NEW BERN'S REPLY.

New Bern Accepts the Evidence and Many Journal Readers Will Profit by It.

Which is the more weighty proof—a few words from a New Bern resident, whom we know and respect, or volumes from strangers in distant towns? There can be only one reply.

Mrs. C. Pennington, 27 East Front St., New Bern, N. C., says: "I suffered intensely from backache, and sharp, shooting pains across my loins. Often I was so lame that I could hardly straighten after stooping. I knew that my kidneys were disordered for the secretions were very unnatural. I used just one box of Doan's Kidney Pills that I got from the Bradham Drug Co., and this was sufficient to remove my aches and pains. Doan's Kidney Pills have been of greater benefit to me than any other kidney medicine I have ever taken." (Statement given January 24 1908.)

THE BENEFIT LASTED

Mrs. Pennington was interviewed recently and she said: "I can still recommend Doan's Kidney Pills, for they gave me permanent relief. You may continue to publish my former endorsement of this remedy."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Really, however, Colonel Roosevelt hasn't much use for the courts, except when he has use for them.

TAKE PLENTY OF TIME TO EAT

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers. (Adv.)

The end-seat hog is simply a victim of opportunity.

STOMACH TROUBLE.

Many remarkable cures of stomach troubles have been effected by Chamberlain's Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. For sale by all dealers. (Adv.)

President Wilson's canned speeches are better than the fresh ones of most other statesmen.

SORE NIPPLES.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by all dealers. (Adv.)

Says the Kodak 'coon to the Government: "Don't snapshot; I'll come down."

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY

Every family without exception should keep this preparation at hand during the hot weather of the summer months. Chamberlain's Colic, Cholera and Diarrhoea Remedy is worth many times its cost when needed and is almost certain to be needed before the summer is over. It has no superior for the purposes for which it is intended. Buy it now. For sale by all dealers. (Adv.)

Our new Ambassador to Britain being six feet tall, the English see more in one Page than in a whole Eliot library.

CAN'T KEEP IT SECRET.

The splendid work of Chamberlain's Tablets is daily becoming more widely known. No such grand remedy for stomach and liver troubles has ever been known. Sold by all dealers. (Adv.)

Governor Eberhart says it was a great victory for Minnesota; but Bob La Follette regards it as a mere Wisconsin overflow.

SHAKE OFF YOUR RHEUMATISM.

Now is the time to get rid of your rheumatism. Try a twenty-five cent bottle of Chamberlain's Liniment and see how quickly your rheumatic pains disappear. Sold by all dealers. (Adv.)

ELECTRO MAGNET TO RAIN CHEST

GOLD INGOTS TOO DEEP IN BAY FOR DIVERS TO REACH DOWN.

San Francisco, June 16—Having located what he believes to be the iron chest which contains \$65,000 in gold ingots at the bottom of the bay off Angel Island, Capt. T. P. H. White, whose fame is known in the seaports of the world, will attempt to recover the fortune by means of an electro-magnet.

The safe as dumped from the hold of the steamer H. J. Corcoran, which was rammed and tunred turtle after colliding with the steamer Seminole in a dense fog four months ago.

After repeated efforts Capt. White-law now believes he has located the treasure box, but owing to the depth of the water he has been unable to send a diver down to make a line-fast so that the safe might be raised to the surface.

Electro-magnets have often been used in the salvage of specie, but not on this cost.

An attempt is now being made with an electro-magnet to raise \$6,035,000 in gold and silver bars that were lost when the British frigate Lutine went down on the night of Oct. 10, 1799, off the coast of Holland.
