I Want More Coal

A great many pretty stoves at delightfully low prices are like Oliver Twist—always wanting more. What matters it how pretty a stove is—of how small the price—if it is going to eat so much coal that you have to go into the coal business in order to satisfy it. In buying a stove this is an important thing to look after.

The Tip Top Oak Hot Blast

is as pretty a stove as you would wish to see, and this coal feature has been carefully looked after.

MOTHER KILLS ONLY CHILD, THEN HERSELF.

Richmond, Ky., Nov. 11.—Mrs. Benjamin L. Banks, a prominent woman in Kentucky, shot and killed her only child, a boy aged 12 years, then herself at her home in this city today. The tragedy followed the sudden death from pneumonia of her husband.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If tongue is coated give "California Syrup of Figs" to clean the bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat sleep or act naturally, has stomach-ache diarrhoea, remember a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." Counterfeits are being sold here. Don't be fooled!

FIXTURES FOR NEW STORE ARRIVE

BRADHAM'S NEW DRUG STORE WILL BE BEST IN STATE.

Three car loads of fixtures which are to be placed in C. D. Bradham's new drug store, at the corner of Middle and Broad street, have arrived and as soon as the fourth car arrives, which contains a number of necessary attachments, the work of installing these will begin.

This will be one of the most handsomely furnished drug stores in the State when it is completed and in readiness for opening. For months Mr. Bradham has been engaged in purchasing the fixtures for his new store and has succeeded in getting together an assortment the like of which have never before been seen in Eastern North Carolina.

The new store will be in readiness for opening within a few weeks, the exact date to be announced later.

YOUNG COUPLE MARRY.

T. E. Piner and Miss Nanie B. Gillikin were married at the Methodist parsonage yesterday afternoon at 4 o'clock. Rev. J. B. Hurley officiated.

STAR THEATRE

Quality and Refinement

TODAY

"IN THE WATCHES OF THE NIGHT." (WARNER.)

A gripping dramatic story featuring the celebrated actress **Marion Leonard**, in three complete parts. Tense situations that will make you grip your chair involuntarily. You must see Marion Leonard in this splendid production by all means, for this famous actress is one of the biggest favorites of the American screen "stars." In this dramatic feature she has wonderful opportunities to display her remarkable talent, and the result is three reels of dramatic action that holds you enthralled through every scene. You will enjoy every minute of this splendid production.

In addition to this three reel feature we will show a roaring comedy, "PLAYING THE PIPERS." (VITAGRAPH.)

Featuring Hughie Mack and Chas. Brown, the "star" comedians of the Vitagraph Co.

"It is an ill wind that blows no man good." James McNar is saved by fire. The bag bursts, and Jimmy gets Mary.

Watch for special program in tomorrow's papers.

Feed Your Soil
Or Your Soil Won't Feed You!

TIME was when it was not thought necessary to return the humus to the soil, but time has proven that soil will wear out just the same as your body will wear out if you cease feeding it.

The old pitchfork method of spreading manure is just as much out of date as it would be to cradle your grain. The highest type of spreader is the

Johnston "Easy Loader" Spreader

By its use you save time, make the manure cover more ground and grow a larger uniform crop because it has been spread evenly and none has been wasted. This Spreader is built low. Either side lets down to permit easy loading. It is light of draft, simple of construction and strongly built. No endless apron to freeze in cold weather. No high beater to pitch over in the rear. Broad faced wooden or steel wheels.

A Booklet giving more information is yours for the asking. It will cost you nothing to find out the merits of this up-to-date Spreader.
