

## LOOK YEARS YOUNGER! GRAY HAIR DARKENED BEAUTIFULLY WITH SAGE.

Wash Sage and Sulphur Will Stop Falling Hair and Cure Dandruff.

Chamom garden sage brewed into a heavy tea with sulphur and alcohol added, then left to age and carefully filtered will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggy and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and

Sulphur Hair Remedy," thus avoiding a lot of fuss. Some druggists make their own, but it isn't nearly so nice as "Wyeth's."

While wispy, gray, faded hair is not infallible, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur so one can tell, because it does it so naturally, so evenly. You justampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. Do this tonight and by morning all gray hairs have disappeared, after another application or two it will be restored to its natural color and be even more glossy, soft and luxuriant than ever.

Local druggists say they are selling lots of "Wyeth's Sage and Sulphur" and it surely helps folks appear years younger.

## OPPOSE WOMAN ON COMMISSION

MIGHT BE GUIDED BY SENTIMENTAL CONDITIONS IT US FEARED.

Washington, Aug. 5.—The confirma-

tion of the members of the Industrial Commission named by the President some weeks ago has been unusually delayed, and a story is going the rounds as to the reasons why.

This report, which is vouched for by persons in authority, concerns the failure of Senator Hoke Smith, of Georgia, to land his candidate on the new commission and deals with another matter that will probably arouse all

the suffragettes in the United States.

It is learned that there is great opposition among many manufacturers against the appointment of Mrs. J. Borden Harrison as a member of the commission. Although Mrs. Harrison has been distinguished in sociological and industrial research for years, she is being opposed on the ground that she is a woman and likely to be sentimental instead of practical when it comes to handling industrial problems. This is ascribed as one reason for the delay.

Another reason rests with Senator Smith, who is chairman of the committee which has the confirmation in charge. When the President was first empowered by Congress to appoint an Industrial Commission the then Chief Executive, Mr. Taft, named Charles S. Barrett, of Georgia, president of the Farmer's Union, as a member. Although Senator Smith urged his name upon President Wilson when the Senate having failed to confirm the Taft nominee the duty of appointing a new commission devolved upon Mr. Wilson, but the President did not appoint Mr. Barrett. Senator Smith is said to resent this.

### A FEW POINTS IN FAVOR OF THE PITTSBURG VISIBLE TYPE-WRITER.

There is not the least doubt but that THE PITTSBURG VISIBLE TYPEWRITER is the best low priced machine on the market today. It is durable, attractive and light. Its simplicity is marvelous. There are no complicated parts to get out of order. It is like an open book. If something clogs, you have only to make a few turns with a screw driver, remove the part causing the trouble, clean it off, replace and go ahead. It is the only machine in the world on which the set of type and type bars can be taken apart from the machine in less than ten seconds. This feature alone is worth many dollars as a time saver. It is the only machine now on the market with which twenty legible typewritten copies can be made at one writing. The ribbon control is automatic, the color change is simple and convenient, the back spacer and tabulating key are within an inch of the operator's hands when using the machine. The type are held in a symmetrical row in front of the operator and are easily cleaned. Strong plane steel wire control the type bars and it is impossible for these to break. The machine is so constructed that the lightest touch or the vigorous pound used in heavy work will have the same effect on the mechanism.

Call at the office, the E. J. Land Printing Company and take a look at this wonderful machine. Price \$65.00 on the cash payment plan.
