Miss Julia Olivia Weskett and Mr. Sumuel M'Campen Take The Marriage Voaws.

CONGREGATION FILLS CHURCH

Following the Ceremony and Congratulations, Couple Left On A Wedding Journey.

(Special to the Journal.)

Bayboro, N. C., Aug. 28.—A very pretty wedding was celebrated in the Methodist church here yesterday morning at 7:30 o'clock when the marriage wows were taken by Miss Julia Olivia Weskett and Mr. Samuel M. Canpen.

The church presented a beautiful scene, being handsomely and most tastefully decorated in ferns, roses and potted plants. It was crowded with the friends of the popular young couple.

While the congregation awaited the arrival of the bridal party, Miss Helen Farnell at the piano rendered Nevin's "Venetian Love Song." Then, to the strains of the Bridal chorus from Lohengrin the bridal party entered the church in the following order:

Miss Bethany Campen, of Washington, and Miss Sina Campen, of Bayboro.

Miss Mary Cowell, of Washington

Miss Mary Cowell, of Washington and Miss Luna Fulford, of Norfolk.

Miss Sybil Gates of Manteo, and Miss Sima Hooker, of Alliance.

Mesars. J. S. Weskett and E. M. Rice, the ushers.

Misses Wilhelmia Rhein and Fanny

Misses Wilhelmina Rhein and Fanny Sawyer, flower girls.

Next came the bride and groom and with the bridal party grouped impressively around the chancel, the minister, Rev. F. S. Becton, began the solemn ceremony which made the two one. Miss Farnell rendered. "Traumerei" softly and skilfully during the ceremony and Mendelsohn's wedding march as the recessional. The bride and groom, after receiving the felicitations of many friends left for a Northern wedding journey.

The bride wore a becoming suit of tan ponge. Her hat was also of tan and trimmed with blue. She carried a bouquet of white asters and ferns. Her attendants were dressed in white, with white hats trimmed with French feathers.

The bride is a very popular and at-

for sterling worth.

Among the out-of-town people here for the wedding were: Mrs. Anna Towle of Norfolk; Mrs. Minnie Daniel Daniel Company of A Flawors of of New Bern; Mrs. C. A: Flowers, of Columbia; Mrs. J. H. Harrell, of New Bern; Mrs. A. J. Flowers, of Maribel. Miss Love Eastwood, of Alliance; Miss Sunie Bell Jones, of Beaufort.

## HEAR DR. CARTER TO-NIGHT

It is an unusual sort of person who does not like to see a really hig man so just out of cariosity there eaght to be a large attendance at the court house tonight when Dr. Carter, the government malaria expert will make an address. According to the local doctor friends of Dr. Carter, and they ought to to know, he had a great deal to do with the building of the Panama Canal for it could not have been built if by perfect sanitation, with the introduction of which Dr. Carterhad much to do, the country uad not been freed from the disease which had previously made work on a big scale practically impossible. It is worth something to hear and see a man of large achievement. Besides, the speaker tonight will bring a message that will be of practical benefit to his hearers. There ought by all means to be a large attendance. It is an unusual sort of per

CRAFTY NEGRO ATTEMPTS TO FLEECE VISITOR WITH AN OLD TRICK.

A Swansboro man came to New Bern yesterday to attend to some business matters and incidentally to see the sights. Concluding his business late yesterday afternoon he felt in need of some stimulants to assist him in en-

some stimulants to assist him in enjoying the evening.

New Bern is a "dry" town and the visitor knew that he would have a hard time finding any alcoholic beverage within the city limits. However, he sallied forth and soon ran up with Amos Credle, colored. Amos told the visitor that getting a quart of whiskey was one of the easiest things imaginable, but that it would necessitate a trip to James City. This was agreeable to the latter, and after securing a hack they set out for that place.

Arriving in James City a bottle filled with some liquid, supposed to be liquor, was secured. Upon sampling the contents of the bottle the Swansboro man discovered that it was nothing more than sweetened water. He at once asked that his money be returned but Cradle said that he did He at once asked that his money be returned, but Credle said that he did not have it. Upon returning to this city Credle was placed under arrest and taken to the City Hall, but the affair took place outside of the city limits and was not in the jurisdiction of the city authorities.

TWO SPECIMENS LEAVE NEW BERN ENROUTE TO WHITE-VILLE, N. C.

Two live alligators which were a few days ago presented to B. B. Davennor of this city by William Brinson of Arapahoe, constituted a part of the parcel post mail which left the city yesterday morning, being consigned to a gentleman at Whiteville, N. C. to whom they had seen sold.

The 'gators were very young, being not more than twelve inches in length but regardless of their extreme youth they were not lacking in activity and the clerks in the postoffice soon learned that the co tents of the package in

which they were enclosed.

This is not the first time alligators have been handled by the clerks in the local postoffice. Soon after the new parcel post system went into effect a gator more than two feet in length made a short stop here in being transferred from some inland tow; to a consignee in a Northern city. Anway the clerks in the local postoffice have become accustomed to handling packages containing many strange objects and it is a hard matter to fease them.

Washington, Aug. 28.—"It was a powerful message, evening as it did a new chapter ia our foreign relations. Behind the President in his dealings with Mexico are the people and the Congress of the United States, as well as the governments of the world."

This was the comment of Senator Elihu Root, of New Oork, former Secretary of State and the undispute leader of the Senate Republicans, upon the Mexican message which Woodrow Wilson went to the Capitol and Washington, Aug. 28 .- "It was a pow

Cr. Carter, Of Public Health Service Will Deliver Lecture At The Court House.

ALL ARE URGED TO ATTEND interested in the Association.

Public Assured That Address Will Be Of Popular Nature. Not Dull And Technical.

Dr. H. R. Carter, the Government xpert who is in the city to make an the nvestigation into the breeding places of the malarial mosquito, will make a public address at the court house tonight commencing at eight o'clock. The public is assured that Dr. Carter's lecture will not be of the dull, formal stereotyped variety, but will be of a popular nature, spicy and interesting There will be for one thing an ele-

ment of doubt in the substance of the lecture as not until tonight will Dr. Carter make known his conclusions as to how New Bern stands in the war on the mosquito. It is said that at one town where he spoke he said ue was surprised that any one would lixe there. Whether he will say something like that about New Bera remains to

be seen.

He was busy yesterday isolating the mosquitos in the various lairs. In vain were he and his coRpanion in the isolating interrogated as to where the mosquitos that make life more or less miserable, come from. The doctor is saving that and much

additional information for tonight. There was one discovery that he made however, that it will be no breach of onfidence to relate. And that was that New Bern comes nearer to being a flyless town than any he has seen in (This probably accounts for the fact that the warfare on the fly waged by the City Beautiful Club some weeks ago was productive of so few fly deaths and casually; there were no flies to kill, or at least not many.) Dr. Carter may say something about New Bern's fine showing in the way of hostility to the fly ann it is certain that he will have many other timely and helpful things to say. The public-spirited people of city, men and women, are especially urged to turn out in large numbers to hear him.
