Port Au Prince Takes On More Orderly Aspect, Is Being Guarded

American And German Legations Are Being Carefully Watched

The Streets Are Being Patrolled

Battleship South Carolina Sent To Reinforce Vessels In Harbor

Port-au Prince, Haiti, Jan. 29.—With the arrival today of the United States battleship South Carolina and German blue-jackets guarding the legations and patrolling the town, conditions at Port-au Prince took on a more orderly aspect. A committee of public safety has been organized and it is believed all danger to foreign residents is passed. President Oreste still is aboard the German cruiser Vineta and the country is without government. The committee of public safety sent a delegation on board the yacht Nord Alexis to arrange for the entry into the capital of Senator Davilmar Theodore, leader of the revolution, who is at Cape Haitien. Other measure will be taken to establish a government as early as possible.

South Carolina On Scene.

The South Carolina came here from Guantanamo. She carries a crew of nearly 900 men, most of whom can be landed at a moment's notice. The Montana's crew, including a company of marines, numbers more than 600.

Advices from Jamaica report the departure for Haiti of General Monplaisir, ex-minister of war, and ex-President Simon. Diplomatic representatives, on request of the committee of safety, have decided that General Monplaisir shall not be permitted to come ashore.

All firing ceased here today and complete order was maintained. Tonight the streets are guarded by mixed patrols of Americans and Germans.

Department Reassured.

Washington, Jan. 29.—When battleship South Carolina, with her 750 enlisted men today joined the armored cruiser Montana at Port-au-Prince officials of the Navy Department felt reassured as to the ability of the naval contingent to extend full protection to all foreign interests. Captain Russell of the South Carolina, who recently vacated the post of judge advocate general of the navy, is regarded as peculiarly equipped to deal with questions of international law that may arise in handling the situation.

The State Department has not decided to interfere in any way with the revolution at this stage, but is observing developments with keen interest.

FORMER U. S. SENATOR HAS PASSED AWAY

DISTANT RELATIVE OF DECEASED RESIDES IN THIS CITY.

Washington, Jan. 29.—Former Senator Shelby M. Cullom, of Illinois, died here at 1:30 o'clock

yesterday afternoon, after an illness of more than a week. His last words were the wish that he might see the completion of the National Memorial to Abraham Lincoln, who was his personal friend.

Shelby Moore Cullom's death ended fifty years of continuous public service that had made him a figure in American National life and brought him into official relations with every President from Abraham Lincoln to Woodrow Wilson.

As a ploughboy, driving his father's oxen over the fresh prairie of Illinois he had known and talked with survivors of the Revolution and on the rugged foundations of a life began in pioneer hardships of a family of twelve children had built a career that took him to the Illinois legislature as a member; speaker of the assembly, two terms in the governor's chair, service in the National House of Representatives, and thirty consecutive years in the United States Senate.

His nearest living contemporary probably is "Uncle Joe" Cannon, whose senior he was some seven years by birth and some three years in National service.

Dr. E. C. Armstrong of this city, was a second cousin of former Senator Cullom.

HAS MARSHAL DORTCH SECURED NEW DEPUTY

RUMOR TO THAT EFFECT CURRENT HERE YESTERDAY.

Although the rumor has not been confirmed it is generally understood that Charles Ange, of Jacksonville, has been selected as the man to fill the office of United States Deputy Marshal in this district.

When U. S. Marshal W. T. Dortch of Goldsboro, took charge of the office, U. S. Deputy Marshal Samuel Lilly automatically went out and since that time the place has remained vacant. There has been much work for the U. S. Commissioner in this city since that time and twice it has been necessary to send an officer here from other cities to attend to this work.

United States Commissioner Hill stated last night that he had heard that Mr. Ange had been appointed but that he had no official notification of this and could not vouch for the authenticity of the rumor.

ARRESTED FOR MURDER.

Florida Man Accused Of Killing Woman.

Pensacola, Fla., Jan. 29.—Frank Chancey and two women whose names have not been ascertained, were arrested today near Bonifay, charged with the murder of Chancey's wife.

A coroner's jury found the woman had been killed and her body dragged to the roadside where it was discovered by passersby.

THE NORFOLK SOUTHERN RECORDS BIG LEASE

Elizabeth City, Jan. 29.—Register of Deeds J. W. Munden is recording a lease given by the Norfolk Southern railroad for rolling stock and car equipments which amounts to \$556,289. The lease calls for six passenger coaches, 160 flat cars, three combination mail and baggage cars, 300 box cars and six caboose cars. The lease is a lengthy document which will require some time for transcribing. Mr. Munden is the first of the North Carolina register of Deeds to receive the papers for recording.

Miss Essie Stalling, daughter of Rev. N. P. Stallihg, of Moyock, one of the most prominent Baptist clergymen in eastern North Carolina became the bride of W. J. Brooks, of Suffolk, Va., this afternoon at 2 o'clock.

The wedding was solemnized at the home of the bride's parents in Moyock in the presence of a large number of friends of the family.

Miss Laura Spivey, who has been connected with the Standard Drug Company, a wholesale concern with a large business in Eastern North Carolina for the past five years and who has been manager of the company for some time has resigned and will spend some time with her parents in Okisco.

The local lodge of Elks is preparing to give another of its annual minstrel performances in the Alkrama theatre on the evening of February 19.

JOURNAL ADVERTISERS ALWAYS GET RESULTS

NUMEROUS EVIDENCES OF THIS REACH US EVERY DAY.

Does Journal advertising get quick results? You can just bet it does and the advertiser is always well pleased. It is an every day occurrence for someone to drop into the office and tell us that they are receiving numerous replies to such-and-such an ad.

Just as an evidence that advertising in the Journal gets results we cite the following: Yesterday morning the following ad. appeared in the want column:

BICYCLE STOLEN

—Last night Iver Johnson, from 52 Pasture street. Please return to house or to Journal office. 1-28 1 ti.

Last night the owner of the wheel called at the office and asked us to discontinue the ad., saying that he had the bicycle returned to him a few hours after the paper was off the press. If you want results, advertise in the Journal.

POSTOFFICE INSPECTOR HERE.

Postoffice Inspector Hemilwright was in the city yesterday attending to official business. This is Mr. Hemilwright's first visit to New Bern since Mr. Daniels took charge of the office.

Contentment is often the result of being asleep. The "pen" is mightier than the county jail.

SWEEPING CHARGE THAT FEDERAL JUDGE IS UNFIT

It Is Claimed That Speer Was Incompetent.

VERY UNSATISFACTORY.

The People Of His District Stood In Terror Of Him.

Savannah, Ga., Jan. 29.—Sweeping charges that Federal Judge Speer, of the southern district of Georgia repeatedly has conducted his court in a high-handed, arrogant, intolerant manner, and is unfit to preside as a judge, today were made by witnesses before the special congressional committee which is conducting an investigation here into charges of official misconduct by the accused jurist.

Thomas S. Felder, attorney general of Georgia, who occupied the witness stand for the greater part of the day, was vigorous in his denunciation of Judge Speer.

"Judge Speer, in my opinion," he said "is unequivocally unsatisfactory, and the wonder is the people have suffered so long."

He admitted that "Judge Speer had the surroundings of his court so arranged as to show him to best advantage. The lawyers practicing there were the 'king jesters.' They were the butts for Judge Speer's witticisms. Judge Speer knew how to take advantage of a situation and usually did so. The people of Judge Speer's district—not the evil doers alone—stood in terror of his court."

Mr. Fielder's testimony dealt at length with the W. W. Huff bankruptcy case in which the witness represented Col. Huff. He charged that Judge Speer had conducted this case in a gross-improper manner and had allowed excessive fees to officials whom he appointed to conduct the litigation. Mr. Felder corroborated the testimony of Col. Huff before the committee at Macon last week to the effect that Judge Speer allowed approximately \$90,000 of the proceeds of the sale of the Huff estate to remain without interest for several years in the bank of which Cecil Morgan, Judge Speer's brother-in-law, is vice-president.

Another witness today was Col. R. L. Colding, member of the Savannah bar. Colonel Colding said that he frequently had seen Judge Speer treat with open contempt W. R. Leaken, formerly United States district attorney and later collector of the port here. The witness charged that Judge Speer often had browbeaten negro witnesses until their knees shook and their memories failed.

A. P. Wright, a witness, charged that Judge Speer had been palpably unfair in not permitting creditors to effect a settlement in the Electric Supply bankruptcy case mentioned yesterday in the testimony of W. V. Davis.

M. A. Baker, of Brunswick, Fla., testified regarding details of the appointment of A. H. Heyward Judge Speer's son-in-law, as receiver for his company when it was forced into bankruptcy. Judge Bowling Whitefield, also of Brunswick, furnished further details relating to this case. Other witnesses today were William Garrard, of Savannah, and John C. McDonald, of the Waycross City

ALLEGED ACCOMPLICE OF DEAD NEGRO JAILED

WORTH SANDERS FLEES TO RALEIGH FOR SAFETY.

Raleigh, Jan. 29.—Fleeing from a mob that was on his trail with blood hounds, Worth Sanders, the negro accused by the ill-fated Jim Wilson with being his accomplice in the killing of Mrs. William Lynch for which Wilson was lynched in Johnston county yesterday, ran into Raleigh this evening and implored Sheriff Sears to give him protection by locking him in the county jail. This was done.

The mob that lynched Wilson yesterday released the Sanders negro on the belief that he was not guilty. Then reports stirred up another crowd, which today went in search of the negro, who felt that Raleigh and the county jail were the safest places for him. He met James and Herbert Holder in a buggy beyond the city limits and had them to drive him to the county jail.

Sanders says he saw the Wilson negro Saturday night at the Markham sawmill camp, where Wilson tried to sell a pair of trousers for \$5, saying he wanted to raise money to get home. He went with Wilson to the Howell store. He saw no more of him until Sunday morning. Wilson came over to the Markham mill camp, according to Sander's story, bringing the news of the killing of Mrs. Lynch and saying that he was looking for a chicken and must have one, if he had to ride all over the county for it. He was riding a mule.

Sanders says he had gone back to work yesterday after being released by the mob, but this morning he heard that feeling was developing against him to such an extent that he told Mr. Markham, his employer, that he wanted to come to Raleigh as a place of refuge.

So the jail here has two suspects in this horrible case. Worth Sanders and Roy Bradley, the latter being the negro who was arrested at Princeton just before the Wilson negro was taken at Warsaw and who was brought to Raleigh from Smithfield last night under orders from Governor Craig. Bradley insists that he has never been in the Wendell section and was at home Saturday night when the murder was committed.

SCHOOL TRUSTEES MEET TODAY.

The trustees of the New Bern Graded School will meet this afternoon in the office of the superintendent. Every member of the Board is requested to be present.

TO ERECT DWELLING ON BROAD STREET.

T. P. Ashford is making arrangements to erect a commodious dwelling on Broad street. Work on this will begin at an early date.

Mr. Garrard told of alleged irregularities on the part of Judge Speer in conducting admiralty cases. Judge McDonald's testimony dealt with a peonage case in which he charged that Judge Speer used his influence to have the defendants plead guilty.

THE RED MEN GATHER HERE FOR MEETING

Two Sessions Were Held Yesterday.

MANY VISITORS ATTEND

Social Session Marks The Close Of The Event.

Red Men from all over Eastern North Carolina gathered in New Bern to attend the district meeting of that tribe which was held at the wigwam of the local tribe yesterday afternoon and last night. The I. O. R. M. is one of the strongest orders in the State and this district embraces several of the largest lodges.

The afternoon session was devoted almost entirely to business. There were many members present from Morehead City, Beaufort, Kinston and other towns and the meeting was an enjoyable as well as interesting one.

The session last night was probably the most enjoyable on account of the social features. Considerable business was transacted after which the members of the various tribes gathered around the festive board and engaged in a repast which was fit for kings. During the evening there were numerous addresses and these were thoroughly enjoyed by all.

Among the out-of-town visitors present at the meeting were: H. G. Winfield, of Washington District, Great Deputy Sachem; Stamey Davis, of Morehead City, District Senior Sagamore; John Hewitt, of Kinston, District Junior Sagamore; J. R. Proctor, of Washington, District Keeper of Wampum; W. B. Godwin, of Elizabeth City, and W. J. Leary, of Edenton.

Keith's Vaudeville at The Athens Today

Yesterday marked the beginning of something unusual and unexpected to a great many of our patrons, but we promised them we were going to give them Keith's vaudeville, as soon as we could get it and we have kept our word. Last night one of the largest and most refined audiences ever seen at the Athens, greeted two of these excellent acts, viz., Smith and Farmer, in humor and song, and Raphael Gualano, the accordion soloist. Both acts received round after round of applause from the immense crowd. Don't fail to hear them. Picture program today as follows:

"Broncho Billy Gets Square."

A stirring Western drama in two reels by the S. & A. Company, featuring the world's most popular player Mr. G. M. Anderson.

"Why I Am Here."

A Vitagraph, showing where an innocent flirtation leads to serious consequences. The Villainess pursues him until she gets him where she wants him. This is an excellent picture.

Matinee daily at 3:45, two shows at night, first starts at 7:30, second at 9 o'clock. No advance in prices.
