every year a dividend was paid, which amounted to 2759.70

Which reduced the amount paid, to \$487.80 Being \$178.90 per annum on \$10,000, or \$17.87 per annum on \$1,000. The dividends paid by the Connecticut Mutual are larger than those paid by any other insurance company. Consequently the same amount of insurance can be obtained for less money than from any other company as shown by above statement.
