THE STATE PRESS

The fact that there are 7,500 automobiles in the State leads The Reidsville Review to remark that the people of the State have a fortune invested in automobiles. It is anticipated that an additional 1,000 cars will be registered before August 1, and estimating the cost at \$1,000 each, The Review announces a total of \$8,500,000 in gasoline buggies.

The fact that towns everywhere in the country are taking greater interest in matters concerning health and that yearly death rates are being decreased not only shows the advance civilization, but the onward march of Christianity. It is nothing short of sinful for people to be blinded, through custom, recklessness or prejudice, to the importance, the necessity of protecting health.

Under the Webb law regulating liquor shipments is apparently simple enough, it seems most of all for the public to understand it. It has been pointed out that the law imposes no penalty for its violation and this has caused many people to think it is null and void; and the fact that the Attorney General has given notice that the law is not to be enforced by the Federal judiciary will probably strengthen this view.

It's a question which is the worst condition—to want a thing and not have it, or to have a thing and not want it.

In either case the answer is—read and use the want ads.

MOST CHILDREN HAVE WORMS.

Many mothers think their children are suffering from indigestion, headache, nervousness weakness costiveness, when they are victims of that most common of all children's ailments—worms. Peevish ill-tempered, fretful children, who toss and grind their teeth, with bad breath and colicky pains, have all the symptoms of having worms, and should be given Kickapoo Worm Killer, a pleasant candy lozenge, which expels worms, regulates the bowels, tones up the system, and makes children well and happy.

NEW BERN'S REPLY.

New Bern Accepts the Evidence and Many Journal Readers Will Profit by It.

Which is the more weighty proof—a few words from a New Bern resident, whom we know and respect, or voluminous from strangers in distant towns? There can be only one reply.

Mrs. C. Pennington, 27 East Front St., New Bern, N. C., says: "I suffered intensely from backache, and sharp, shooting pains across my joints. Often I was so lame that I could hardly straighten after stooping. I knew that my kidneys were disordered for the symptoms were very unnatural. I used just one box of Doan's Kidney Pills that I got from the Bradham Drug Co., and this was sufficient to remove my aches and pains. Doan's Kidney Pills have been of greater benefit to me than any other kidney medicine I have ever taken." (Statement given January 24 1908.)

THE BENEFIT LASTED

Mrs. Pennington was interviewed recently and she said: "I can still recommend Doan's Kidney Pills, for they gave me permanent relief. You may continue to publish my former endorsement of this remedy."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

TAKE PLENTY OF TIME TO EAT

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers. (Adv.)

A woman married to a "good fellow" usually has a bad time of it.

STOMACH TROUBLE.

Many remarkable cures of stomach troubles have been effected by Chamberlain's Tablets. One man who had spent over two thousand dollars for medicine and treatment was cured by a few boxes of these tablets. Price, 25 cents. For sale by all dealers. (Adv.)

The rank and file will never understand why currency and tariff are more important than the pig and plum.

SORE NIPPLES.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by all dealers. (Adv.)

It must be said, however, of Secretary "Joe" Tumulty that he was one man who got his job before becoming an L.L.D.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY

Every family without exception should keep this preparation at hand during the hot weather of the summer months. Chamberlain's Colic, Cholera and Diarrhoea Remedy is worth many times its cost when needed and is almost certain to be needed before the summer is over. It has no superior for the purposes for which it is intended. Buy it now. For sale by all dealers. (Adv.)

The McNab incident should serve to notify the administration that political opponents in office are not always helpful.

CAN'T KEEP IT SECRET.

The splendid work of Chamberlain's Tablets is daily becoming more widely known. No such grand remedy for stomach and liver troubles has ever been known. Sold by all dealers. (Adv.)

SHAKE OFF YOUR RHEUMATISM.

Now is the time to get rid of your rheumatism. Try a twenty-five cent bottle of Chamberlain's Liniment and see how quickly your rheumatic pains disappear. Sold by all dealers. (Adv.)
