Woman's World
Recent Jewelry Thefts Alarm Society Mondaines.

MRS. JOHN H. HANAN (TOP) AND MRS. CHARLES CARY RUMSEY.

That women of wealth are often careless with jewels of great price is again evidenced in the case of Mrs. Charles Cary Rumsey, daughter of Mrs. E. H. Harriman, who recently lost from her Newport home gems valued at \$100,000.

Mrs. Rumsey, it seems was in the habit of leaving a number of her favorite jewels in an unlocked bureau drawer, their resting place being two pasteboard boxes. Now every woman knows what a lot of personal plunder can find a home in a dressing table drawer, and she also knows what an easy thing it is to upset boxes and drag out some treasured article unawares from this convenient spot; this is annoying to the owner of the belonging besides being unnecessary temptations to dishonest servants.

Mrs. John H. Hanan, wife of the wealthy shoe manufacturer of New York, also a recent victim of jewelry theft, owes her loss to the carelessness of a maid left in charge of jewels to be placed in a secret drawer which were stolen while the maid was absent from the room for a few minutes.

It is known that in foreign countries many women of wealth are content to wear duplicates of their fine jewels, and with the lack of supervision in country houses it would not be a bad idea on this side of the water for women to follow their example.

On one occasion many years ago the late Mrs. Paran Stevens reported the loss at a fashionable ball of a diamond and emerald tiara. The host was in great distress when Mrs. Stevens went to him the day following to ask if there was any trace of the lost ornament, and upon learning that it had not been found she said: "Well, don't worry; they were only imitation and I did not want them to fall into strange hands."

When Mrs. Potter Palmer used to go to Bar Harbor she always carried there for the season imitations of her wonderful pearls, whose value was well known the world over. Mrs. Palmer did not care to have the responsibility of so much that was valuable and in traveling she always left her best jewels in the safe deposit vault at her Chicago home.

Minnesota Women Try Dress Reform.
Declaring that the present styles in dresses are not fit for modest women, and those who refuse to wear tight skirts are obliged to do without new garments, the Fourth district of the Federation of Women's clubs of Minnesota has stated a dress reform which it is proposed to make nation wide.

Recently the board wrote to every manufacturer and buyer of ready made clothing for women and to every manufacturer and publisher of dress patterns making an appeal for modification of the present styles. The letter being sent to the clothing manufacturers reads:

"The executive board of the Fourth district of the Minnesota Federation of Women's clubs, at the request of a number of women, ask that, beginning with the next season, there be furnished some very attractive, up to date garments where the width at the bottom of the skirts shall be two yards for a woman of thirty-six inch bust measure, well proportioned, not drawing tight across the form at any part, and reaching within three inches of the shoe; other sizes in proportion.

"Many women under protest have been obliged to use the present styles of ready made clothing, but very many have informed us that they have done without new garments rather than buy such as have been offered during the last few months. We ask for some different styles for modest gentlewomen from those suited to the demimondaine."

The appeal to the manufacturers and publishers of patterns is worded the same, except that the letter states that few women who use patterns are competent to make changes in them and that many object seriously to the styles furnished during the last few months and ask relief. The pattern makers are asked to change their product for the next month's issue of patterns.

A miser is one of the things that will keep in any climate.

Mother Of Eighteen Children.
"I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I have taken three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds. I can eat anything I want to, and as much as I want and feel better than I have at any time in ten years. I refer to any one in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers. (Adv.)

It is natural for a woman to talk, but silence must be acquired.

Diarrhoea Quickly Cured.
"I was taken with diarrhoea and Mr. Yorks, the merchant here, persuaded me to try a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After taking one dose of it I was cured. It also cured others that I gave it to," writes M. E. Gebhart, Oriole, Pa. That is not at all unusual. An ordinary attack of diarrhoea can almost invariably be cured by one or two doses of this remedy. For sale by all dealers. (Adv.)

If you would learn a man's weaknes, let him talk while you listen.
