

PERMANENT SAVING.

Once you have opened a savings account, you should add to it with the same regularity that you draw your salary. Do not wait until you have used all of the money that you think you require from your income, but come into the bank and deposit a stated portion as soon as you get your money. That is the surest way to provide for the future.

GHEENT PARK MONDAY NIGHT

Monday night offers the public of New Bern an opportunity of seeing 6,000 feet of films, 6 reels at a cost unheard of—absolutely free. The Atlantic Co. will receive a per centage on the refreshments and from the traffic on the car line, but the pictures are free to every one who travels via the c. r. route. Pedestrians and those who come in automobiles will be charged 5 cents each.

In addition to the pictures, a mammoth balloon, 14 feet high and 26 feet in circumference, with a grand display of fireworks has been ordered, and it is expected here for Monday night.

Cast your eye on this picture program, that speaks "classy" in every detail.

"Her Masked Beauty."
A two reel feature by Pathe.

"Disciplining Daisy."
A Vitagraph subject, featuring Dorothy Kelly and Wallie Van.

"An Erring Son's Awakening."
A strong drama that every young man should see.

"Light and Shadows Of Old Kentucky."
Depicting scenes of the famous Blue Grass State.

"The Painter and Paasant."
Another good drama, with touching scenes.

If you want to see good pictures, be with the crowd—you know where to go—Ghent Park.

Crimson Clover

The King of Soil Improvers, also makes splendid fall, winter and spring grazing, the earliest green food, or a good hay crop.

CRIMSON CLOVER will increase the productivity of the land more than twenty times as much as the same amount spent in commercial fertilizers. Can be sown by itself or at the last working of corn, cotton or other cultivated crops.

We are headquarters for
Crimson Clover, Alfalfa, Winter Vetch, and all Farm Seeds.

Write for prices and Descriptive Fall Catalog, giving information about all seeds for fall sowing.
