ATHLETICS TAKE THE FIRST GAME OF SERIES

Outplay the New York Giants By A Score Of 4 to 6

THIRTY EIGHT THOUSAND PEOPLE SEE THE CONTEST

The Giants Played Errorless Game But Luck Was Against Them

Contrary to the expectations of hundreds of local "fans," the Philadelphia Athletics yesterday afternoon won the first game of the world's championship baseball series for 1913, taking the game from New York by a score of six to four.

Although the majority of the local baseball enthusiasts were almost sure that the Giants would take the first game there were many who stuck to the belief that Connie Mack's men would be the victors and developments proved that they were right.

The first returns began to be received by the Journal about 2 o'clock but long before that hour an expectant crowd was lined in front of the office waiting for the first word. Finally the returns began to come in and from that moment until the close of the game there was a surging crowd of young and old men around the window where the bulletins were being posted.

Marquard and Myers were chosen as the battery for the Giants while Bender and Schang did the pitching and receiving for the Athletics. The following was the line up of the two teams.

Athletics.	Rf.	Giants.
Murphy	Rf.	Murray
Oldring	Lf.	Burns
Collins	2b	Doyle
Baker	3b	Herzog
McInnis	1b	Merkel
Strunk	Cf.	Shafer
Barry	Sa.	Fletcher
Schang	C.	Merkel
Bender	P.	Marquard

Neither side scored until the last half of the third inning when the Giants got one man across the home plate. In the fourth inning the Athletics got three runs and in the fifth they took two more while the Giants also scored heavily in this inning, making three runs. In the eighth inning the Athletics put another man across the home plate and although the Giants made concerted effort they failed to make another run.

In the seventh inning Marquard's arm gave out and Crandall was placed in the pitcher's box but was taken out within a few minutes and replaced by Tesreau.

The Giants played an errorless game while the Athletics made two errors. The tabulated score shows that each team got eleven hits. Thirty-eight thousand people witnessed the game and there were many who could not get tickets of admission even after having stood in line all night long.

The second game of the series will be played today at Philadelphia where the two teams journeyed last night. The game will begin at two o'clock and the Journal will begin to receive returns a few minutes later, these will be posted in front of the office.

Many patrons in the city and also out of town called the office over the telephone yesterday afternoon to get the returns and these will again be given today to all who care to call us up. The telephone in the editorial room is number 8. Yesterday a number of persons asked central for number 30 which is located in the mechanical department and were, therefore, caused some delay.

Charles Jones and John Mackeye colored, who are wanted on capias to appear at this term of Craven county Superior Court, were placed under arrest in the Northern part of the city last night by Deputy Sheriffs Smith, Baylies, Wetherington and Hull and are now in the county jail.

Mr. and Mrs. G. R. Hughes, of Pollockville, were among the visitors in the city yesterday.

WILL TOLERATE NO DRUNKS. Secretary Daniels Considers Intoxication A Disgrace.

Washington, Oct. 7.—Secretary Daniels will insist on an official report on the case of Ensign Chevalier, one of the navy aviators arrested in Baltimore after running down two boys with an automobile. The secretary also announced that he proposed to deal drastically with cases of drunkenness among naval officers.

"If an employer chooses to overlook intoxication in one whose wages he pays that is another matter," said Mr. Daniels. "No one is hurt. But intoxication of a naval officer is a reflection on the entire service and on the administration which fails to deal with it effectively and firmly. The naval officer is in the pay of all the people, a public official, and must not give occasion to public scandal."

NEXT SATURDAY IS HOLIEST DAY

IS THE DAY OF ATONEMENT AND WILL BE CELEBRATED IN NEW BERN.

The Day of Atonement is the holiest day in the Jewish Calendar. This year it falls on Saturday, the 11th of October. Its Biblical designation is Yom ha-Kippurim, later shortened to Yom Kippur. According to Biblical tradition it is one of the cycle of holidays instituted by Moses, for we find it mentioned in Leviticus 23 : 26-32, in the list of holidays. Its ceremonial is described in Leviticus 16, its sacrifices in Numbers 29 : 7-11.

However, the Day of Atonement is not dependent on the sacrificial service prescribed in the Bible. Thus, after the destruction of the Temple in the year 70, when sacrifices were abolished, the Day of Atonement was able to survive, and of all the holidays of the Jewish calendar it has most completely held its own in the hearts and observance of the Jewish people. Emphasis was laid upon confession, penitence, prayer and good deeds. It became the day of "afflicting one's soul" (Isaiah 57 : 3, 5), which was interpreted as meaning fasting from the eve of Atonement until the following evening. As in the Biblical ceremonial, confession continues to be an important feature of forgiveness of sins between man and his Maker, sins between man and man are not forgiven until redress is made for the injury. The eve of Atonement Day, therefore, becomes the occasion for the cessation of feuds and ill-will. And the Day of Atonement is known as the Sabbath of Sabbaths—when we are at peace with all the world.

The service of the Day of Atonement beginning with K'riat service on the eve of atonement is a continuous one throughout the entire day. The prayers in the synagogue are intoned in plaintive penitential tones. The spirit of the masterly sermon of Isaiah (Isaiah 57 : 4-9), which is the prophetic portion of the morning's reading, is manifested throughout.

DOVER SCHOOL IN GOOD SHAPE

COUNTY SUPERINTENDENT OF PUBLIC INSTRUCTION VISITS INSTITUTION.

S. M. Brinson, superintendent of the public schools of Craven county, has returned from a visit to the school at Dover. This school began its fall term a few days ago and one hundred and sixty pupils have been enrolled. An incident worthy of mention is the fact that on the opening day only one pupil, a child in one of the lower grades, was absent. Much interest is being shown in the work by the pupils and the superintendent and faculty are expecting a successful term.

Work on the new central school which is being erected at Thurman in the seventh township, is progressing rapidly. It is almost a certainty that this building will be in readiness for occupancy by December 11.

WORK ON LOOKOUT HARBOR WILL BEGIN AT ONCE

Bids Will Be Asked For Right Away—1,600,000 Tons of Granite Will be Required For the Immense Wall—Overman's Patronage Amendment in Danger

Washington, Oct. 7.—After a visit to the war department where he conferred with chief of army engineer, Rochelle, Senator Simmons tonight said that plans and specifications had been completed, bids would be asked for immediately and within a very short time work would be started on the harbor of refuge at Cape Lookout, which is to cost the government over \$3,500,000 when completed. The appropriation was secured by Senator Simmons and many of his friends consider this to be one of the greatest things he ever did for North Carolina. An appropriation of \$1,400,000 has already been made and is now available, and the balance will be made from time to time as it is needed.

The work will be in charge of Maj. H. W. Stickle, now stationed at Wilmington. The plans call for a granite wall a little over 8,000 feet long at an average height of 45 feet, 20 feet wide at the top and to be two feet above high water at all points. A little over 1,600,000 tons of granite will be needed to build the wall, and Col. F. B. Arundell, of Raleigh, is here to secure the contract for his State. Col. Arundell is interested in a granite quarry at Eagle Nest, on the Norfolk Southern railroad, and he says he can furnish better granite at a lower figure than any other company. He held a long conference with the army engineers today.

Senators Simmons and Overman called on Commissioner Osborne and talked with him about patronage matters. Probably tomorrow Senator Simmons will ask that a district attorney and United States marshal be named for eastern North Carolina, and it is believed that Senator Overman will make a like request for the west. It is known that Attorney-General McReynolds has asked Senator Simmons to call at the department of justice to talk over the matter of making these changes.

CONFESSED SLAYER IS THE CHAMPION LIAR

Chicago Detectives Place Little Confidence In Henry Spencer's Yarns—Says He Has Killed People Who Are Known To Be Alive

Chicago, Ill., Oct. 7.—After twenty-four hours of investigation Cliffo detectives were willing to believe tonight that Henry Spencer, self-confessed slayer of Mrs. Mildred Allison-Rexroat, and nearly a score of others, is one of the most brilliant and entertaining liars with whom the police have come in contact with in a long time. In fact, as one of the sleuths expressed it, the "confession" bids fair to go down in the police records as the "dream of an opium fiend" rivalling De Quincey's confessions of an opium eater.

The net result of the police activity of the day was to establish a fairly good case against Spencer as the murderer of the tango teacher, who was lured to the country by the promise of a class at Wayne and there shot to death on the railroad tracks near the town west of Chicago, and her body left on the tracks for mutilation by a train.

A string of messenger boys with telegrams from chiefs of detectives

and sheriffs in various sections of the country denying that crimes in the Spencer "confession" had ever been committed visited Chief of Detectives John J. Halpin, all of the afternoon and this evening and exploded piecemeal the long story that the prisoner had narrated.

"There is absolutely no doubt that Spencer murdered Mrs. Rexroat," said the chief of the detectives tonight. "In his confession he has gone into minute details of that affair."

Positive identification of Spencer as the man who accompanied Mrs. Rexroat to several cafes the night before her murder was made this afternoon by a lawyer named Carl White.

Spencer's drawing voice, the voice supposed to have lured Mrs. Rexroat to her death, was identified tonight by Mrs. Sadie Johnson, with whom Mrs. Rexroat lodged, as the voice she had heard over the telephone the night of the murder.

RABID CAT BITES TARBORO LADY

"TABBY" CAUSES MUCH EXCITEMENT IN EDGE-COME COUNTY HOME.

Tarboro, N. C., Oct. 7.—Upon advice from Raleigh yesterday afternoon that examination of the head of the cat that bit Mrs. Samuel L. Johnson Friday night, showed that the cat had the rabies, the lady was sent to the Pasteur Institute at Raleigh yesterday afternoon for treatment under Dr. C. A. Shore. At present she is doing as well as could be expected and it is thought she will recover in good time.

It seems that Mrs. Johnson had noticed the cat was not well for some days and they were doing what they could to cure it. Sunday afternoon it was lying by the stove and as Mrs. Johnson reached past it, for something, it sprang on her hand and bit and lacerated it severely. So ferocious was its attack that it had to be taken off by force. Mrs. Johnson had her baby in her arms at the time and as soon as possible the cat was driven out of the house and shot. Dr. W. J. Thigpen was called to the home to dress the wound and as everything indicated that he cat was mad he took its head and sent it to Raleigh for examination.

REVIVAL SERVICE DRAWING MANY

REV. J. E. UNDERWOOD DELIVERED AN EFFECTIVE SERMON LAST NIGHT.

(Written for the Journal.)
The revival services seem to be beginning in earnest at Centenary Methodist Church, Rev. J. E. Underwood, presiding elder of the New Bern District, has been preaching some very powerful old time gospel sermons. The sermon by him last night was very appropriate, earnest and effective.

Rev. A. L. Stanford, of Hendersonville, N. C., arrived yesterday but was too tired to preach, but made a beautiful and effective talk after Rev. Underwood's most excellent sermon.

Rev. Stanford will preach every night this and next week beginning at 7:30 o'clock. He simply captivated the audience by his short talk last night and we feel sure the people of New Bern will be greatly delighted with him.

The morning service will be held at 10 o'clock sharp. All are cordially invited to attend these services.

Tell the truth, the whole truth, and nothing but the truth—if you want trouble.

JUDGE WHEDBEE LOSING NO TIME

Disposes Of Criminal Cases With Thoroughness And Dispatch.

YESTERDAY A BUSY DAY One Week Term Will Probably Come To A Close Today.

One thing that impresses attending, terms of court over which Judge H. W. Whedbee presides is the dispatch and thoroughness in which he disposes of the cases brought before him. This week Judge Whedbee is presiding over the present term of Craven County Superior Court and he is being ably assisted by Solicitor Charles L. Abernethy. With such a team as this in charge of the sessions of court there is little wonder that so much progress is being made in the disposal of the cases.

Yesterday a large number of cases were disposed of and the docket is rapidly being completed and unless some unexpected delay occurs the term will in all probability come to a close this afternoon. The following cases were disposed of during the day: Jack Belangia and Will Farrow pleaded guilty to a charge of an assault with a deadly weapon. Judgment was suspended upon the payment of the costs of the case.

Clarence Williams, found guilty of carrying a concealed weapon. No sentence passed.

Dr. R. D. V. Jones pleaded nolo contendere in two cases in which he was charged with fast driving. Judgment was suspended upon the payment of the costs.

Dr. P. C. Jackson, colored, entered a plea of nolo contendere in four charges of fast driving and judgment was suspended upon the payment of the costs of the cases.

Dr. J. F. Patterson entered a plea of nolo contendere in a charge of fast driving. Judgment was suspended upon payment of the costs.

James Askin and Virginia Brown pleaded guilty to a charge of fornication and adultery. Prayer for judgment was continued upon the payment of the costs of the case.

Dean Davis was found guilty of retailing. No sentence has yet been passed.

Archie Whitehurst and Daisy McCay were found guilty of highway robbery by a jury but no sentence has yet been passed. The jury asked the mercy of the court as to McCay.

CHARGED WITH ASSAULT.

Johnny Kilbane Arrested For Attacking An Eleven-Year-Old Boy.

Cleveland, Oct. 7.—Johnny Kilbane, featherweight champion, today was arrested on a warrant charging him with assaulting 11-year-old Charley Chambers. The warrant was sworn out by the boy's mother, Mrs. Clara Chambers, and charges Kilbane attacked the boy because of a dispute over a bicycle given the lad's elder brother for services in keeping a record of press clippings concerning the champion.

Kilbane was arraigned before Justice of the Peace Calvert and gave bond for his appearance for trial. He leaves tonight for a match in New York tomorrow night.

Most married men are happier than they suppose.

MORE BONDS TO BE ISSUED

Aldermen Decide To Sell Twenty Thousand Dollars Worth At Once.

THE MONEY IS NEEDED

Many Important Matters Transacted At Meeting Last Night.

The city of New Bern is to issue more bonds. This time twenty thousand dollars is needed to pay for the erection of the building to cover the city's water and light plant and to be used in defraying the cost of a lot of new wire and machinery. At a meeting of the Board of Aldermen held last night, Alderman W. B. Blades offered the following resolution, and recommended that it be adopted:

"That the city of New Bern issue 20,000 worth of six per cent coupon bonds due in three years, subject to call, coupons to be not less than ten dollars nor more than one thousand dollars and that the clerk be instructed to advertise for bids to be submitted on October 22."

The following voted in favor of adopting this resolution: Aldermen Blades, Scott, Hyman and Brinson. Against: Dill, Dawson and Satterthwaite. The number in favor of issuing the bonds was larger than those opposed and the clerk was instructed to get bids.

Ex-Judge O. H. Guion appeared before the Board in behalf of the New Bern Ghent Street Railway Company and asked for permission to allow the company to extend their track from the corner of South Front street and Craven to Meadows plant at the intersection of East Front and South Front, and also to run a line South from South Front street down Middle and also down Craven. These lines to be used for freight traffic. There was some objection to granting the company this request and the matter was referred to the Street Railway Committee and the company's lawyer was instructed to draw up a petition stating just what was wanted and present this to the committee. After making an investigation the committee will report back to the Board.

Roy Tucker, of the "Button" Fire Engine Company, was before the Board in behalf of Tom Taylor, a colored man who has been employed as driver for the above company, but who a few days ago was discharged. Mr. Tucker asked the Board to reinstate Taylor, but when a vote was taken on the question the majority of the members were opposed to this action.

R. R. Eagle has recently completed a map of the city of New Bern and at last night's meeting he appeared before the Board and asked that a committee be appointed to look this over so that they would be in a position to advise the city in the matter of purchasing one or more of them.

Alderman Ellis stated that a number of local corporations were not paying the corporation tax and the city attorney was instructed to look these corporations up and see that the same come across with the taxes due by them.

A committee was appointed to ascertain the cost of replacing the wharf at the foot of Pollock street which was destroyed during the recent flood and storm.

Upon recommendation of Alderman Dawson the tax on hotels with more than ten but less than twenty rooms was reduced to \$25.00. The tax on hotels with more than twenty rooms remains \$50.

The tax on ship railways up to twenty tons was reduced to \$10.00 for twenty or more ton railways the tax will be \$40.
