A PAIR OF LITTLE SHOES.

These little shoes I keep them still,
I keep them now and always will;
A place within my heart they fill—
This pair of little shoes.

Our little lad, I see him there,
His little face, so frail and fair,
The sunlight on his golden hair—
Out little lad long gone.

I keep them in the room where he
Was wont to play so careless, free;
For they bring back the past to me—
This pair of little shoes.

And so a little while each day
I go in there to kneel and pray—
To weep for him who went away—
Who wore those little shoes.

"PAID IN FULL" HERE THURSDAY EVENING

MOST SUCCESSFUL PLAY IS TO BE SEEN SOON.

"Paid in Full," the most successful of all plays, will be presented at the Masonic Theatre for one night only, December 11.

"Paid in Full" is from the pen of Eugene Walters and is considered by all who are competent to judge, as the best play ever written by an American playwright. It has the distinction of making the longest run of any play ever presented in New York, being played for over two years at the Astor Theatre on Broadway, winter and summer, without the loss of a night; over one year in Chicago. Over six million pleased playgoers have laughed, and cried with Jimsey and Emma, have despised Capt. Williams and felt sorry for Joe Brooks. Every intelligent playgoer or magazine reader knows the worth of "Paid in Full," and in the hands of this clever company, headed by Eiley O'Connor, a

performance worth while is guaranteed. Prices for this engagement will be 25 cents to \$1.00. Seats now on sale at Wood Lane Drug Store.

Curtain will rise promptly at 8:30 and carriages and autos may be ordered for 10:50.

METEORS.

The frequency of meteors is at its highest toward the end of July and the beginning of August. During the first six months of the year the total number of meteors observed on a clear, moonless night is only about six an hour. At the beginning of July the frequency increases and attains its maximum, sixty-nine an hour, on Aug. 10. The mean for the entire year is twenty-four meteors an hour.—London Standard.

Get a 10-cent box now. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver, and carry off the constipated waste matter and poison from the bowels. Then your stomach trouble is ended. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular for months. You will appreciate this advice on shoes

You hear a lot, these days, about shortage of cattle, high cost of living, and so forth. Of course shortage of cattle affects the leather market. You can't buy "cowhide" shoes, if there's no "cowhide" to make them from, and if there's a scarcity of cattle, there's a scarcity of hides and a scarcity of LEATHER Shoes. You get this point.

HERE'S THE MOST IMPORTANT POINT

The name SELZ on a shoe means they are made of leather throughout, and are guaranteed in a way that leaves no doubt, that they are going to give the wearer better service and longer wear than usually expected, because they are honestly made.

It pays you in dollars and cents as well as comfort of mind and body to insist on SELZ. That's the kind we specialize in, and it gives us pleasure to show them. For men, women and children.
