COTTON SALES.

Thursday—27 bales, 5 @ 5.674.

Rev. J. T. Lyon will conduct the services in the Presbyterian church to-night. All are cordially invited.

The infant child of Mr. W. T. Hill died yesterday afternoon. The funeral will be held from the residence of the parents this afternoon at four o'clock.

Mrs. D. H. Stallings, wife of the sexton of Cedar Grove Cemetery, died yesterday. She was a member of the Knights of Harmony and is the first lady member they have lost.

The monument to the Connecticut soldiers buried in the National cemetery arrived yesterday and at one o'clock was started from the E. C. D. dock to the cemetery.

Would it not be a good thing for the Fair Association to make an effort to get one or more celebrated speakers to more than State reputation to attend our next exhibition. Gordon, Hampton or Stevenson would be a strong card indeed.

Mr. W. H. Cohen saw a man on Mr. M. Blumgardt's back porch Wednesday night and called out to Mr. Blumgardt that a burglar was about. Mr. Blumgardt got alarmed and the burglar got away.

Rev. D. A. Brindle who has been called to the pastorate of the Church of Christ in New Bern, has arrived and conducted prayer meeting last night. Mr. Brindle is a native of Forsyth county but for the last few years has been laboring in Virginia. He comes highly endorsed.

A good many of our citizens are putting in their coal and having their heating stoves put up this early. A wise move. Do not wait till a cold snap has to remind you of the importance of such, and then roundly abuse the stove man because he can't wait on everybody at the same time.

A colored Union Camp-meeting will be held in LaGrange, Sunday 14th inst. There will be an excursion train to that Morehead city at a fare of \$1.00 for the round trip from Morehead city, and 75 cents from New Bern. The train leaves Morehead city at 6.40 a. m., New Bern, 8.30 a. m. It starts back at 7.30 p. m. There will be a special car for white people.

Yesterday Mr. L. Dillahun of Jones county, purchased the valuable plantation at Port Barnwell, formerly owned by Maj. A. Gordon and known as Egypt plantation. The plantation has 1280 acres, 800 cleared. Mr. Dillahun proposes to move over to the plantation at an early date and place tenants on it but have the oversight of everything himself.

We have been requested by some of the members of Christ Church to call attention to persons in the habit of congregating at the church entrance at night and spitting tobacco on the property and otherwise making themselves objectionable. While no doubt it is done by thoughtless boys, they should desist from both, the bad habit of gathering at such places for amusement, and the marring in any way the looks of the building and the grounds.

To Fix the Fair Dates.

To-night the Directors of the East Carolina Fair will hold a meeting to decide upon the date for holding the next exhibition and to transact such other business as may come before the meeting. Then as the list of Agricultural Fairs of the State is given in the various newspapers our Fair will also have a portion. Every Director should be present to aid by his counsel in forming the plans for the next exhibition from the foundation up.

Methodist Society Meetings.

The regular monthly meeting of the Woman's Foreign Missionary Society of Centenary M. E. Church will be held this afternoon at 4 o'clock at the residence of Mrs. K. R. Jones.

The Bright Jewel Society will hold their regular meeting to-morrow afternoon at the same hour in the infant class room.

Capt. Galloway's Career Appointment.

Capt. Swift Galloway, candidate from this district for the State Senate is in the city at Hotel Albert. He will go up to Greene county to-day and then down to Carteret county next week. His appointments in Carteret are as follows: Cape Lookout, Friday Oct. 12, at 1 p. m.; Straits on the night of the 12th; Davisboro, Saturday 13th, at 12 m.; Smyrna that night; Harlowe Monday, Oct. 15th; Sanders store Tuesday, Oct. 16th; Hull Swamp Wednesday, Oct. 17th.

Rev. R. P. Hill of Snow Hill is making a short visit to his son Mr. John Hill. He is enroute to Pamlico county where he will for a few weeks engage in religious services in several churches.

Mrs. W. S. Willett who has been in Philadelphia during the summer, arrived to visit her father Dr. Jno. S. Long. Miss Kathleen Bryan arrived from Fayetteville accompanied by her niece, Miss Fannie Bryan Broadfoot.

A Stable Foundation for Haveras Light

Advisers from Washington says that the recent heavy storm on the Atlantic coast demonstrated the gratifying fact that a stable bottom has been found off Diamond shoals, Cape Hatteras, N. C.

Some time ago on boring made by the light house board of the treasury, temporary pilings were driven down at that point. The recent storm did not budge them, and if such temporary work can withstand such a furious storm, the belief is entertained that permanent piles will remain secure, by means of which a solid foundation can be made upon which to erect a light house, which is so badly needed on this dangerous coast.

Steamer Trent Sold

The steamer Trent has changed owners. On Wednesday the 3d inst. the trade was perfected. M. H. Sultan purchased from the former owners, "The Farmer's Transportation Company," L. H. Cutler, President, and Capt. Dan'l Roberts, Sec'y and Treasurer.

Mr. Sultan intends to run the Trent on a regular schedule and will also seek to make the run of his steamer a mail route between New Bern at the one end and Smith's Creek and Adam's Creek on the other.

Mr. Sultan left with a party of his friends yesterday to visit all points at which the boat will touch preliminary to making the schedule on which she is to run. They will return to-day, and the steamer will then be hauled up on Meadow's marine railways for about ten days or two weeks to be put in perfect order and upon coming off the ways she will commence her regular run. Mr. Sultan has named this the Neuse and Bay river line.

Those composing the party taking the first trip on the Trent under the new management are: the owner, Mr. M. H. Sultan, and Messrs. M. V. Meroney, F. L. Perry, Sol Cohen and C. J. Schoelky.

Capt. H. H. Dowdee is still in charge. We hope to see the Neuse and Bay River Line do a flourishing business and all the plans of the owner consummated.

Card of Thanks.

Our sincere thanks are tendered to the fireman and citizens who so kindly assisted in extinguishing the fire of Monday night at our store.

Will Hill Decline?

It was reported in Itasca on the 3rd, that a Democratic politician there had received a dispatch saying that Senator Hill had decided to decline the nomination for Governor. Senator Hill was seen at the Hotel Normandie and asked if there was any truth in the report. He answered: "I have absolutely nothing to say."

Against Sunday Liquor Selling and Late Hours.

Why is it that we never hear of any cases in the Mayor's court for violation of the city ordinance against the selling of liquor on the sabbath day? Does any one believe the ordinance is not violated? If so we think a careful stroll over our streets almost any sabbath with eyes open to observe and detect every man who showed signs of having partaken of intoxicating drinks would suffice to convince that such drinks are obtained somewhere, and if any barroom does sell on the sabbath the present law against it is so direct that it does seem to us the violators could be discovered, convicted and not only the fine enforced but their licenses taken away from them—for if a man is a deliberate and wilful violator of the law as he would have to be violating such a law as this he would hardly be able to pass the requirements of the good, moral character which is required to be shown before a man can obtain liquor license.

Under an old ordinance which simply forbids the selling on the sabbath, the plea was that proof could not be obtained, because no matter how much selling was done when no officer was about, it would not be done when he was. Under the present ordinance this excuse will no longer avail, for the ordinance now in operation forbids the entrance into a barroom on the sabbath of any one except the proprietor or clerk and makes the finding of any door open or seeing any one except the clerk or proprietor enter or leave sufficient to work a conviction. We copy the ordinance in full:

"It shall be unlawful for any saloon or place of business where intoxicating liquors are sold or any other place where merchandise is sold (except drug-stores and ice-houses) to be opened on Sunday, for the admission of any person other than the proprietor or clerk thereof, and if such proprietor or clerk, or any one in control of such place shall allow any one to enter other than the proprietor or clerk or if any way connecting with such place shall be found open, and persons seen passing in or out, it shall be deemed a nuisance, and upon conviction, the proprietor or the one in control of such place shall be fined ten dollars for every offence.

The desire to see Sunday selling of intoxicants suppressed is not confined to religious people or to opposers of barrooms, some of the barroom keepers themselves favor it; we have had more than one strongly request us to agitate the subject until suppression of the evil results.

The ordinance could with ease and propriety be extended so as to forbid not only Sunday selling, but the keeping of barrooms open at late hours. One of the barroom keepers of the city only yesterday expressed himself in strong language as to upon this subject, and made no hesitation in speaking of the aggravated evils that arise from allowing the barrooms to keep such hours. He says that Baltimore and some other large cities require such places to be closed by 11 o'clock at night and he argues that if the law can be enforced in those cities it can be in New Bern.

We believe this added provision would be a wise one, promotive of good, that it would be sanctioned by nearly all our citizens including a portion of the liquor sellers themselves. But whether we have this additional feature added to the ordinance or not let us at least have the rigid enforcement of whatever ordinances are in existence for the regulation of this traffic and all other ordinances.

F. E. Hege & Co.

Mr. Frank Hege of Salem, the noted poultry fancier and pet animal breeder who is on the eve of moving to New Bern to join forces with our townsman, Mr. Wm. Dunn in his business, announces that he will, on the 20th of this month, give the people of his present home their last opportunity of viewing his stock before making the removal. He will have in that exhibit all the birds from the home yard and the farm at New Bern which he and Mr. Dunn will show at the State Fair in Raleigh, on Oct. 23d and at Macon, Ga., Nov. 1st, which includes wonderful gold, silver and Lady Amherst pheasants pronounced the most beautiful birds in the world and 25 to 40 pound mammoth Bronze turkeys and stock of like excellence in all the lines he handles which is very comprehensive.

A warm welcome is extended to Mr. Hege. All our people are glad to see him come. He is an expert in his business and in Mr. Dunn he has an able partner. He is not as large a truck farmer as some others around us, but he is one of the best and also has sound and progressive ideas along the special work in which he and Mr. Hege are partners. We expect that Mr. Dunn is the only man in North Carolina who invested in World's Fair Prize poultry. The firm is an excellent and enterprising one. We wish them abundant success, and believe they will achieve it.

A Terribly Stricken City—The Worst Reports Confirmed—Death and Pain—Loss—\$1,000,000.

As reports from the Arkansas cyclone became fuller they seem to become worse. The entire South half of the State in some Asylum was razed to the ground; one of the physicians and several patients were buried beneath the ruins. About twenty of the inmates have not been discovered or accounted for, two at least were killed, numbers were seriously injured; some are at large. About twenty people of the city were fatally injured.

WILMINGTON DRIVING CLUB.

It Takes a Turn Towards the Organization of a Fair Association.

The gentlemen interested in the organization of a driving club met again last night at the city hall.

Mr. R. E. Clowe was called to the chair, and Mr. S. J. Springer acted as secretary. The committee appointed to look after grounds for a track reported progress and asked for further time.

On motion of Mr. J. C. Loder, Messrs. Herbert McManis, S. W. Santer, H. A. Whiting and Louis Skinner were added to the executive committee, and that committee was authorized to confer with those interested in a previous effort to organize a fair association with a view to organize upon the plans then formulated.

On motion, Mr. P. Heinsberger, Jr. was appointed a committee of one to confer with the Carolina Cycle club for the purpose of ascertaining if they would take stock with the understanding that they could use the track to be constructed on a bicycle track inside the track of the associations.

Between \$700 and \$800 in stock has already been subscribed and it was decided to get a charter for the association.

The meeting adjourned until Monday night at 8 o'clock. Wm. Messenger, Oct. 4th.

"Words of others" tell the story.

A gentleman said to us a few days ago that the shoes he had on were bought of his last October and he had only had them half soled once. The shoes cost him \$5.00 to begin with, one half sole \$1.25. Total cost \$6.25, only about 52 cents per month for shoe leather.

What was the secret of this moderate cost to him? Only this, he bought the Old Reliable Stacy Adams & Co's. Price \$2.00 to \$5.00. Full line of Underwear.

GEORGIA'S ELECTION.

Democrats Win But Populists Make Big Gains.

The Georgia election resulted in a victory for the Democrats but by a greatly diminished majority. The majority may show as low as 20,000 when complete returns are in, though estimates run as high as forty thousand.

The Populists make big gains. The Democrats hold the legislature and will elect their United States Senator but the Populists will have about forty members—they have been having only fifteen. The Democratic majority two years ago was 71,000.

The districts represented by the free silver Democrats have furnished the Populist gains while the districts represented by what they term the sound money men, have given the usual, if not increased, majorities.

Dissatisfaction among the Methodists and old soldiers with the Democratic nominee for Governor, and the almost solid vote of the negroes against the Democrats, are definite causes for the slump.
