Huerta Will Bid Defiance To The United States

Declared That He Will Ignore Note Of This Government And Convene The Mexican Congress

WASHINGTON HEARS NEWS BUT MAKES NO COMMENT

Move To Have Embargo On Exporting Arms To Mexico Removed—Constitutionalists Waging Vigorous Warfare

Mexico, Nov. 6.—The purposes of General Huerta were voiced this morning by a person who is close to the Provisional President. Huerta is determined to reject all demands set forth in the latest American communication and is resolved to seat the Congress just elected. If the Congress, however, declares the recent Presidential election null and makes arrangements for another election, Huerta would be disposed to abide by this decision and submit to the people the choice of a man who would occupy the Presidency until autumn 1916.

There was still no indication here this morning whether provisional President Huerta would make formal reply to the Americans communication, the nature of which, it is said, calls for no other reply than compliance.

Washington, Nov. 6.—News that Huerta would reject the American demands for his elimination was received in official circles without comment. Secretary Bryan had a long conference with President Wilson, Chairman Bacon, of the Senate Foreign Relations Committee, was an early caller on the President. The talk of lifting the embargo on arms was revived in Congressional circles with considerable vigor. Some Senators have told the President there was an overwhelmingly sentiment in Congress in favor of permitting exports of arms to Mexico. The President, in his address to Congress last August, took a position against lifting the embargo. Many persons have pointed out to him, however, that one of the alternatives open, if Huerta declines to resign, through efforts of diplomacy, was to lend moral support to the Constitutional movement. Although the direct power to permit exportations of munitions of war is vested with the President, some observers think it unlikely he would take such steps without some communication to Congress.

The battleships Louisiana, New Hampshire, and Michigan, which were to have been relieved from duty in Mexican waters, upon arrival of four battleships of the third division, were today formally ordered to remain at Vera Cruz. The orders were issued for the armored cruiser California, to remain in Pacific Mexican waters, although originally ordered to start north upon arrival of the cruiser, Pittsburg.

Owing to the absence of the rector there will be no service at Christ Episcopal church this afternoon.

J. P. Tingle, of Greensboro spent yesterday in the city attending to

TO TEST CATTLE FOR TUBERCULOSIS.

Dr. E. G. Hargett, city meat and milk inspector, returned from Raleigh last night where he went to secure tuberculin, an injection for testing cattle for tuberculosis. Dr. Hargett said he would start at once testing all cattle in his territory.

PICKPOCKET IS IN THE TOILS

"TOUCHED" THE WRONG MAN AND TROUBLE STARTED

Guy Brooks, believed to be a notorious colored law breaker from Richmond, Va., was arrested in this city yesterday afternoon by Chief of Police Lupton after he had picked the pocket of another colored man, and is now in jail awaiting a preliminary hearing.

Brooks and two companions came here the first of this week. The police sized the trio-up as crooks and have been keeping them under surveillance. Yesterday afternoon the three men went to the depot and Brooks succeeded in relieving William Mitchell, a colored visitor to the Fair, of his pocketbook which contained \$12.15.

Mitchell caught the man in the act and made an attempt to grasp him at once, however, Brooks made a dash down the street. Mitchell, who is "some runner" started in pursuit and soon caught up with the man who robbed him and held him fast despite the fact that Brooks drew his knife and stabbed him in the hand.

The pickpocket was turned over to Chief of Police Lupton and at once taken to jail and locked up. Today he will be given a preliminary hearing before Mayor Albert H. Bangert.

DEATH OF AN INFANT.

Donevan H. E., the infant son of M. F. and Mrs. Hannah Pugh, died yesterday morning at the home of his parents at Bridgeton. The funeral will be conducted from the residence at 10 o'clock this morning and the interment will be made in Cedar Grove cemetery, this city.

For the purpose of electing a president, a meeting of the Executive Board of the Woman's Club will be held in the club rooms this afternoon at 4 o'clock.

Crew Abandoned Annie M. Parker Aground Off Nantucket—Several Lives Lost—Vessel Floated Herself And Found Sea Worthy

Portland Maine, Nov. 6.—The fisherman, Jose and Phoebe, probable loss of their captain, Vincent Nelson, and three of their mates and the death of one, form part of a tale of the sea brought here tonight by the survivors of the crew of the Gloucester fishing schooner Annie M. Parker. The fact that their abandonment of the stranded schooner near Nantucket and the loss of life was unnecessary is not known to the crew until word reached them tonight that the schooner was in port at New Bedford virtually undamaged.

Nine survivors of the Parker's crew reached here aboard the lumber schooner Tifton, from Jacksonville, which had picked them from dories thirty miles off Nantucket Sunday morning after they had been afloat 24 hours without food or drink.

MISS MANNIE BAXTER HOSTESS

GIVES LINEN SHOWER IN HONOR OF BRIDE TO BE

One of the most delightful social events of the season was the "Linen Shower" given yesterday afternoon by Miss Amanda Baxter at her home on Middle street, in honor of Miss Ivy Blades on her approaching marriage to Mr. Charles Robinson, of Elizabeth City.

Miss Baxter's home presented a rare picture of floral beauty, great clusters of roses and chrysanthemums filled the rooms with their beauty and perfumes, while many burning tapers shed their soft glow.

Though the sky was blue and the sun never brighter, there was a heavy shower of beautiful and useful linens for the bride-elect.

Place cards which bore the guests name for the auction bridge game were lovely and appropriate, being adorned with cupids, wedding bells and brides and grooms, while a spray of ivy was laid beside each place card. The bride-elect chair was also tied with a huge bunch of chrysanthemums and ivy.

Punch was served during the game and a delicious ice course after the game by Misses Ellen Guion, Martha Munger, Bertha Hawk, May Baxter, Julia Bryan Jones and Esther Marks all prettily attired in white lingerie frocks and bright ribbons. Miss Blades wore a handsome gown of black charmeuse with touches of green.

The hostess received her guests in a white crepe de chine.

Those invited to share Miss Blades hospitality on this happy occasion were:

Misses Helen and Eloise Robinson and Maud Grice, Elizabeth

NINE INJURED DURING RIOT

Strikers Causing Much Trouble At Indianapolis.

REQUEST GOVERNOR'S AID

Probable That The State Militia Will Be Called Out.

Indianapolis, Ind., Nov. 6.—An effort to resume street car traffic which has been tied up since Friday night by a strike, resulted today in the serious injury of seven strikebreakers and two policemen and the destruction of a car. A crowd of several thousand persons, many of them armed with bricks, surrounded the car and prevented progress while a downpour of missiles from the roofs and windows of buildings along the route threatened the lives of the strikebreakers and police.

Indications tonight were that the militia would be called out tomorrow. A committee of the civic and commercial organizations presented a request to Governor Ralston asking for troops and stating the organizations would share the responsibility for the action.

While Governor Ralston would not state what action he would take, he intimated that his reason for not calling the troops at once was that they could not be mobilized before tomorrow morning and that he feared the announcement that the militia had been called out for tomorrow would result in a night of lawlessness.

The strikebreakers injured in today's rioting who are able to travel returned to Chicago tonight.

A number of strike sympathizers went back to the wrecked car later in the day to remove it from the tracks and to block further traffic on the line. They were dispersed when a riot call brought fifty policemen to the scene. Another death due to the strike resulted when Thomas Carlton, who was shot at the Louisiana street barn riot, died today.

WILL WE KNOW EACH OTHER IN HEAVEN?

The meeting at the Tabernacle was largely attended last night and the interest was great. Dr. White preached the second sermon in the series on "John Three Sixteen" and the subject was "God's Gift." The sermon was the best the Doctor has preached since he has been in New Bern and that is saying a great deal, for he has preached several strong sermons.

The subject this afternoon will be "Heavenly Recognition, or Shall we Know Each Other In Heaven." Many are interested in this great question and every one is cordially invited to be present. The subject for tonight will be "Salvation," and the text will be "John Three Sixteen." This will close the series on this verse. Saturday at 3 p. m. Dr. White will preach a sermon on the commandments and he will use several verses to illustrate the sermon. This service will be better than any picture show you ever saw. All New Bern is invited to this service, but the young people will be specially benefited, and Dr. White hopes that every parent will do his or her best to have all the young people present.

CONG. FAISON HOLD CONFERENCE

Will Talk On Important Subject At 2 O'clock This Afternoon.

WILL INTEREST TRUCKERS

Prelude To Hearing To Be Held Here November 28 and 29.

During the past few days Congressman Joo. Faison has been inspecting some waterway surveys made near Beaufort. This work has been completed and Mr. Faison came to New Bern last night.

This afternoon at 2 o'clock he will hold a conference with the truckers and fish dealers at the Chamber of Commerce rooms with reference to the Interstate Commerce Commission hearings to be held in this city on November 28 and 29 in regard to the slow schedules and poor refrigerating facilities given by the railroads.

This is a matter of vital interest to every trucker and fish dealer in New Bern and it is hoped that a large number will be on hand to hear what Congressman Faison has to say.

PROMINENT CITIZEN DIES.

W. F. Dill, one of Beaufort's most prominent citizens and a brother of S. L. Dill of this city, died at that place yesterday. The funeral will be held at Beaufort this afternoon and the service will be conducted by Rev. B. F. Huske, rector of Christ Episcopal church of this city.

The monthly business meeting of the Woman's Missionary Society of Centenary Methodist Church will be held in the Church Parlor on Friday afternoon at 4 o'clock.

THE PRINCESS PLAYERS

Delighted two packed houses again last night. The comedy drama "Whispering Pines," presented by them received round after round of applause, and was pronounced by many the best yet. This is undoubtedly the strongest dramatic company ever seen here in tabloid. Today matinee and night they will present an exceptionally strong drama entitled "The Wolf."

Pictures:

"A Faithful Servant," [photographed in Italy]. This is an excellent Vitagraph film, featuring Maurice Costello. The story shows that treachery works out an ingenious end—the reward of faithful service comes slow but sure.

"The Love Thief." An absorbingly interesting pathetic drama by Essanay Co.

"Objections Overruled." A Biograph farce comedy.

"Black and White," another zery laughable farce comedy. Matinee daily at 3:45. Two shows at night, 1st starts at 7:30, 2nd at 9 o'clock.

We have booked for all next week

The Daffy-Dill Girls

A big Musical Comedy Company consisting of 10 performers, mostly girls. Good singing, good dancing. The company is now filling a return engagement in Raleigh. No Advance in Prices.

MANY ATTEND COLORED FAIR

SEVERAL THOUSAND VISITORS ON THE GROUNDS YESTERDAY.

Colored visitors from all over Eastern North Carolina were in New Bern yesterday attending the colored Fair which is being held here this week. Yesterday was the "big day" and the attendance was larger than on any previous day during the week.

All who have attended the colored Fair have only words of praise for the management in putting on such a creditable exhibition. The exhibits are good, the midway is equal to any ever seen at the Fair grounds while the free attractions are all that could be desired.

There will be a number of events at the Fair grounds today and another record breaking attendance is expected.
