## LADIES OF NEW BERN IN FAVOR OF PROHIBITION

Day Of Fasting And Prayer Was Observed.

### PLEAD FOR TRUE MEN

Men Whom The Lust of Office Cannot Kill And Who Are Honest.

The report from the day of fasting and prayer for nationwide prohibition, held under the auspices of the Woman's Christian Temperance Union, has been somewhat belated by the most interesting and helpful meetings at the Tabernacle church, Jan. 15th, being the day of fasting and prayer. The meeting began at 10 o'clock. Mrs. T. J. Mitchell leading for the first hour. She gave a most helpful interpretation of the text, "Let the children of Israel go forward," applying it to this present time and the great campaign for Nation Wide Prohibition. It was most inspiring.

The next hour was led by Rev. J. V. Ellson of Elizabeth, N. J. He very eloquently spoke of what it would mean to have the total abolition of the liquor traffic from this fair nation. We realized that we had much to be grateful for in having this dear brother minkster to participate in our service. A duet, delightfully rendered by Mrs. Ellson and himself, at the close of the service leaves a beautiful memory.

The noon hour from 12 to 1 o'clock was led by Mrs. M. E. Bryan in a way that appealed to each and everyone present for she voiced the desire for cleaner and purer men in the administration of public affairs of today. She read the following poem, saying it applied to women as well as men:

**"God Give Us Men—Good Men Great Men, But Above All Else, True Men."**

"God give us men. A time like this demands

Strong minds, great hearts, true faith and ready hands; Men whom the lust of office cannot kill, Men whom the spoils of office cannot buy, Men who possess opinions and a will;

Men who have honor and will not lie; Men who can stand before the demagogue

And damn his treacherous flatteries without winking! Tall men, sun-crowned, who live above the fog" In public duty and in private thinking.

For, while the rabble, with their thumb-worn creeds Their large professions and their little deeds Mingle in selfish strife—lo, Freedom weeps; Wrong rules the land, and waiting Justice sleeps."

—J. C. Holland.

From 1 until 2 o'clock Mrs. Geo. Green, the president of our local union, led the meeting. It, too, was helpful, presenting another phase of the question of working for total abolition of the liquor traffic. She emphasized the fact, that loyalty to our Master demanded work on the part of every Christian man and woman. She also read

Concluded on page 4.

## MRS. C. D. BRADHAM

Mrs. C. D. Bradham, a leading society woman of New Bern is preparing an historical sketch of the city which will appear in the February issue of Carolina and the Southern Cross, the official organ of the North Carolina Daughters of the Confederacy.

## ANOTHER CANDIDATE IS IN SOLICITOR'S RACE

Z. V. RAWLS, OF PAMLICO COUNTY MAKES ANNOUNCEMENT.

The political pot down in this section is at boiling heat and rarely a day passes without some one making an announcement of some kind. Along with the Congressional fight, the race for solicitor of the Superior Court in this district is attracting considerable attention.

Charles L. Abernethy, of Beaufort, the present incumbent, was the first candidate in this race. Next came Julien K. Warren, of Trenton, Jones county, and in this issue of the Journal Z. V. Rawls of Bayboro, Pamlico county, is making formal announcement that he will be "among those present" in the fight.

Mr. Rawls is well known, not only in his home county but all over the district and his friends have assured him of their support in his campaign, and there is every possibility that he will make the other candidates sit up and take notice.

## The Princess Girls Company

Delighted another large and appreciative audience at the Athens last night. Today they make a complete change of program and will present:

"A Jolly Mix Up." This is a delightful farce comedy with many laughable situations—everything clean and refined—nothing said or done calculated to offend any sensible person who is looking for good comedy, knows what it is, and really enjoys it. Our feature picture today is a two reel special release:

"The Test." It proves that some men are cowards. It also proves that true love conquers all things, and endure to all things. A picture sure to strike you.

"His Nephew's Scheme." An excellent comedy drama by Edison.

## THE NEW YORK RAILROAD STRIKE EASILY SETTLED

Delaware And Hudson Reinstates Two Employees.

### THE UNION MEN RETURN

Were Discharged Over A Year Ago For Being Careless And Negligent.

Albany, N. Y., Jan. 20.—The strike on the Delaware & Hudson Railway was settled tonight. Company officials met the men's demands that they restore two discharged employees, Engineer James A. Lynch and Conductor F. A. Slade, to their former positions. All strikers will return to duty immediately.

G. W. W. Hanger, a member of the Federal Board of mediation and conciliation brought about the agreement.

A settlement was reached only after Mr. Hanger had suggested to company officials that they yield to the demands of the men. Arbitration he declared was impossible.

Normal conditions would be restored in two hours, union officials promised at 9:30 o'clock. As soon as Clifford S. Sims, vice-president and general manager of the railway signed the agreement orders were sent out for men to report for work as quickly as possible. Many crews that had been tied up at terminal points were notified by telegraph to resume their runs without reporting here.

Slade and Lynch were discharged more than a year ago when a car on their train jumped the track and bumped along the ties for three and a half miles. They were discharged on the ground that they were negligent and violated a company rule and caused much damage to property. The union officials replied that the accident was unavoidable and that no serious damage was done.

For several months the company and union officials debated the proposition of restoring the men to work. A week ago, 98 per cent of the employees voted to strike if Slade and Lynch were not restored.

Early today the first body of men walked out. From then on until noon engineers, conductors, trainmen, telegraph operators and tower men gradually quit as soon as the safety of the passengers would permit. "At noon it was estimated that 5,000 men were out and the entire system was paralyzed. It was less than two hours after the last striker had left his work that Mr. Hanger arrived from New York, began negotiations with the two sides. Mr. Sims agreed immediately to an arbitration but union officials were firm in their demand. Within an hour Hanger decided arbitration was impossible. So he drew up an agreement granting the demands, obtained Mr. Sims' signature and the strike was declared off a few minutes later. No violence was reported as a result of the strike.

W. J. Blalock spent yesterday in Vanceboro.

at night, 1st starts at 7:30, 2d about 9:15 o'clock.

The big house, the big show and no advance in prices.

## THE PEPSI COLA BOTTLERS HOLD FIRST MEETING

C. D. Bradham Delivers Address Of Welcome.

### MANY INTERESTING TALKS

More Than A Hundred Visitors Are In Attendance At The Convention.

The fourth annual convention of the Pepsi Cola Bottlers of the United States convened in this city yesterday with more than a hundred members in attendance. The first business meeting was held at the home office of the company yesterday afternoon and C. D. Bradham, president of the Pepsi Cola Company made the address of welcome in his usual brilliant and fluent manner.

The response to this address was made by J. A. Long of Greensboro. Mr. Long knows how to talk, that has been demonstrated by his ability in selling Pepsi Cola, and his remarks were both flattering and full of interest. B. D. Melcher of Winston-Salem also made a most interesting address during the afternoon, and there was also a discussion in which all of the members of the Bottlers Association took part.

At night the bottlers were the guests of the Pepsi Cola Company at a theatre party given at the Star theatre. The first business meeting today will be held at 10:30 o'clock this morning at the Pepsi Cola Company's plant. Among the speakers on the program is A. D. Ward, one of the leading attorneys of this city and Frank Hayes of Charlotte.

The morning session will close at noon and at 2:30 o'clock another session will be held. At night the bottlers will again be the guests of the Pepsi Cola Company, this time a theatre party being held at the Athens theatre. On Thursday the bottlers will be the guests of P. B. Beard and L. P. Bray, representing the Crown Cork and Seal Company of Baltimore. The visitors will be taken several miles down Neuse river and there tendered an old-fashioned oyster roast.

Some of the reports read yesterday by the bottlers showed some remarkable increases in business during the past year. Down in Lancaster, S. C., the sales of the plant owned and operated by J. M. and M. M. Woodley which has been in operation only two years, showed an increase of 628 per cent. The plant at Terre Haute, Indiana came next with an increase of 600 per cent, the plant at Greensboro showed an increase of 240 per cent and the one at Greenwood, S. C., had an increase of 280 per cent.

Among the bottlers present at the convention are:

J. C. Barker, Kinston; Monroe Roscoe, Asheville; J. H. Thorpe, Elkin; H. A. Pittard, Newberry; S. C. W. H. Blackwell, Camden, S. C.; A. D. Stokes, Camden, S. C.; Rube Maddin, Edenton; M. Lipman, Norfolk, Va.; A. L. Glazener, Newberry, S. C.; G. D. Jennings, Sumter, S. C.; M. S. Jeffreys, Greensboro; Jno. C. Davis, Fayetteville; P. B. Beard, Salisbury, Frank Hayes, Charlotte; L. M. Squires, Burlington; M. R. Ford, Delphos, O.; J. J. Lane, Cove City; F. K. Blich, Phila., Pa.; J. A. Walker, Dar-

## Dudley Malone

Dudley Malone, the new collector of customs at New York, is a son-in-law of Senator O'Gorman and a favorite of President Wilson and Secretary Bryan. He supported John Purroy Mitchel in the mayoralty contest in New York.

## FIRE ALARM SYSTEM IS OUT OF ORDER

ALARMS SHOULD BE TELEPHONED TO THE CITY HALL.

New Bern's fire alarm system is at present "on the bum" and until this condition has been remedied the public is requested to telephone fire alarms to the City Hall and the alarm will be turned in at that place.

There are eighteen fire alarm stations in the city and out of this number the following are out of order: Numbers 15, 16, 24, 26, 34, 42, 47, 48, 51, 52, 53, 54, 55 and 62. There are four stations in working order.

The Chief of the Fire Department has requested the Journal to ask the citizens not to attempt to turn in an alarm from any of the boxes above-mentioned until the public has been notified that the defects have been repaired.

California led last year in timber sold from national forests, though Montana had the largest number of sale transactions.

## DESCENDENTS OF THE PALATINES PLAN TO MEET

Those At Kinston Will Gather There Tomorrow.

### ARE TO DISCUSS PLANS.

Want To Co-operate With New Bern In Erecting Memorial.

Since the organization in this city several days ago of the Palatine Memorial Association which numbers among its officers Senator F. M. Simmons, chairman of the Finance Committee of the United States Senate, and which has as its object the erection of a suitable memorial to the founders of New Bern, much more interest is being taken in the matter and there is every reason to believe that the memorial will be erected within a few months.

Miss Sybil Hyatt, of Kinston, a genealogist of note is taking a marked interest in this work and is now securing a list of the descendants of the Swiss Palatines who came to New Bern with Baron DeGraffenried. Miss Hyatt is making much progress in this work and has secured several names since leaving New Bern more than a week ago.

The Kinston descendants of the Palatines will hold meeting on January 22, Thursday, at 4 o'clock at the public library to discuss plans for co-operating with the New Bern Committee which has undertaken the work of erecting to the Palatines a \$20,000 memorial.

A memorial at a smaller cost could not be considered because of the very great historical importance of the immigration of the Palatines. Historians say that the landing of the Pilgrims is the only other event in American history which equals it in significance.

Mrs. C. D. Bradham, is preparing a history of the New Bern colony for the February issue of Carolina and the Southern Cross. The genealogical data will also begin running in that issue. This is very valuable, because the Palatines gave their services generously to the State, and many of the records entitle the descendants who are otherwise eligible, to membership in the Society of Colonial Dames, Daughters of the Revolution, Sons of the Revolution and Daughters of the American Revolution, etc. Descendants should enclose postage for reply when writing to genealogists.

On the memorial to be erected will be placed the names of the descendants of the colonists, and it is very essential that everyone who can trace their lineage back to that period, confer with Miss Hyatt who has this part of the work in charge.

## FEATURE AT THE STAR LAST NIGHT.

Keeping up the standard of their high grade pictures the Star reproduced the great Arabian Nights tale of "Aladdin and the Wonderful Lamp" last night. This picture was, in every respect a feature, the staging being nothing short of marvellous and was exceedingly rare. This picture is one of the best ever shown in this city and was thoroughly enjoyed by all.
